## **Message from the Principal**

On behalf of the faculty and staff, welcome to Century Elementary School, home of the Tigers. We look forward to working in partnership with you. To provide the best education possible for your children. The Century program reflects our belief in high standards and high expectations. Century's motto is "Building Pride in Every Way." Century's students are strong in mind, body, and spirit. Students build pride by succeeding in the classroom, on the stage, and during competitions. Students that attend Century are competent and confident that they can meet the future's challenging demands. This handbook has been prepared to provide a convenient reference for basic and essential school information. In order to provide a safe and efficient environment, the handbook will be updated regularly. Revision dates will be listed on the cover.

## **Office Hours**

The main office at Century Elementary is open all school days from 7:00 a.m. to 4:00 p.m.

## **Arrival Time at School**

Supervision is provided during the school day starting at **7:35 A.M.** on the blacktop or in the cafeteria for breakfast. Students are **not** permitted anywhere else on the campus until the first bell rings at **7:50 a.m.** For health and safety reasons, sports equipment will only be available during morning and lunch recesses. Students must be in class when school begins at 7:55.

## **Dismissal and Pick-up of Children**

Supervision is only provided for 15 minutes after school (2:55 p.m.) All students should go home immediately at the end of the school day or be picked up within 15 minutes of school dismissal unless they are involved in an after-school activity. Students/siblings who are not in after school activities are not allowed to stay on campus and wait for other students. Parents should use the Sunnyside parking lot to drop off and pick up students in Grades 1-6. Kindergarten parents should use the El Paso parking lot for pick up and drop off. In order to reduce classroom disruptions, we discourage parents from signing out students during the last 15 minutes of the school day.

## **Wednesday Early Dismissal**

On Wednesday, Morning Kindergarten is released at 10:20 a.m. Afternoon Kindergarten students start school at 10:25 a.m. and are dismissed at 1:10 p.m. every Wednesday. All

students in grade 1-6 are released at 1:10 p.m.

## **Attendance Policy**

Regular school attendance is important to your child's progress. All absences must be cleared within **5 days** of the absence. Parents should call the school office, send a note when your child returns to school stating the reason for the absence, or utilize the online absence form on the Century web page. Absences not cleared are considered trancies. If absences or tardies become a chronic issue, we are obligated by California Education Code 48200 to refer the matter to the site Student Attendance Review Board (SARB). Students on independent study are not eligible for perfect attendance. Pursuant to California Education Code 48200, students shall attend the full school day. Each parent or guardian is responsible for sending the student to school for the entire day. Students may not be allowed to make-up assignments on days they had unexcused absences. The only individuals that can clear a child's attendance are those listed in primary contacts which would be as follows:

- Birth Parent
- Adoptive Parent
- Legal Guardian
- Caregiver
- Group Home
- Foster Parent
- Host Parent

## **Tardies**

If your student reports to school after 7:55 a.m. they must first report to the office to obtain a tardy slip to be given to the teacher. If your student is late due to a doctor's appointment, please submit a note from the doctor to the attendance office.

## **Independent Study**

- If a student is going to be absent from school (other than illness), the student should be placed on an Independent Student Contact.
- This contract is to be signed by the student and parents. All assignments are to be written on the contract and handed in completed once the student returns.
- Parents must request the Independent Study Contract **at least one week before the student will be absent** from school. This will allow time for the teacher and staff to prepare the work for the student to be successful.

- Independent Study Contracts are subject to state guidelines and may include, but is not limited to, rules regarding minimum duration, maximum duration, and virtual participation. Details to be provided at the time of request.
- Approval is subject to the principal's discretion.

### **Informing the Office of Upcoming Vacation**

We ask that you let your child's teacher know well in advance if your child is going to miss a day, or days, of school due to a vacation or a trip, etc. This gives the teacher time to prepare schoolwork on an Independent Study contract to be done so the student will not fall behind in class.

### **Leaving the Country**

If a student should leave the country for more than two weeks they will be dropped from our enrollment and reinstated back to Century on a space- available basis upon their return. There are no guarantees for placement back into the class from which the child left. If no space is available at Century, the child will be sent to the closest school with space available.

### **Withdrawal from School**

If you should decide to move from CUSD or to another school attendance area within the district, please notify the office that you are withdrawing your child. Not only does this help us with our record-keeping, but it also allows us to give you the information you will need to enroll your child at his/her new school.

