## Positivity Project

This week we are learning and celebrating

## Open-Mindedness

You like to consider new ideas and try new things. You examine things from all sides and don't jump to conclusions.

*"The measure of intelligence is the ability to change."*

~Albert Einstein

## Cultural Corner

### Celebrations Around the World

Trung Thu-Vietnam

Trung Thu is a mid-autumn festival in Vietnam that celebrates the beauty of the moon. It is mainly a children's festival. During the festival families gather and parent give their children fish and flower shaped moon cakes. The moon cakes are made of sticky rice and dilled with many different things. In the evening there is a parade in the street with candlelit lanterns and dancers.

Question of the Week:  
Why is Trung Thu celebrated??
