Important Websites and APPS for the Library

https://hosted66.renlearn.com/277172

This is the site that will be used at **SCHOOL** to take AR tests.

https://hosted66.renlearn.com/277172/HomeConnect/Login.aspx

This is the site for you or your parents to use at **HOME** to monitor your points and see how you are doing on AR tests. You can sign up to get emails so that you can monitor how your child did on a test.

www.arbookfind.com

This site will help you search for books that may have AR tests, but are books that are not available in the Oraze Library. You can get quiz numbers, reading levels, and how many AR points the book is worth.

library.cusd.com

This is the site that can be used to search for books that are available to you in the Oraze Elementary Library. It also has some GREAT educational websites available on the Homepage.

APPS:

Book Fair – (Scholastic) Free – APP Store or Android

BookScanner - $1.99

Great APPS for finding out reading levels, points, and a summary of the book.
