To be completed by each public elementary and secondary school, including each charter school, that offers competitive athletics.

This information is to be posted on the School's Internet Website at the end of the school year. If the school site does not maintain a website, the school must submit the information to its school district or, for a charter school, to its charter operator. The school district or charter operator shall post the information on its Internet Website, and the information shall be disaggregated by school site.

^{*} Number of students means the total number of players on a team roster on the official first day of competition.

^{**} Competitive Athletics means sports where the activity has coaches, a governing organization, and practices, and competes during a defined season and has competition as its primary goal.
