Recognize Title IX Sexual Harassment

But not just any action, the right action for
the conduct at issue!

Why is this so important?

1 in 4 women
experiences sexual
assault before age 18

10% of children are
targets of educator
sexual misconduct before
high school graduation

48% of U.S. students are
subject to sexual
harassment or assault at
school before graduating
high school

In 2010-2011, 36% of
girls, 24% of boys and
30% of all students
grades 7-12 experienced
online sexual harassment

According to a 2017 report from the Justice Department, only

23 percent

of all sexual assaults are reported to the police.

THIS DOESN'T ADD UP:

79% of public schools reported **zero incidents** of sexual harassment or bullying.

AAUW research has shown that nearly half of students in grades 7-12 reported experiencing some form of sexual harassment, yet more than three-fourths of schools reported zero incidents for the 2015-16 school year.

Have you been involved in a Title IX complaint?

Have you been involved with a student or employee issue involving unwanted conduct on the basis of sex?

WHAT IS TITLE IX?

- Title IX

When must a school respond to Title IX sexual harassment?

A school with actual knowledge of [Title IX] sexual harassment in an education program or activity against a person in the United States must respond as required under the new Title IX rules....

Notice

ACTUAL knowledge

To Title IX Coordinator or
“official with authority”
(all K-12 employees)

NOTICE

Actual Knowledge

- 2. Report**

Official with Authority

- Title IX Coordinator
- Any other officials who have been given authority to institute corrective measures by the school district
- K-12: All employees

Reporting Sexual Harassment: Who, How and When?

- Any person may report sex discrimination, including sexual harassment, regardless of whether the person is the alleged victim of the reported conduct
- Reports can be made by mail, by telephone, or by email, using the contact information listed for the Title IX Coordinator
- Or by any means that results in the Title IX Coordinator receiving the person's report
- Such a report may be made at any time, including during non-business hours, by using the telephone number or electronic mail address, or by mail to the office address listed for the Title IX Coordinator

Key Word: “Allegation”

Once a school has notice of an allegation that, if true, would constitute sexual harassment, it must respond

“Well, we didn’t believe there was enough evidence it happened” does not get you past your responsibility to use your Title IX procedures

Issue Spotting

Order of protection:

Principal served with order of protection requiring 17 year old male student to have no contact with 16 year old female student due to alleged sexual assault off campus.

Does the Principal have actual knowledge/notice of sexual harassment?

Title IX Sexual Harassment

- Employee quid pro quo
- Hostile environment (newly defined)
- Clery/VAWA "Big 4"

Title IX Quid Pro Quo

Definition: An employee of the school conditioning an aid, service, or benefit of the school on an individual's participation in unwelcome sexual conduct

New: Only an employee (not a volunteer, another student, etc.)

Codified: Severity and harm presumed

VAWA “Big Four”

Sexual Assault 20 U.S.C. 1092(f)(6)(A)(v)

Domestic Violence 34 U.S.C. 12291(a)(8)

Dating Violence 34 U.S.C. 12291(a)(10)

Stalking 34 U.S.C. 12291(a)(30)

Title IX Hostile Environment

Title IX – What is Sexual Harassment?

Old Definition

Unwelcome conduct determined by a reasonable person to be **severe, pervasive or persistent as to interfere with or limit a student's ability to participate in or benefit from school services, activities, or opportunities**

New Definition (8/14)

Unwelcome conduct determined by a reasonable person to be **so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the school's education program or activity**

Unwelcome Conduct

- Not **Consent**
- Not **Participation**
- Not **Silence**
- Age Matters
- Intoxication Matters
- Culture Matters
- Ability Matters

What is severe?

Severe

- Something more than just juvenile behavior among students
- Something more than behavior that is even antagonistic, non-consensual, and crass
- Simple acts of teasing and name calling are not enough, even when based on sex

What is pervasive?

Pervasive

- Systemic, widespread
- Multiple incidents—one incident is likely not enough
- Reconciles the general principle that Title IX prohibits indifference to known harassment with the practical realities of responding to misconduct

What is objectively offensive?

Objectively Offensive

Constellation of
surrounding
circumstances,
expectations, and
relationships

ACCESS DENIED

Access Denied

- Hostile environment - harm is not presumed
 - **Effectively denies a person EQUAL access to the school's education program or activity**
- "So undermines and detracts from the victims' educational experience..."
- Specific manifestation of trauma not require

Hostile Environment Factors

Context, Nature, Scope, Frequency, Duration, and Location of the Incidents

Identity, Number, Ages, and Relationships of the Persons involved

What
about....

**casual or
isolated
comments
or
conduct?**

Practical Analysis

Is this severe, pervasive, and objectively offensive?

A student makes multiple insensitive sexual jokes to another student

Teacher repeatedly tells a student they look good after losing weight

One student grabs
another student's breasts
during a soccer game

A student “uses tongue”
during an acting scene
without the other student’s
permission

A group of students make a Facebook post rating students by attractiveness and share with school community

A teacher offers a student
to trade a back rub for a
good grade on a test

Teacher makes a sexually inappropriate comment to a student in class

Students incessantly mock a female student for not wearing makeup, saying she looks “like a boy”

A student sends a completely nude picture to the student's significant other (another student)

The student who received
the photo forwards it to
20 classmates

ACCESS DENIED

Title IX Sexual Harassment Must Be “In a Program or Activity”

