

The PONY EXPRESS

“Work hard, play fair, and take care of each other.”

The Crystals

Congratulations!

Mickey Cox's very own Reading Intervention Teacher and Positivity Project Leader, Mrs. Peugh, was nominated and won a Crystal Award this year. She is always going above and beyond for the students and staff here at Mickey Cox. We are beyond proud of her for her hard work and the lives she changes every day! We are better here at MC because of you Mrs. Peugh!

Happy Trails

Once a
Cowboy,
Always a
Cowboy!

Ms. Floth- The Original Cowgirl
The leader of our cowboy campus is packing up her boots and heading for retirement. We have been extremely lucky to have Ms. Floth call Mickey Cox home for the last 19 years. Her energy at rallies and excitement for school events has not gone unnoticed. The relationships she has made with students and families will forever be cherished. There are so many great things we can say about our fearless leader, but we will simply end with this. We thank you for pouring your heart and soul into Mickey Cox. You have made a difference in so many lives and you are truly one of a kind. Happy Trails Ms. Floth!

2024 Mickey Cox Carnival

Carnival Sponsor:
Thank you,
Simpson Speech
and Language
(Nori Simpson)
for your generous
donation.

This year our carnival was a blast. For the first time ever, we hosted the 1st Annual Mickey Cox Salsa Showdown! There were so many options, and they were so different and delicious! But alas, there had to be a winner...Congratulations to Darlyn Castro and her pineapple habanero salsa! This year we also had different inflatables, the beloved train ride, delicious food provided by the Dresson family, Kona Ice, Old Time Kettle Corn, and Dippn Dots, and an AMAZING silent and live auction. Thank you so much to the staff and so many of our family members and former students that volunteered! A HUGE shout out to our PTC for organizing such a great carnival! We are forever grateful to our community and vendor for stepping up and helping make it a huge success, raising Approximately \$15,000 for our School.

Kids Day 2024

Mickey Cox is proud to be supporting such a great cause! Thank you, Mrs. Primrose and Mickey Cox Student Council, for representing us well and volunteering to sell newspapers, especially this year, in the rain! According to Valley Children's Website, Kids Day is one of the largest fundraising events in the Central Valley hosting more than 20 communities to help raise funds to support Valley Children's greatest needs. The special edition Kids Day newspaper features compelling patient stories and photography illustrating the vital pediatric medical care that Valley Children's Hospital provides.

KIDS DAY!
Our Cowboy family
raised \$534 for
Valley Children's
Hospital! Woo-hoo!

5th Grade

Honorable Mention London Avery,
4th Grade

The Aristocats Kids

This year's drama production, The Aristocats Kids, was a fanciful feline feast of entertainment. Our fourth through sixth grade cast members worked incredibly hard to learn complex choreography and songs. They wowed the audience with a stellar outdoor performance in front of a packed amphitheater. Our drama director, Mr. Burdick, and drama assistant, Mrs. Ernster were extremely proud of their commitment, energy, and wonderful performance. These Aristocats proved that everybody does truly want to be a cat!

Pep & Cheer Accomplishments

Congratulations to the Mickey Cox Pep and Cheer teams! Both took 2nd place at the Clovis West Competition and 2nd place at the Clovis North Showdown! We are so proud of you!

Science Fair

This year we had almost forty 4th, 5th, and 6th grade Mickey Cox Cowboys participate in the Clovis Area Science Fair at Clark Intermediate. Students completed projects in Physics, Chemistry, Engineering, Life Science, and Earth Science.

We had 3 projects that received awards. In 3rd place for Earth Science 6th grade students Siauna Pastor, Sofia Banuelos, and Capri Saunders won with their project on Water Filtration. 5th grade student Chip Klein won 2nd place with a project about which surface allowed the highest bounce for a basketball. Hayden Thompson, a 4th grader in Miss Schwegel's class, placed 2nd for his project with batteries and coins in the area of Engineering. Overall, it was a wonderful turn out and we are very proud of all the participants.

