GET INFORMED: MEASURE A – WHY MULTIPLE TAX LINES?

It's your school district. Help us decide how Clovis Unified will look in the years to come. Learn the facts about Measure A and be an informed voter in the November election.

FACT: The multiple lines listed for Clovis Unified on a property owner's tax bill does NOT mean additional taxes. No matter how many lines listed, our current tax rate has been the same since 2012.

Strange as it sounds, more lines actually mean more savings. Clovis Unified takes advantage of opportunities to refinance our debt at lower rates to create savings to taxpayers and maximize dollars. Fresno County requires a new line added to the tax statement each time we refinance, indicating the change. Learn more about Measure A, the bond that does not increase the current tax rate, at cusd.com/2024Bond.