### **Student Emergency Procedure Information**

It is extremely important that each student have accurate and current emergency information on file in case of injury or sudden illness. If your child has a known allergy or other medical problem, please note this on the online Annual Information Update and notify our nurse. Any change of address, phone number, or medical condition must be changed on Parent Connect and to reported immediately to the school office.

### **Student Check – Out**

On occasion, it may be necessary for you to pick up your child for an appointment or emergency. Students may not be removed from the school directly from the classroom. The student will not be called to the office until verification of California Driver's License of the adult, who must be listed on the Student Release Authorization form that you listed in Parent Connect signs them out. Please make sure that all the students' information is updated in the system. ***Please note do reduce classroom interruptions we ask that students not be checked out within the last 15 minutes of the day.***

## Bicycles, Skateboards, Scooters

Students are to obey all traffic laws when riding bicycles to and from school. **Helmets must be worn.** Students are to remove their skates, walk their bikes, scooters, and skateboards while on school grounds. Riding any type of vehicle on campus is strictly prohibited. Racks are provided for parking bicycles. The school is not responsible for loss or damage to personal items.

## Campus Club

Before and after school childcare is available under the Campus Club program. Campus Club cost varies depending on the program session. For more information, please call 327-9160.

## Lost and Found

All outer apparel, such as coats and sweaters, and other items, such as binders and lunch pails, should be **labeled with your child's full name.** The lost and found box is located outside the cafeteria. Items not claimed will be given to a charitable organization every quarter.

\*\*\* It is CUSD's policy that parents will be notified whenever students are in danger of failing classes or subjects.

### **Parent/Teacher Conferences**

Teachers are available for conferences with parents/guardians either in person, by phone, or via tele-conferencing site. Parents/guardians will be asked to attend at least one individual conference during the year to discuss student progress. Additional conferences may be scheduled by contacting the teacher. Parents/guardians should not confer with teachers during class time.

### **Block "C" Award**

Block C is the highest honor students in grades 4-6 can earn at Century Elementary. Criteria for this award is based on a year-long plan that is designed to recognize students who exemplify the qualities that Century hopes to foster in all its students. The Century Block C is meant to be a school involvement and achievement award. Therefore, points are only given for participation in Century Elementary school events. Applications can be found online.

### **Quarterly Awards**

Quarterly awards will be given to students in 4-6 grades.

- *Principal's Honor Roll*: Students who have earned a 4.00 GPA
- *High Honor Roll*: Students who have earned a 3.50-3.99 GPA
- *Honor Roll*: Students who have earned a 3.00-3.49

### **Sports Awards**

At the end of each sports season, participating students and students selected for specific sports awards will be honored during a Sports Awards Ceremony during the school day.

### **Tiger of the Month Award**

Each month Century will recognize one student from each classroom that has exemplified the focused character trait for that month. A group picture will be taken and seating at a special lunch table with the principal will be provided to honor these students.

### **Positivity Project Award**

Each month one student will be chosen from the entire school who has demonstrated the

positive character attribute being spotlighted for the month! Their name will be mentioned on the morning announcements, they will receive a special gift, and their picture will be taken and displayed in the cafeteria.

### **Homework Policy**

Century regards homework as an integral part of its students' education. The purpose of homework is for the completion of assignment in class and or practice of skills and concepts already taught. Homework for Kindergarten – third grades should range from approximately 10 to 30 minutes per night. Homework for fourth – sixth grades should range from approximately 40 to 60 minutes per night. If your child is spending considerably more or less time on his/her homework, please feel free to contact your child's teacher.

If your child is absent from school and you wish to obtain his/her classwork, please email the teacher. When possible, the teacher may be able to provide the work missed. This service is a courtesy and is available through teacher discretion, not all requests may be granted due to special circumstances. Many lessons and assignments are meant for an in-person type environment and are not easily replicated as homework.

### **Student Character Counts**

Maintaining student conduct is necessary to achieving our goals of providing a safe school environment and student success. Century follows a philosophy that we all are responsible for our decisions and behavior. We promote a positive-based intervention system based upon the Pillars of Good Character. We focus on a character pillar each month. The development of students to be good and productive citizens in society is part of the school's mission. Students are held accountable for their actions and decisions. A commitment to absolute non-violence is enforced at Century. Students are expected to treat each other with respect, in a kind, courteous, and considerate manner. Verbal and physical abuse are not acceptable.