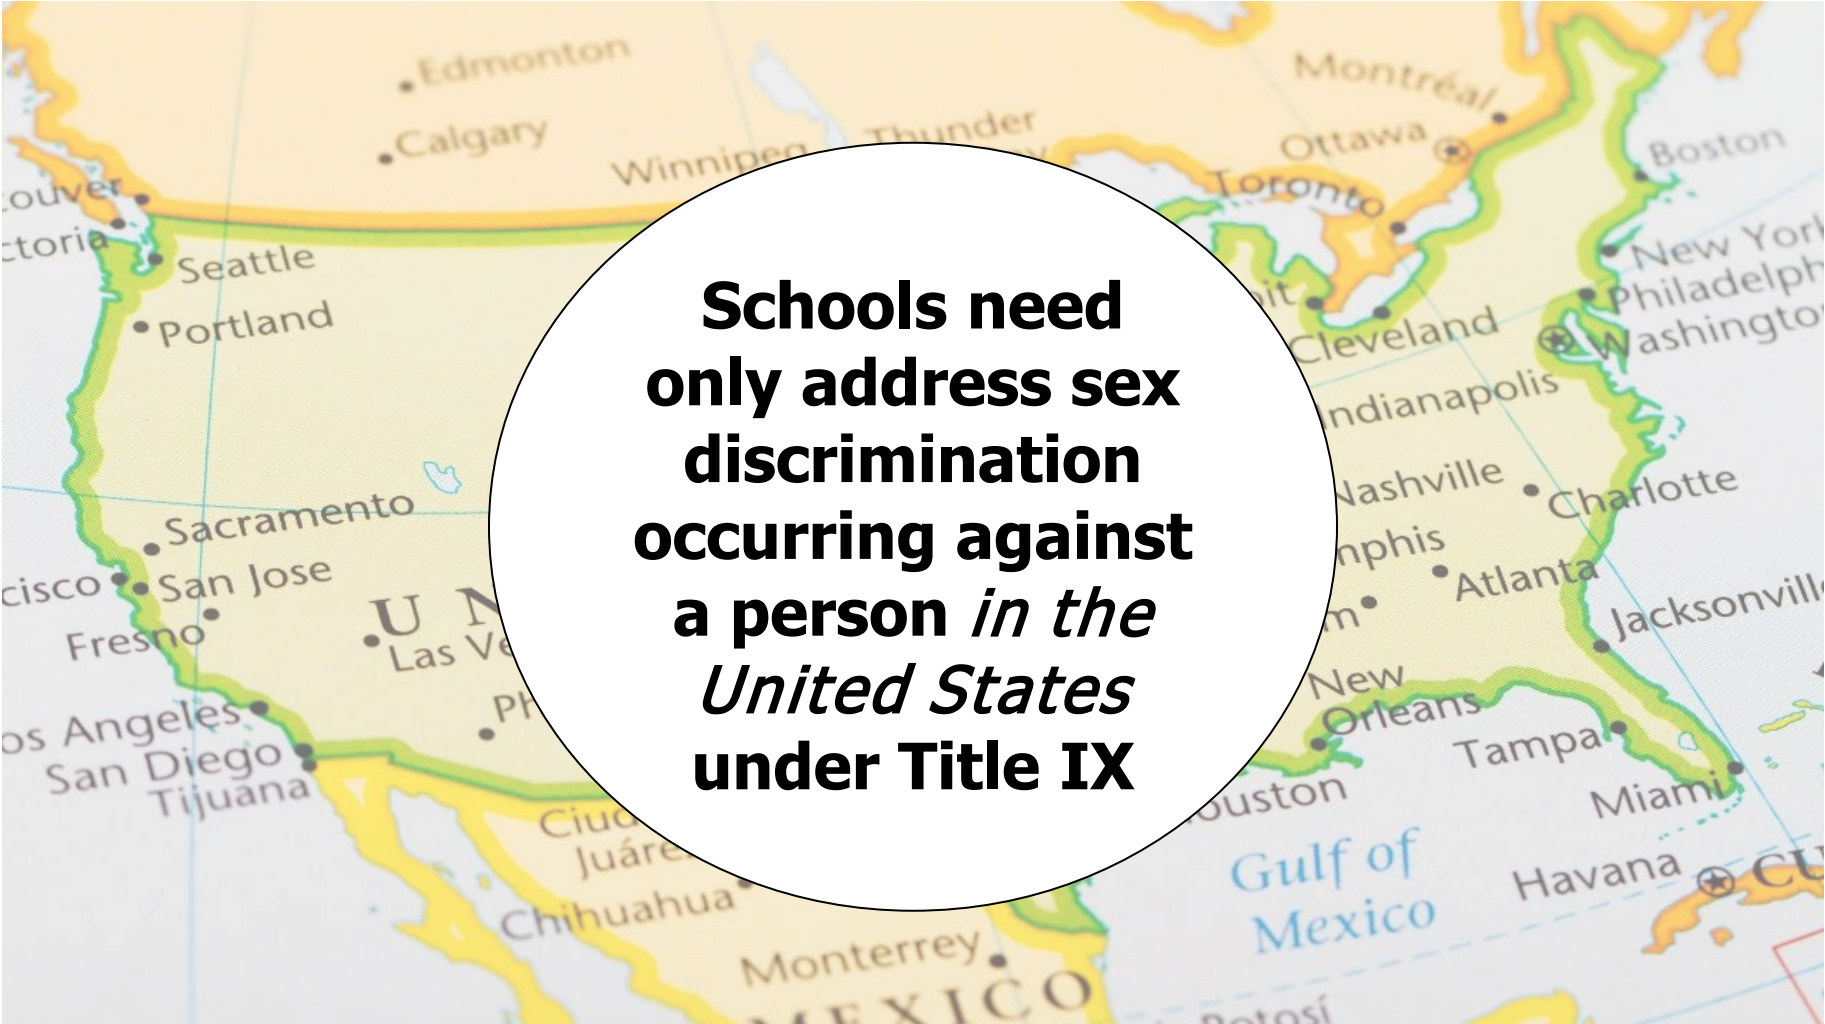

Program or Activity: Any location, event, or circumstance over which the school exhibits substantial control over both the alleged harasser and the “context” in which the harassment occurred

Online & Off Campus

Substantial control over the context?