History Day

The Cowboys had a successful year of History Day! We had over 15 projects competing at Clark History Day. Shae Simpson and Sophia Boldt represented Mickey Cox at Fresno County History Day, and Shae won first place in her category!

She went on to compete at the California State History Day in Sacramento this last April! We are so proud of all our History Day participants and their advisor, Miss. Schwegel!

Wrestling Accomplishments

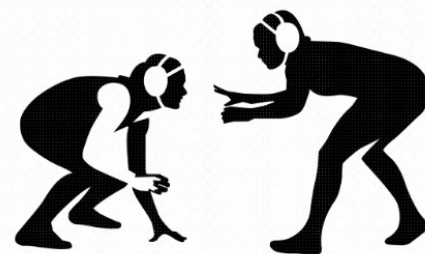

CHS Area:
Mickey Cox Area Champions!

CUSD Districts:
Mickey Cox tied for
2nd in the District!

- 1st -Brandon Bottimore
- 1st -Josiah Garcia
- 1st -Jackson Brendle
- 1st -Jason Sepulvida
- 2nd -Kaycen Lytle
- 2nd -Audrina Cruz
- 2nd -Liam Yang
- 3rd -Ethan Glenn
- 3rd Ava Marquez
- 3rd Jay Barnette

- 2nd -Ava Marquez
- 2nd -Jackson Brendle
- 2nd -Josiah Garcia
- 3rd -Jason Sepulvida
- 4th -Ethan Glenn
- 5th -Branden Bottimore
- 5th -Kaycen Lytle
- 6th -Liam Yang

Track Accomplishments

CHS Track Area Placers & District Qualifiers:

Mickey Cox Girls - Overall Area Champions
 Mickey Cox Track - Overall Area teams combined 3rd place
 4th & 6th grade girls - Overall Area Champions
 4th grade girls - Area Relay Champions

 Ava Marquez 5th in the 800 m & 2nd 1500 m
 Jay Barnett 6th In Long Jump

Overall District Champions!
Overall 4th & 6th Grade Girls District Champions
Overall Girls Champions

Student Spotlight

5th grader, Madison Stout started showing dogs with her first dog, Stella, a Silky Terrier at the age of 7. Madison finished her Championship and Grand Championship in 3 years. Madison was given the opportunity to co-own GCHB CH Shenanigans Carbon Copy (CeeCee) and show her in breed classes and Jr Showmanship. CeeCee & Madison have a bond just like she has with her own dog Stella.

CeeCee was the #1 female in the nation in 2023 earning her an invitation to the prestigious Westminster Dog Show held in New York. Only Champions can attend this show and it is by invitation only. Only the best of the best attends this show.

CeeCee was professionally handled by well-known handler Taffe McFadden and was awarded Best of Breed. Madison was one of the youngest owners to have a Best of Breed dog win their breed at Westminster. "This is Super Bowl of dog shows, watching her at home on T.V. was special because it was a team effort to have her be invited and she showed up to win."

Summer Login Help

Technology Resources at Home

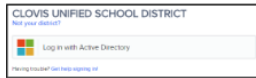

Students Must First Sign in to Clever, to Access Programs at Home

#1 To access technology resources from home, go to clever.cusd.com.

#2 Type in school name.

#3 Click Login with Active Directory.

#4 Student must enter their School Username & Password.

#5 Click on a Program Icon to Open the Application.

#6 Don't forget to log out of Clever when done.

Mickey Cox Families ,
 As we head to the summer break, many of you are asking how your child is able to access CUSD applications from home.

We have one set of instructions for students to log in using their credentials on a computer.

[Student Credentials Login Instructions](#)

We have another set of instructions for students to log in using the QR Code/Clever Badge on a computer.

[Student QR Code Login Instructions](#)

Please visit <https://www.cusd.com/TechTechnologyHelpforStudents.aspx> for more helpful information. We hope this helps you and your student keep the learning alive throughout the summer!