### **Discipline**

Maintaining student conduct is necessary to reach our goals of providing a safe school and attaining the highest student achievement. Misbehavior results in specific steps which the teacher, GIS, or Principal takes to help the student find acceptable ways to improve his/her behavior. The steps may include verbal warning, counseling, parent contact, or parent conference. Certain infractions may result in loss of recess, detention, loss of co-curricular privileges, or suspension. See CUSD Board Policy 2102 & 2110 for the details.

### **Dress Code**

Each student has the responsibility to dress appropriately for the school environment. The

Governing Board shall authorize school regulations, which prohibit student dress, or grooming practices which present a hazard to the health or safety of the student, materially interfere with schoolwork, create disorder, or disrupt the educational program in any way, cause excessive wear or damage to school property, prevent the students from achieving educational objectives because of blocked vision or restricted environment. **Shoes that allow safe movement of the student must be worn daily for physical education.** Please see the CUSD Parent and Student Rights Handbook for more dress code information under Board Policy 5132. **Only Buchanan Area hats will be allowed to be worn.** Students **can wear** Century, Alta Sierra, or Buchanan hats. For more information on the dress and grooming policies, please refer to our district's Parent and Student Rights and Responsibilities Handbook at **<https://www.cusd.com/DressCode.aspx>**

### **Student Technology**

Students shall not use a cellular phone or other electronic device without permission during the school day, while riding on a school bus, or at any time while students are under the supervision of District employees, unless essential to the health of the student or authorized by a teacher/coach/advisor.

If a disruption occurs or a student uses any cellular phone or other electronic device for improper activities, a school employee may confiscate the device. If there is reasonable suspicion the student is violating the law, Board Policy, Administrative Regulation, or other rules of the district, school officials may search the cellular phone or other electronic device, including, but not limited to, reviewing messages, or viewing pictures. If confiscated, the device will be returned at a time determined by school officials. For more information on this policy please see <https://boardpolicies.cusd.com/ClovisUnifiedBoardPolicies.aspx>

### **Personal Athletic Equipment**

Personal outside equipment may not be brought from home for use throughout the school day. This includes personal baseball, basketball, football, soccer, volleyball equipment, etc.

### **Items That Stay Home**

Cameras, portable music players, video games, water guns, trading cards, stuffed items, stickers, and toys are considered 'nuisance items' and should not be brought to school unless permission is granted by the teacher or school site for special activities/events/rewards. Students should not bring seeds, candy, or gum to school. These items are not allowed on school grounds or buses because they get onto chairs, desks, tables, and the ground, unless permission is granted by the teacher or school site for special activities/events/rewards.

## Bus Conduct

It is a privilege to ride the school bus and appropriate behavior is expected at all times. When a student violates a District bus regulation, the bus driver will report the incident to the Principal or GIS. The student and parent will be notified as a warning. If a student receives a citation, he/she may be suspended from riding the bus for a specified period of time.

## Bus Rules and Regulations

The following bus passenger guidelines are presented in order that each student who rides the bus will arrive safely, on time, and in the proper frame of mind to learn and participate in activities. Board Policy requires passengers to follow the instructions of the bus driver. All school and CUSD regulations apply while students are aboard the bus (school or charter bus).

### Bus Rules of Conduct

- Fighting is prohibited (physical contact or verbal altercation).
- Threatening behavior and/or harassment of any kind is prohibited.
- Weapons, smoking, laser pens, drugs, and alcohol are forbidden on or near a school bus.
- Cross the street in front of the bus and only under the supervision of your bus driver.
- Follow the instructions of your bus driver at all times.
- Students are to remain seated and facing the front while the bus is in motion. **If the bus is so equipped, students SHALL appropriately utilize seat belts at all times.**
- Keep your arms and head inside the bus at all times.
- Profanity, indecent language, and obscene gestures are prohibited.
- Any property defaced or destroyed on the school bus will be paid for by the student and/or their parent/guardian.
- Eating, drinking, and chewing gum are prohibited.
- Spitting or throwing objects on the bus or out the window is prohibited.
- Loud or boisterous noises, singing or whistling will not be permitted.
- Glass objects, inflated balloons, cleats, radios, tape recorders, roller blades, and skateboards will not be permitted.
- Animals or insects (dead or alive) are not allowed on the bus.