A map of the United States and parts of Canada and Mexico. A large white circle with a black border is centered over the map, containing text. The map shows major cities like Seattle, Portland, Sacramento, San Jose, Fresno, Los Angeles, San Diego, Tijuana, Las Vegas, Phoenix, Chicago, Indianapolis, Nashville, Memphis, Atlanta, New Orleans, Tampa, Miami, Houston, Boston, Cleveland, Toronto, Ottawa, Montreal, and New York. The Gulf of Mexico is labeled at the bottom right.

**Schools need
only address sex

**BREAK

HOW MUST YOU RESPOND?

Board Policies on Harassment

Option 1: **AR 4119.12/4219.12/4319.12 (Personnel) & AR 5145.71 (Students) Title IX Sexual Harassment Complaint Procedures** (for TIX Sexual Harassment *only*)

Option 2: **AR 4119.11/4219.11/4319.11 (Personnel) & AR 5145.7 Sexual Harassment** (for any other violation of law, including other types of “sexual harassment”)

Option 3: Other Board policies prohibiting conduct, e.g., bullying, nondiscrimination

BUT ALWAYS
consider
whether
another non-
"sexual
harassment"
policy or
procedure
applies

NEW Title IX
Sexual
Harassment AR

Proceed under
another policy

Conduct that, if true, would be
"Title IX Sexual Harassment"
REMEMBER: If you find no
responsibility, consider whether
another sexual harassment policy
should be used

Dismissal under Title IX Process
OR
Conduct that, even if true, would
not "Title IX Sexual Harassment"

