## PRACTICE PROCEDURES

### FALL 2024

#### **Practices:**

After school practice times for Cross Country - 3:00-4:00.

After school practice times for Girls' Volleyball - 3:00-4:00

After school practice times for Football - 3:00-4:00

Friday practices will occur until the first week of league play.

#### **Athlete Pick-up After Practices:**

Please pick your child up by 4:00 after sports' practices. We need to make sure your child is safe and safely on their way home following practices. Students are not permitted to stay after 4:00 on the campus and wait for rides or to be picked up. **It is our expectation the students are picked up on time, otherwise it may affect their ability to participate.**

#### **Late Pick up Policies:**

**First late pickup:** Students not picked up on time will receive one warning.

**Second late pickup:** Students not picked up on time a second time will receive one accountability check.

**Third late pickup:** Any student not picked up a third time in one season will be removed from the team and not be allowed to participate in the remainder of that athletic season.

It is important for your child's safety and our campus that you arrange to have your child picked up after sports' practices end each day by 4:00. Thank you for your cooperation in this matter.