## Physical Education

According to Education Code section 51210(a)(7), the CUSD is required to provide, in the elementary setting, no less than two hundred minutes every ten school days.

### PE Excuses and Team Participation

A child will not be allowed to participate in any after-school sports programs or intramurals if

they are not participating in PE due to a PE excuse. Additionally, a student must be present in school to participate in same-day practices, games, or any co-curricular activity on or off campus.

### Library

Grades K-2 can have one book checked out. Grades 3-6 are allowed to check out two books. All books are stamped with the date the book is due. Overdue lists are sent to teachers weekly. We encourage our students to be responsible with their library book by taking good care of them and returning them on time. Any student with an overdue library book may not check out another book until it is returned. If a book has been lost or damaged it must be paid for so a replacement can be ordered. Any student with an overdue book(s) at the end of the school year will not be allowed to attend any end of the year activities until the obligation is taken care of.

### Supplies & Textbooks

All essential student supplies are provided at school. However, often teachers will suggest a few items that are helpful and an added convenience to the student but are never mandatory. Students are responsible for the care of textbooks and other non-consumable items issued by them. Any lost, missing, or stolen textbooks are the responsibility of each student. Parents will be charged the full replacement cost for any textbook not returned at year's end.

### Telephone Use

Each classroom is equipped with phones with outside lines. A student is allowed to use the telephone in their classrooms only in the event the teacher directs them to do so. Students will be permitted to use the office telephone only if they are unable to contact their teacher prior to or after school and the principal and or the secretary feel it is absolutely necessary. Phone calls from parents will not be put through to students. **We do not encourage Century students to bring cellular phones to school. However, if a parent determines that it is necessary for their child to carry a cell phone, it must be turned "OFF" during the school day, including recesses and lunch.** Century and Clovis Unified will not be responsible for any cell phone that a student brings to school that may be damaged, lost, or stolen.

### Emergency Plan

Century has a written plan of action that outlines specific courses of action in the event that student safety is threatened. If a crisis situation exists, this document informs and mandates procedures that immediately provide consistent responses from school employees. Throughout the year planned drills are conducted to insure appropriate reactions from students and school employees.

## **Safety Concerns**

Please notify the office staff or administration if you have any on-site or off-site safety concern that may impact the well-being of our students. Please remind your children to follow all safety rules, including using the crosswalk as the only area to cross the street.

## **Child Protective Services**

It is important for parents to know that all school personnel are "Mandated Reporters" of child abuse. This means that should a staff member have even the slightest suspicion that a child has been abused, they must report it to the Child Protective Services (CPS). Failure to report a suspected case of child abuse leaves a staff member liable and could potentially result in the loss of their job. Should social services ask to meet with a student, Century administration will ask if the student would like a school official to accompany them during the meeting. It is important, for safety reasons, that school officials do not contact parents concerning any meetings.

## **Insufficient Funds**

All checks returned to Century Elementary due to insufficient funds or due to closed account will be assessed a \$25.00 returned check fee. After May 1st, all payments for field trips, yearbooks, cafeteria accounts, etc. must be paid by **CASH ONLY**.

## **Rights and Responsibilities Information**

Information regarding the rights and responsibilities of all CUSD parents and students is available on the District's Web site at [www.cusd.com](http://www.cusd.com). If you do not have Internet access and would like a copy of the "District Handbook of Parent and Student Rights and Responsibilities," please contact Century. Hard copies of the handbook will be made available to parents upon request.

## **Century Parent Teacher Club (PTC)**

The Century Elementary Parent/Teacher Club is an organization open to all parents and staff. Every parent is encouraged to join and support the school and its functions. A close feeling of partnership prevails between the school and the families it serves, which relates directly to the enthusiasm and accomplishments of the Century children. The Parent/Teacher Club, with its many activities, is an integral part of the total school program. For more information on the Century PTC visit the website linked from Century's home page.