Adequate Response

1. Initial Response
/ Supportive
Measures

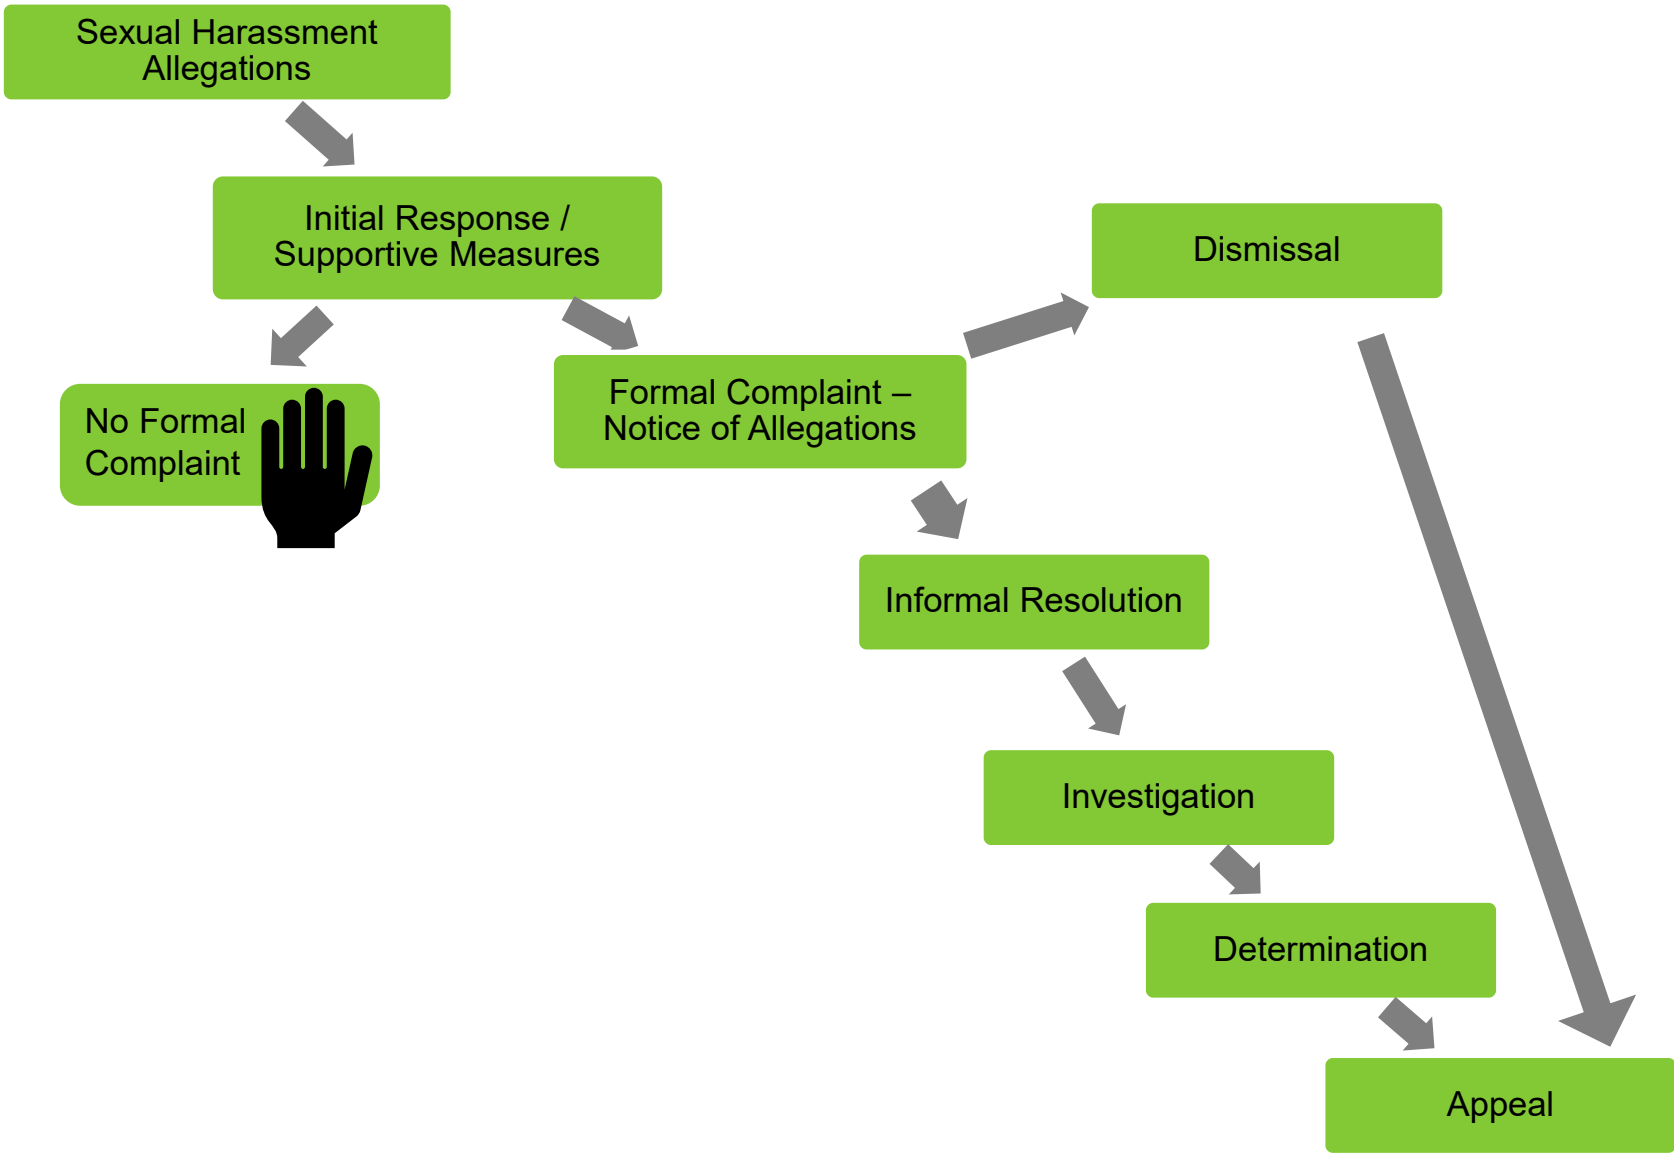

2. Informal
Resolution
(Voluntary)

3. Investigation

4. Decision

5. Appeal

Initial Response/Supportive Measures

Title IX Coordinator

- Must be called Title IX Coordinator
- One person with oversight over all Title IX programs
- Can have other responsibilities (e.g., nondiscrimination, ADA)

Terminology

Apply to parties in both *reports* and *Formal Complaints* of sexual harassment

Title IX Complainant: A person who is alleged to be the victim of conduct that could constitute sexual harassment

NOT a third party who reports Title IX Sexual Harassment perpetrated against someone else

NOT the Title IX Coordinator, even if the TIXC "signs" a Formal Complaint

Title IX Respondent: A person who has been reported to be the perpetrator of conduct that could constitute sexual harassment

Title IX Coordinator or designee must promptly, **even if no Formal Complaint is filed:**

- Contact the Title IX Complainant to discuss the availability of “supportive measures”
- Consider the Title IX Complainant’s wishes with respect to supportive measures
- Inform the Title IX Complainant of the availability of supportive measures with or without the filing of a formal complaint
- Explain the process for filing a Formal Complaint

New:
**Initial
Response**

Formal Complaint

Defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school investigate the allegation of sexual harassment. 34 C.F.R. § 106.30(a).

Confidentiality

- Not required to maintain anonymity of Complainant after formal complaint is filed
- Both parties must be identified (if identity is known) in written notice of allegations
- Using party initials or withholding Complainant's identity is insufficient

Signing a Complaint

Factors to consider

Supportive Measures

What Changed?

OLD TERM (OCR Guidance)

- Used terms such as “interim measures” or “interim steps” to describe measures to help a complainant maintain equal educational access
- Implied only available during pendency of investigation, did not mandate offering them, not clear if could be punitive or disciplinary, and did not clarify if available to respondents

NEW TERM (Final Rule)

- **Non-punitive**, individualized services, offered as appropriate and without charge to a complainant or a respondent before or after the filing of a formal complaint, or where no complaint has been filed (34. C.F.R.106.30(a)).
- **Should be designed to restore or preserve equal access to the education program or activity without “unreasonably” burdening the other party**

Examples of Supportive Measures

- Counseling
- Course modifications
- Schedule changes
- Increased monitoring or supervision

A supportive measure that completely removes a respondent from an activity would likely be considered punitive, except for “emergency removals” for students and “administrative leaves” for employees

Emergency Removals / Admin Leave

Immediate emergency removal

(34 C.F.R. 106.44(c))

- Based on an individualized safety and risk analysis
- Necessary to protect a student or other individual from **immediate threat** to **physical health or safety**
- **Notice, opportunity to challenge** provided “immediately” provided the removal
- Consider other laws, e.g., “change in placement” under IDEA

Employee administrative leave

(34 C.F.R. 106.44(c))

- Not prohibited
Consider state law, board policy, handbooks and bargaining

Dismissals

Mandatory if conduct alleged:

- Not sexual harassment, even if true
- Did not occur in the school's program or activity
- Did not occur in the United states

**can still address under non-Title IX policy

Permissive if:

- Complainant requests to withdraw in writing
- Respondent's enrollment or employment ends
- Specific circumstances prevent school from gathering evidence sufficient to reach a determination (e.g., passage of time, lack of cooperation by complainant)

2 Informal Resolution (Voluntary)

Informal Resolution

INFORMAL RESOLUTION IS NOT PERMITTED UNDER THE FOLLOWING CONDITIONS:

- Cannot condition enrollment, employment, or any right on waiver of right to investigation and adjudication of formal complaints under grievance procedure
- Cannot require use of informal resolution process
- Cannot offer informal resolution process until formal complaint is filed
- Not available to resolve allegations that employee sexually harassed a student

INFORMAL RESOLUTION MAY MOVE FORWARD UNDER THE FOLLOWING CONDITIONS:

- Any time prior to reaching a determination, either party may request informal resolution
- Requires voluntary, written consent from both parties
- Any party has a right to withdraw prior to agreement

Informal Resolution Facilitators

We do not recommend
using the Title IX
Coordinator or
investigator(s) or
decisionmakers

