

# SOARING ON THE RISE

## AT KASTNER

---

### 7th & 8th GRADE ORIENTATIONS

Our Kastner SOAR Team held 7th and 8th grade SOAR orientations to make sure that students get to know the team, their mentor, and the ways that SOAR can support them. A pizza lunch made it even more exciting!

### STUDENT CLUBS

SOAR has started up their Latino and African American Student Union clubs to facilitate strong school engagement and connections with all students.

# READY TO SOAR

## IN ELEMENTARY

---

Our SOAR Elementary team has worked diligently these first few weeks on building relationships and engagements through coordinated activities on their school campuses, as well as welcoming new SOAR eligible students to our program.

## **FAMILY & STUDENT SUPPORTS**

As we move forward into the new school year, we would like to remind our SOAR students that in addition to mentorship and academic support, our program can provide them with passes to student events and school experiences, as well as connect families in need to community resources such as food, clothing, and housing.
