PRINCIPAL'S MESSAGE

ParentSquare

Thank you to the 60% of parents/guardians who have downloaded the ParentSquare App. The calendar is still a work in progress, and most events are input through mid-January. We are working with the district to delete the many non-BR events showing up (Clovis East High School Play).

We are also learning how to build groups of parents so that the communication you get is relevant to you. We are working on a Drama group and individual sports groups, so if your child is not in sports or activity, you will not get the update. Overcommunication is just as bad as no communication. Hang in there with us as we are improving ParentSquare each week.

Raven Run

We will kick off the Raven Run on Monday. This is our primary school fundraiser, and 100% of the profits are spent on students this year. We will have cash collections each Wednesday and anytime online. The Raven Run will occur on Tuesday, October 8th, during the school day. Look for information coming home on Monday, September 16th.

Abitrached's Book Corner

Another great book by one of my favorite authors.

Operation Do-Over By Gordon Korman

_Reading Level: 5.2

Pts: 5.0

Mason and Ty were once the very best of friends, like two nerdy sides of the same coin. Until seventh grade, when Ava Petrakis came along. Now Mason can trace everything bad in his life to that terrible fight they had over the new girl. The one thing he'd give anything for is a do-over. But that can't happen in real life--can it?

Here's another amazing chapter book to read!

Ban This Book

Reading Level: 4.5

Pts: 7.0

An inspiring tale of a fourth grader who fights back when her favorite book is banned from the school library by starting her own illegal locker library!

Report an Absence

It is important to let us know when your student(s) are absent. Please choose one of the following ways to report an absence:

- Through our [Parent Connect](#) Just click "Report an Absence" at the top left.
- [Instructions](#)

*Absences must be cleared through the front office within 5 days or they will remain, "uncleared"

Next week, our school community will focus on the character strength of **Curiosity**. Curiosity means you like exploration and discovery. You ask lots of questions because you want to learn more about anything and everything.

Curiosity is essential to our character, driving our desire for wisdom and knowledge. It keeps us engaged in stories and encourages us to try new activities or travel. Everyone experiences curiosity differently – behaviorally, intellectually, and emotionally.

People with strong curiosity are more likely to ask questions and try new things. Curiosity is a form of courage because asking questions shows we don't know something, and trying new activities risks failure. However, it's through questions and exploration that we learn and grow.

To practice and encourage curiosity at home, please visit the mobile-friendly [P2 for Families](#). There, you will watch a video clip together and discuss a quote and three questions related to the strength of curiosity.