Written Notice: Required

- To both parties
- In writing
- Allegations
- Requirements of informal resolution process (including circumstances under which the party cannot resume a formal complaint arising from the allegations)
- Resulting consequences of participating (e.g., records)

3 Investigation

Formal Complaint Response

34 C.F.R. 106.45(b)

- Requires a number of specific steps for investigating
- Major shift from previous, more deferential stance toward specific policies and practices for complaint resolution

Anatomy of an Investigation

Written notice to the parties

Choosing an investigator

Required elements of an investigation

- Written notice to known parties
“upon receipt of written complaint”
- In sufficient time to allow respondent to prepare a response before any **initial** interview
- Must include:
 - Notice of grievance process, including any informal resolution process
 - Notice of allegations, in sufficient detail to allow respondent to prepare a response (names of known parties, conduct alleged, date and location of conduct, if known)

More Steps: Written Notice

- Must include:
 - Statement that respondent presumed not responsible and that responsibility determined at conclusion of grievance process
 - Notice of parties' rights to have an attorney or non-attorney advisor and to inspect and review evidence
 - Notice of any provision in the code of conduct that prohibits knowingly making false statements or providing false evidence during the grievance process
- Must be supplemented if new allegations opened for investigation

More
Steps:
Written
Notice

Written Notice: Required

- Informal resolution notice
- Notice at start of investigation
- Dismissal notice
- Interview notices
- Report
- Notice which proposed questions not asked on cross and why
- Written determination and notice of appeal rights

Written Notice: Recommended

- Document information to complainant at initial meeting, including supportive measures requested/provided
- Document that review of evidence provided to both parties
- Document opportunity to ask questions, answers, follow-up questions, etc.

Who should investigate?

Can be the Title IX Coordinator... But should it?

Who should investigate?

- Trained
- Unbiased
 - No actual or perceived conflict of interest
 - Check “institutional interests”
 - Presumption that Respondent is not responsible

