

Hello 6th graders! I am Mrs. Burgess, the Journalism teacher at Reyburn Intermediate. I am currently looking for some responsible, outstanding writers that will be coming into the 7th grade that would be interested in joining my class. In Journalism, students learn how to research, interview, and write articles that are put into the Timber Talk school newsletter. See the information below regarding what you need to do to apply. I will also need an email from your teacher regarding your grade in language and literature (carenburgess@cusd.com). I would need your application (including teacher's email) by the time your counselor comes back to register you.

Journalism Application

- Write an article (200 word minimum)
 - Could be about any topic (person, place, trend, event, etc.) or even based on an interview of a friend.
- **Turn your article in to your counselor at the time of registration or you can email it to me (carenburgess@cusd.com). Please make sure that your name, your teacher's name, and the name of your school is printed somewhere on the article.**
