Principal's Message:

Hello Pates,

Thank you to our FW community for supporting us on our Jog-a-thon fundraiser! We had some fun sightings of some celebrities for our Celebrity Run. 100% of the funds raised in our annual Jog-a-thon goes right back to our students, which includes student programs, student awards, school and classroom incentives, student rewards, assemblies, athletic events, events at the Fort such as Turkey Trot and Olympic Day, technology to support student learning, campus beautification projects, and signage to promote positive behaviors and character. Donations can be made online through the QR code:

We will be hosting our first MAC-N-KIDS, SART and IDAC meetings for the school year. The acronym MAC-N-KIDS stands for Multicultural Advisory Committee and Kids Interested in Diversity at School. For many years, community members would speak about multicultural awareness and a share variety of cultures with our students. For the past eight years, MAC-N-KIDS have evolved where our students have taken the lead to showcase their own culture and traditions. For our first quarter MAC-N-KIDS meeting, Paisley Z. will be presenting on the Mennonite culture on Thursday, October 17th at 5:30pm. We will start the meeting with sampling some foods from the Mennonite culture and learn about SART and IDAC from site administration, followed by the cultural presentation from Paisley. We hope you can join us.

Pre-sales have begun for FWPA's 4th Annual Trunk-or-Treat! Flyers have been sent home with your child and will be published on Parent Square and Peach Jar. You can also log onto www.fwpa.online for more information.

Please join us to PINK OUT the Fort on Friday, October 18th to support Breast Cancer Awareness month. Pink Out shirts are available for pre-sale purchase through October 14th at www.fwpa.online. All profits will go towards helping a local breast cancer organization.

Thank you for your amazing support Pates!

Sincerely,

Mrs. Hashimoto
Principal

**GET INFORMED: MEASURE A –
NO TAX RATE INCREASE**

It's your school district. Help us decide how Clovis Unified will look in the years to come. Learn the facts about Measure A and be an informed voter in the November election.

FACT: Passage of Measure A would keep the current property tax rate unchanged, a rate that has been the same in Clovis Unified for the last decade and is the lowest rate among the area's large school districts. If passed, the bond would allow for safety, energy efficiency and technology upgrades at every school; maintenance and modernization of aging schools, many built 60+ years ago; and new construction to ease classroom overcrowding for students, preserve quality learning environments and help protect nearby home values.

Learn more about Measure A, the bond that does not increase the current tax rate, at cusd.com/2024Bond.

PLEASE CALL THE OFFICE IF YOUR CHILD IS GOING TO BE ABSENT 327-6600, OR REPORT ON PARENT CONNECT.

THANK YOU 😊

STUDENT PICK- UP

PLEASE remember that grades 1-3rd have PE time from 1:30-2pm and grades 4-6th have PE from 2:30-2:55pm. Teachers are unable to leave their students to open the classroom for a backpack. If you know you will be coming during this time, please email the teacher so that they can set the backpack outside of the classroom. This will expedite the pick- up process.
Thank you for your understanding.

**Students Caught Having FW Strong Character:
Safe, Trustworthy,
Responsible/Respectful,
On-Task, Never Give Up**

- Logan E
- Evelyn R
- Penelope M
- Daryan G
