PRINCIPAL'S MESSAGE

Raven Run

We are off and running with our annual RAVEN RUN! This is our primary school fundraiser, and 100% of the profits are spent on students this school year. We will have cash/check collections each Wednesday and anytime online. The Raven Run will occur on Tuesday, October 8th, during the school day. Information was sent out this week on how to collect and the incentives.

Parent Teacher Conferences

Sign-ups for conferences have been sent out this week to all parents. Please sign up for a time to discuss your child's current progress and discuss what progress is needed for the rest of the year. I am asking all parents to schedule one meeting per child, even if there are two different households. It is important that both parents hear the same message and team up with the teacher to benefit the student. Online conferences are an option; just ask your child's teacher. Elementary Conference Day is Friday, November 1st, a no-school day.

WHEN STARS ARE SCATTERED

(BEST BOOK EVER!)

A nonfiction graphic novel

Reading Level: 3.7

Points: 4

When Stars Are Scattered follows co-author Mohamed (picture below) and his younger brother, Hassan, who were born in **Somalia** and fled to a **refugee camp in Kenya** when they were toddlers. Although an older woman adopted the brothers, they never stopped searching for their mother. While at the camp, Mohamed was often forced to choose between his own education and caring for Hassan, who was nonverbal and had seizures. Eventually, they were able to move to the United States.

Our greatest glory is not in never falling, but in rising every time we fall.

Next week, our school will focus on the character strength of

Open-Mindedness. This means being willing to consider new ideas and try new things. It involves looking at situations from all sides and not jumping to conclusions.

Open-mindedness is about seeking out and fairly weighing evidence, even if it goes against our own opinions or goals. Open-minded people listen to different viewpoints, including those that are less popular. They are often good listeners and provide balanced advice, which makes them great friends and confidants. This strength helps individuals form meaningful and lasting relationships.

To practice and encourage the character strength of open-mindedness at home, please visit the Positivity Project's mobile-friendly [P2 for Families](#). There, you will watch a video clip together and discuss a quote and three questions related to open-mindedness.