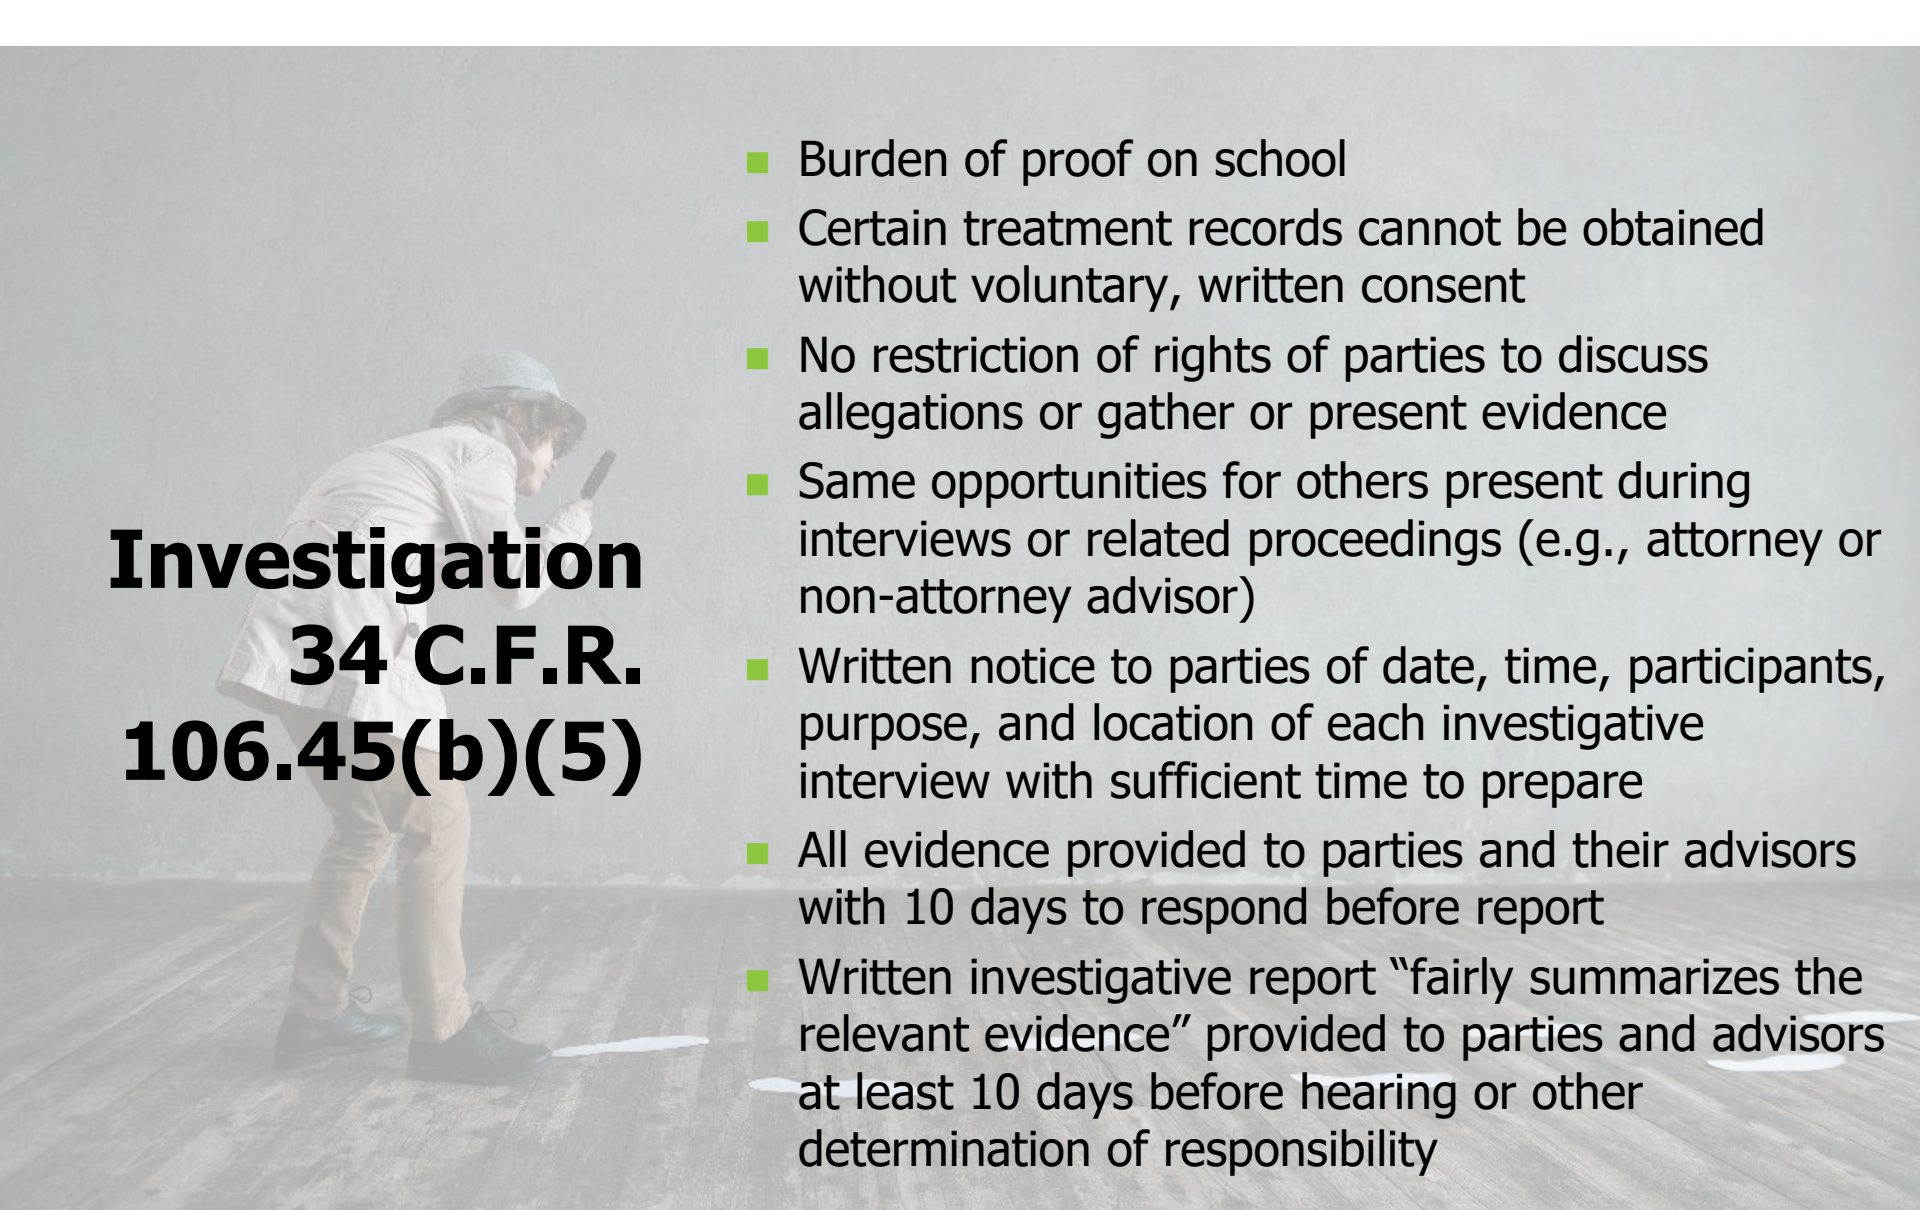

Who should investigate?

- No “one size fits all” approach
- May need to designate
- Consider the perception of bias
 - Your friendship or other relationship with the accused or their family
 - Your sex/gender identity
 - Your personal conflicts (even if just perceived)
 - Personality conflicts

Contents of an Investigation

Investigation 34 C.F.R. 106.45(b)(5)

- Burden of proof on school
- Certain treatment records cannot be obtained without voluntary, written consent
- No restriction of rights of parties to discuss allegations or gather or present evidence
- Same opportunities for others present during interviews or related proceedings (e.g., attorney or non-attorney advisor)
- Written notice to parties of date, time, participants, purpose, and location of each investigative interview with sufficient time to prepare
- All evidence provided to parties and their advisors with 10 days to respond before report
- Written investigative report “fairly summarizes the relevant evidence” provided to parties and advisors at least 10 days before hearing or other determination of responsibility

Investigation Best Practices

- Investigation plan
- Follow steps in policies closely
- Coordinate with law enforcement as required by policy and District practice
- Remember that both complainants and respondents may be experiencing trauma and other strong emotions
- Consult with Title IX Coordinator and/or counsel as needed

Interviewing Best Practices

- Explain your role as a neutral
- Open-ended questions followed by more tailored follow up
- Allow ample time, don't interrupt or rush
- Ask "Is there anything else?"
- Ask for other witnesses, evidence, incidents

