## Monthly Practice Sheet

Learning an instrument requires some skill. Skill development does requires some regular practicing at home. I am asking each student to turn in a practice sheet at the end of each month. Please encourage your students to practice four days a week for about five minutes or more and ask them to play a song for you each week.

**Week One** Favorite or most practiced song this week \_\_\_\_\_

**M T W TH F SAT SUN**

Circle the days that you practice five minutes or more at home

**Week Two** Favorite or most practiced song this week \_\_\_\_\_

**M T W TH F SAT SUN**

Circle the days that you practice five minutes or more at home

**Week Three** Favorite or most practiced song this week \_\_\_\_\_

**M T W TH F SAT SUN**

Circle the days that you practice five minutes or more at home

**Week Four** Favorite or most practiced song this week \_\_\_\_\_

**M T W TH F SAT SUN**

Circle the days that you practice five minutes or more at home

Also please complete this months work sheet!

Worksheet is printed on the back side of this practice sheet.