## **Parent Visitation**

In the interest of safety, ***all visitors must report to the office and check out a visitor's badge before being allowed on campus.*** Parents are encouraged to stay involved with their child's education. Prior arrangements must be made with the teacher to work in or visit the classroom. All visitors without a badge will be directed to the office. Teachers will not conference with parents during class time. Parents must report to the office when picking up their child for lunch. If parents wish to eat lunch on campus with their child, the office staff will find an alternate location. **Parents cannot stay in the cafeteria at lunchtime.** Visitors must be on the student's emergency check out list in order to check students out of school or to have lunch with them in an alternate location.

## **Parent Involvement**

Parent involvement is an important part of implementing programs at Century. Parents are invited and encouraged to participate in the following: School Site Council (SSC), English Learner Advisory Committee (ELAC), School Assessment Review Team (SART), Intercultural & Diversity Advisory Council (IDAC), and the Parent Teacher Club (PTC). Contact the GIS at century if you are interested in any of these committees.

## **School Parties and Birthday Treats**

Room parents plan class parties scheduled during the year by each grade level. Room parents coordinate with the teacher for these events, which generally are scheduled at the end of the day. Please contact classroom teacher regarding birthday policy. **If** a teacher allows a small treat for birthdays, we ask that they be served during a recess, or at the end of the school day so that school learning time will be uninterrupted. Please do not deliver treats to the classrooms. Be mindful of food allergies when selecting class treats. We also ask that **no balloons or gifts deliveries be sent to the school.** Please do not distribute invitations to private parties at school. **Uber, Door dash, and all other forms of food and drink drop off companies are not allowed on campus for student delivery.** If your child forgets a lunch, call the school and Century can provide a delicious school meal.

## **Volunteers**

A key part of Century Elementary's total plan is community involvement. If you are interested, please talk to your child's teacher regarding how you can volunteer. Please note volunteering in the classroom is at the discretion of administration and the teacher. Often times, privacy or special concerns prohibit adults helping in the classroom on a regular basis. However, often

times the school can find alternative methods if you are interested in helping. All volunteers must conform to CUSD guidelines by submitting a volunteer application and picture ID to the school office each year. Volunteers should dress appropriately as to not detract from the educational process and **must obtain a visitor's badge from the office before going to the classroom**. Please do not bring small children with you when you are volunteer. Adults and or Volunteers may not use or enter the student restrooms.

## **Home/School Communication**

Communication between the home and the school is essential to the progress and development of each student at Century. The parent and the school are partners and your input into your child's education and the school is welcome and essential for effective operation. In addition to personal contacts between parents and school personnel, the following are the formalized forms of communication used at Century.

**Tiger Bulletin** is a weekly publication that is emailed home on Friday evening. This communication contains a weekly calendar and list events that will be occurring during the next week. The Tiger Bulletin is also available on the Century web page.

## **Web Site**

For up-to-date information, please refer to Century's website at <http://www.century.cusd.com> The web site also provides a direct link to the email address of your child's teacher.

## **Parent Connect**

Parent Connect is an online tool parents can use to access key information regarding student's grades (second-sixth), attendance, lunch monies, and teacher communication. Parents receive login and password information in an email. Password and login information may also be requested from the school registrar.

## **Insta-Connect**

Insta-Connect is another tool that we use to communicate information to parents and may also be used to alert parents or guardians of an emergency/safety situation on campus. Insta-connect attendance phone calls go out daily around 10am for students who are absent.

## **Peach jar**

CUSD utilizes Peach jar for electronic flyer distribution. Parents with an email address on file will automatically begin receiving flyers in their inbox. Additionally, all flyers can be viewed by clicking the Peach jar button located on our school's website.

## **School Assessment Review Team (S.A.R.T.) Committee**

At Century, we have a committee of interested parents who meet once a quarter to study and evaluate the various components that comprise our total school and to offer input for ways of improving those components.

Basically, the objectives of our S.A.R.T. Committee are as follows:

1. To study and become knowledgeable about the various programs and components that make up the total school operation.
2. To discuss (as representatives of the community) the effectiveness and appropriateness of these programs and components relative to the goals of the school.
3. To aid in assessing school/community attitudes about the total school program.
4. To help communicate with the community.
5. To provide representatives for the Superintendent's Roundtable and District S.A.R.T. which meets once a quarter.