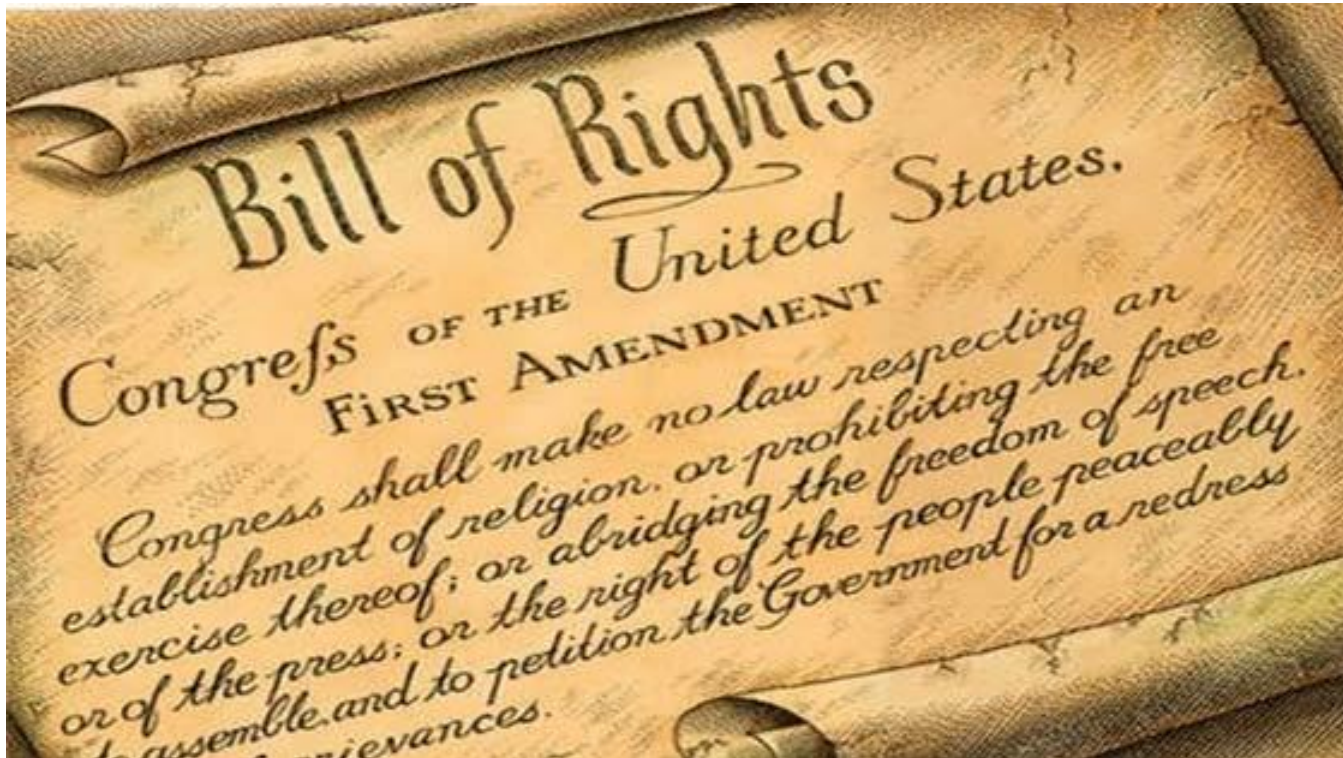

Notice to Parties in Interviews

- What to expect about future contact (timing, updates, encourage follow-up to you)
- Written copy of policies/procedures
- Notify of retaliation rights – provide specific examples
- No “Gag” order but can warn of retaliation risks

First Amendment Rights

Investigation Plans Aren't Static

Reassess plan for
investigation
frequently

Gathering Other Evidence

Warning! Medical Records

- Notice of allegations should not divulge either party's medical information
- Prohibited from accessing or using medical, psychological, or similar records in grievance process without a party's (or parent's) voluntary, written consent

Opportunity to Review Evidence

- Before the investigatory report is completed, evidence relating to the allegations must be sent to each party and advisor and should include all evidence (including that which the school does not intend to rely upon and exculpatory and inculpatory evidence)
- Parties have 10 days to provide a written response

Investigation Report Writing

- Fairly summarizes the relevant evidence
- Provide the report to the parties and their advisors, if any, for their review and written response, at least 10 days before a hearing or determination of responsibility

Investigation Report Should Include

Applicable policies and procedures

Timeline of investigation

Description of allegations

Unbiased summary of evidence gathered, including interviews

Credibility determination(s)

4

Decision

Decisionmaker(s) (Complaint)

- Cannot be the Title IX Coordinator or the investigator(s)

Determinations
of Responsibility
34 C.F.R.
106.45(b)(6)

- Live hearing with live cross by party advisors required for higher ed, **not K-12**
- Hearings permitted for K-12, with each party allowed to submit written, relevant questions to be asked of another party or witness to the decisionmaker, who will provide each party with the answers and the opportunity for follow-up questions

Relevance

- Rape shield laws
- Treatment records
- Legally privileged information
- Improper inference
- Prior statements

Rulings on Relevance in Written “Cross”

- Provide reasoning for irrelevance
- Admit and consider all relevant evidence
- Exceptions
 - Sexual behavior (except in limited situations)
 - Legal privilege
 - Treatment records

The Decision

Written Determination

Identify	Identify the allegations
Describe	Describe procedural steps taken
Cite	Cite potential policy violations
Summarize	Fairly summarize all relevant evidence

- Remedies for complainant and others
- Etc.!!

5

Appeal

Appeal Process

- Available to both parties
- Appeal of dismissal or written determination
- Three bases for appeal
 - Procedural issue
 - New Evidence
 - Bias or Conflict of Interest
- Must affect the outcome

