Cyndi accepted the nomination, and the committee unanimously voted her into the open office position. We still need to appoint one more officer and hope to fill this position at the next meeting. The committee voted to still have a Family Night. We asked the committee to provide names for possible presenters. Robyn and Kym will work with school sites to lock in a date and location. 1st Annual Native American Student Success conference: we asked for feedback from the committee members that were present as well as the student feedback. We received positive feedback. The date for the 2nd Annual Native American Student Success conference is already set for Tuesday, November 19, 2024, which will be held at Clark Intermediate and the MET. The committee was asked to provide names for keynote speakers, and we will begin reaching out to community partners to secure them in advance. Annual Parent Survey is February 13- February 23, 2024. The committee was asked to review the survey. To date the program enrollment is 463. The historical census of the program over the last 5 years was presented at the meeting. The committee would like to provide new families with more information and inclusive local services from FAIHP and hope that can be an option at Family night. The committee would like to have the seniors and families personally invited and acknowledged at Family Night. Some ideas were discussed. The committee had some questions about regalia at graduation.