## **NURSING SERVICES**

A Credentialed School Nurse (CSN)/Registered Nurse (RN)/Licensed Vocational Nurse (LVN) or health services assistant (HSA - an unlicensed personnel) will be in the health office 5 days a week. The CSN/RN/LVN/HSA will contact parent(s)/guardian(s) regarding illnesses and injuries that occur during the school day. All RNs/LVNs/HSAs provide student health care under the supervision and direction of the Credentialed School Nurse. RNs/LVNs/HSAs follow the Emergency First Aid Guidelines for Schools when providing first-aid care to students and are CPR/First Aid certified.

### **EMERGENCY INFORMATION:**

Ed Code 49408

The health office or school administrator will contact parent(s)/guardian(s) in an emergency situation due to illness or injury. It is very important that the health office has current parent/guardian contact information. If there is a change in your child's emergency contact information, please log into Parent Connect and update your information as soon as possible.

### **FIRST GRADE PHYSICAL EXAMINATION REQUIREMENT:**

California State Law (California Code of Regulations, Title 5, Section 432 (2) (B) requires that each student have a complete Child Health and Disability (CHDP) physical examination within 18 months before entering first grade or 90 days after entering first grade (Health & Safety Code 124040, 124085).

The purpose of this examination is for the health and safety of your child and can help identify any health problems that may keep your child from doing well in school. Early detection is the best prevention.

A waiver signed by the child's parent/guardian indicating that they do not want or are unable to obtain the health screening and evaluation services for their children shall be accepted by the school in lieu of the CHDP form. If the waiver indicates that the parent/guardian was unable to obtain the services for the child, then the reasons why should be included in the waiver.

The CHDP form is available on the CUSD website under the "Parents" tab. Click "Health Forms" or a hard copy can be requested from your child's health office.

### **IMMUNIZATIONS**

Board Policy 5141.31; A.R. 5141.31; Health and Safety Code 120325-120375; CCR Title 17, Division 1, Chapter 4

To be admitted to school, California law requires that all children be fully immunized. There are required immunizations to attend public elementary and secondary schools, childcare centers and developmental centers. Schools, and pre-kindergarten facilities are

required to enforce immunization requirements, maintain accurate/complete immunization records of all enrolled children and submit reports. Children shall be excluded from school or exempted from immunization requirements only as allowed by California law.

At the time of registration, the school site is required to have proof that your child has received all currently due immunizations to complete the enrollment process. If required immunizations are not provided by the first day of school, your child will not be able to attend.

As of January 1, 2016, California law SB277 no longer allows for a personal beliefs exemption including religious belief exemptions as of July 2016. Any student entering school for the first time in California after July 1, 2016 will need to be fully immunized or have a medical exemption from a California physician.

### **Medical Exemptions:**

Starting January 1, 2021, the only immunization accepted is a medical exemption written by a California physician for students through CAIR-ME. Any medical exemptions issued in CAIR-ME shall expire when the student enrolls in the next grade span or the medical exemption issued was temporary with an expiration date.

Refer to [cair-me.cdph.ca.go/home](http://cair-me.cdph.ca.go/home) on how to obtain a medical exemption or contact your school site health office with questions or needing additional information.

### **Immunization Exclusion:**

Ed Code 48216 (a), (b), & (c); A.R. 5141.31

Students who are not in compliance with their immunizations, parent/guardian will be contacted by the health office informing them of their child's missing immunizations. An immunization letter will be sent home indicating the immunizations needed to be in compliance. Parent/guardian have two (2) weeks or ten (10) school days to supply evidence either their child has been properly immunized, or their child will be exempted from school due to not meeting immunization requirements. Your child will remain excluded from school until a current immunization record is provided to the health office.

## **HEALTH ASSESSMENTS**

The California Department of Education developed this Type 2 diabetes information in collaboration with the California Department of Public Health, American Diabetes Association, California School Nurses Organization, and Children's Hospital of Orange County.

Parents/guardians may contact the school nurse at their child's school site for any questions they may have regarding the information provided about Type 2 diabetes.

### **FIRST AID, ILLNESSES AND INJURIES**

If a student is injured or ill at school, he/she/they will receive care and consideration by the health office staff. ## CUSD CATEGORICAL FUNDING PROGRAM INFORMATION FOR THE 2024-2025 SCHOOL YEAR

On an annual basis, Clovis Unified School District (CUSD) submits our funding Application through the Consolidated Application and Reporting System commonly called the ConApp. The application is submitted in two (2) parts: Part I, which contains program and demographic information and Part II, which contains budget information and program data. The categorical programs included in the application are Title I, Part A - Improving Academic Achievement; Title II, Part A - Supporting Effective Instruction; Title III - English Learner (EL), and Immigrant Programs; and Title IV, Part A - Student Support and Academic Enrichment. Essentially, these funds are designed to assist students in mastering state standards.

