

CLOVIS NORTH EDUCATIONAL CENTER IDAC MEETING MINUTES

Location: Lecture Hall/Zoom

Date: Monday, September 19, 2022

Time: 6:00pm

Welcome

Principal, Dr. Joshua Shapiro welcomed everyone to the meeting and thanked them for their attendance.

The meeting began with an overview of IDAC.

- The reason it was started
- The purpose behind it

School Culture

Dr. Shapiro shared information regarding the following student groups on our campus:

Clubs

There are posters throughout campus with a QR code on them. Students can use this QR code to sign up for any club on campus.

Councils

- Diversity Council
- African American Student Council
- PASA

CNEC's goal is to consistently work toward educating staff and students regarding the various cultures on our campus.

School Safety

Deputy Principal, Jonathan Bowns reviewed CNEC's school site safety plan.

- The school site safety plan is reviewed on an ongoing basis
- Staff is trained every year
- Drills are used to practice the school site safety plan with staff and students
- Beginning this year all classroom doors are required to remain locked during the school day
- CUSD is looking into doors that can be locked automatically
- CUSD is now using Catapult EMS. This system will alert staff, first responders and district personnel in the event of an emergency on campus.
- Catapult is tied to our school's PA system to ensure the quickest notification possible in the event of an emergency

Dangers of Fentanyl

Dr. Shapiro discussed the dangers of Fentanyl. Recently Fresno County held a town hall meeting at CNEC discussing these dangers.

Site Feedback

Parents were given the opportunity to ask questions at the end of the meeting.

Dr. Shapiro thanked everyone for attending.

Meeting adjourned at 6:45pm

Minutes respectfully submitted by Jill Lawley
