CODE OF PARTICIPATION

"Being The Best We Can Be"

The Fugman Co-Curricular program is an integral part of our total school program. It is an opportunity to allow all students to acquire progressively the skills, knowledge, and attitudes that lead to maximum development within their individual capabilities. It also affords the child an opportunity to develop social skills needed in order to be a well-adjusted individual. When students elect to participate in co-curricular program (i.e., chorus, sports, etc.), they must recognize that they have assumed certain responsibilities and obligations to the coach advisor, to the members of the activity and certainly themselves.

Fugman School will maintain a "no cut" policy for all athletic teams. We encourage each and every child who has a desire to be part of a team providing each individual with the maximum amount of playing time possible.

Upon entering any sport or other co-curricular activity, students agree to participate in accordance with the Code of Participation. The code is enforced commencing with the second week of practice.

- Students are required to attend practice/rehearsal as established for the activity. Absences or tardies may be excused as with classroom attendance. The participant has an obligation to clear these with the teacher or coach.
- Students joining a sport or other co-curricular activity will be given one week grace period to determine whether they wish to continue with the activity throughout the entire season. The student and/or athlete will not arbitrarily or unilaterally "quit" a sport, activity, band, chorus, etc. After the grace period, the student may drop the activity only after consultation between the student, parent, coach or advisor and principal.
- Students are expected to respect and properly care for all property and/or equipment issued in conjunction with the activity. Team uniforms are the property of the school. Students who negligently lose or cause undue damage to a uniform will be charged for their replacement.
- Students will maintain a satisfactory level of scholarship ("C" average) with no "F's" on their report card or student will be removed from team. Student will demonstrate satisfactory behavior and citizenship.

CODE OF ETHICS

1. The student will be respectful of his/her teammates, opponents, and all supervising adults.
2. The student will contribute as well as encourage others to contribute in their efforts towards team success.
3. The student should inspire competitiveness in teammates without personal antagonism towards the opposing team.
4. The student will be a gracious and humble winner.
5. The student will elect to place team betterment over individual accomplishment.

Fugman Elementary School Parent/Guardian Code of Ethical Conduct and Expectations

The purpose of the Parent Code of Conduct is to develop parental support and positive role models in all athletic activities. In the tradition of *Building Unity, Pride, and Champions*, the purpose of all athletic activities at Fugman Elementary School is to promote the physical, mental, moral, social, and emotional well-being of each student. Parents/guardians are an integral part of this process.

- Be a positive role model for my student, the school and community
- Display a positive attitude and behavior
- Provide a pressure-free environment for my athlete
- Stress the importance of the complete athlete, both physical and mental preparation
- Assist in the commitment my athlete has towards his/her sport by making sure they are at all practices and games for their entirety
- Show respect for all participants, officials/judges and advisors/coaches
- Assist in providing for student safety and welfare at all times
- Encourage my student to attend school regularly and excel academically

- Pick up child immediately after practice. Three late pick-ups (15 min. or more) will result in a one game suspension.
- If your child is excused from practice or games by a doctor's notes, they are still required to attend practices and/or games.
- Sign a child out if they are not going to ride the bus back to Fugman from away games. Forms are to be filled out in advance and are available in the front office if you need another person to pick up your child.
Failure to sign a child out at an away game will result in the child being benched the following game.

It is Fugman's policy that grievances should not be addressed during or immediately following any game or practice. If a situation arises where a parent/guardian wishes to meet with a coach, or address a specific issue or complaint, the following steps should be followed:

1. Request a meeting at school with the coach.
2. If your problem is not resolved, schedule an appointment with the Athletic Director, Principal or GIS.
3. If your problem has not been resolved after a meeting with the Athletic Director, Principal or GIS, refer to the appeal process outlined in the Clovis Unified School District Policy.