CUSD Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community and values the input of our educational partners. Because of this, we are pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in CUSD include, but are not limited to:

**School Site Council (SSC)**  
**English Learner Advisory Committee (ELAC)**  
**Parent Advisory Committee (PAC) and School Advisory Committee (SAC)**  
**District English Learner Advisory Committee (DELAC)**  
**District Indian Education Parent Advisory Committee (IPAC)**  
**School and District level School Assessment Review Team (SART)**  
**Intercultural Diversity Advisory Council (IDAC)**  
**Local Control Accountability Plan (LCAP) Public Forums**

We encourage all parents and guardians to become involved with their child's education at the classroom level, the school-wide level, as well as the district level. Each site's School Plan for Student Achievement (SPSA) describes the school's basic educational program and the categorical supplementary programs/services that are designed to support student achievement. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into our LCAP. If you would like additional information on any of the District Parent Councils or Committees, please call your child's school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you.

Listed below are several parent committees that assist with categorical programs and funding.

**School Site Council (SSC):** All schools that operate a categorical program funded through the consolidated application (ConApp) shall establish a school site council (SSC). The SSC shall develop the content of the SPSA. The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the local control and accountability plan (LCAP), if any, by the SSC. The SSC is composed of parents, students at the secondary level, and school personnel. It is responsible for developing, implementing, and evaluating the site's School Plan for Student Achievement programs.

**Parent Advisory Committee (PAC) & School Advisory Committee (SAC):** The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. Pursuant to California Education Code (EC) Section 52852 the SSC has been approved to function as the School Advisory Committee. The PAC is composed of at least one member of each school site's SSC. These individuals attend regular meetings at the district level to provide valuable input as a representative of their school, and act as a liaison between their SSC and the district.

**English Learner Advisory Committee (ELAC):** All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC advises the principal, staff, and SSC regarding services for English learners and assists in the development of the annual survey. Each ELAC shall have the opportunity to elect at least one member to the District English Learner Advisory Committee (DELAC).

**District English Learner Advisory Committee (DELAC):** Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting as they act as a liaison between the school site and the district to share important information that impacts our students.

**District Indian Education Parent Advisory Committee (IPAC):** The CUSD Native American Indian Education Parent Advisory Committee meets throughout the year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies, and outreach programs. The CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades TK - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades TK -12.

**Local Control Accountability Plan (LCAP) Forums:** CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings, and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

*The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.*

### **Rationale**

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified, and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

### **Philosophy**

All CUSD schools offer students with individual needs the same kinds of high-quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

### **Categorical Program Descriptions**

**30 Expanded Learning Opportunities Program (ELOP):** The Expanded Learning Opportunities Program fund is an ongoing funding source from the state. Funding allocation is determined by the district's enrollment of Unduplicated Pupils (UPP). Unduplicated Pupils are students classified as English Learners, Foster/Homeless Youth, or eligible for Free/Reduced meals. The purpose of ELOP is to complement existing programs by providing students with more access to expanded learning programs which occur before school, after school, or during intersessions (summer/winter/spring breaks). ELOP focuses on developing the academic, social, emotional, and physical needs and interests of students through hands-on, engaging learning experiences

**40 Title I, Part A (Improving Academic Achievement):** A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.

**50 Title I, Part A, Title X, Part C, Education for Homeless Children and Youths:** Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.

**60 Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals):** A federal-funded program focused on teacher and principal training and recruitment programs.

**70 Title III (Language Instruction for English Learners (EL) and Immigrants):** A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.

**80 Title IV, Part A (Student Support & Academic Enrichment):** A federal-funded program focused providing students with a well-rounded education, improve school conditions for student learning, and enhance technology.

**7. Title VI (Indian Education Formula Grant):** A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This cannot be accomplished without your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal or watch for communication from your site.

At the district level, we encourage you to become involved in one of our many parent committees or to join us for one of our parent nights.