Appeal Process

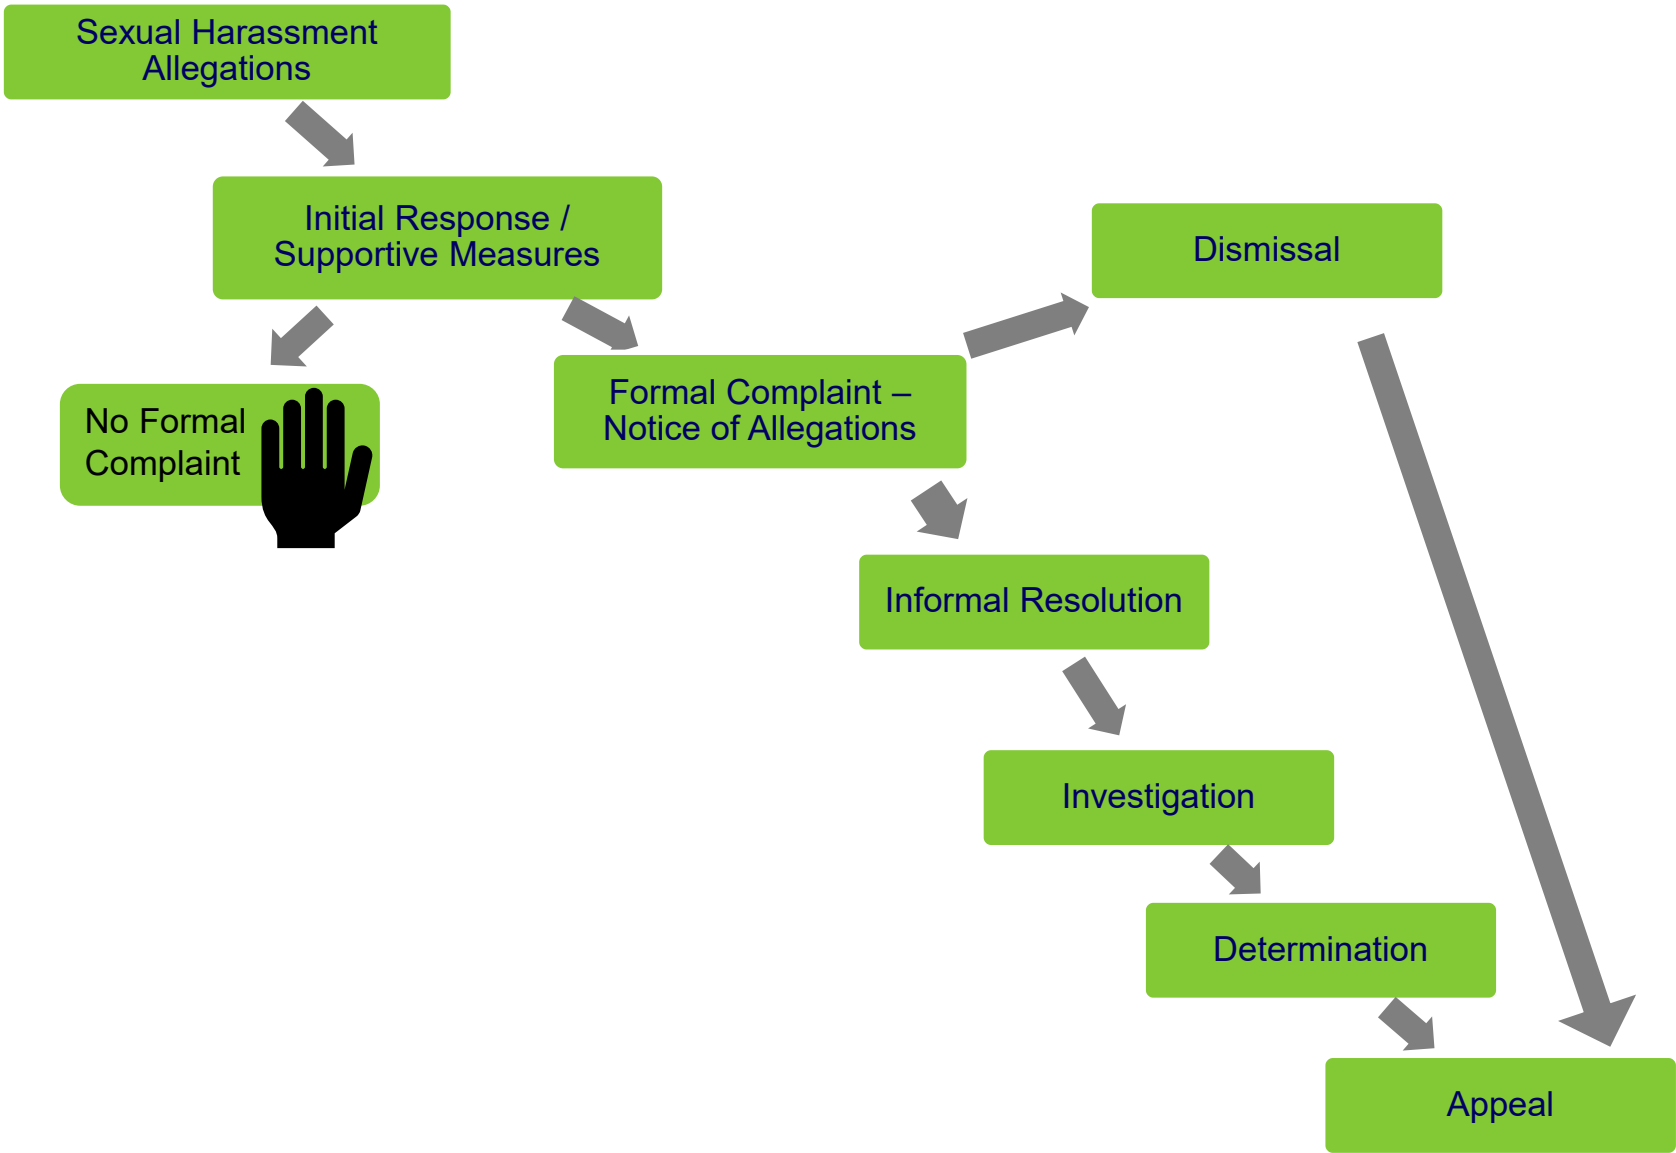

- Notify parties of appeal in writing
- Apply procedures equally for both parties
- Provide equal opportunity to submit written statement
- Issue written decision to both parties

Decisionmaker(s) (Appeal)

Cannot be the Title IX
Coordinator or the
investigator(s) or the
decisionmaker (complaint)

Bias, Conflicts of Interest, and Other Fairness Concerns

Bias, Conflict of Interest, Prejudgment

The Title IX Coordinator, investigator, decision-maker, or informal resolution facilitator must not have a conflict of interest or bias for or against Complainants or Respondents generally or for or against any individual Complainant or Respondent. And that they must not prejudge any matter before them.

- An affinity or habitual attraction to something
- The property of not being in balance
- A particular point of view from which something is seen or presented

Wordhippo.com

- Informal resolution and result
- Actions taken in response to a report of sexual harassment
