POSITIVITY PROJECT	CAMPUS HIGHLIGHTS	SAFETY	FOLLOW SV!!!
OPEN-MINDEDNESS Being open-minded means you are willing to try new things and open to other points of view. Open-minded people look at things from all sides and don't make snap decisions. They are great listeners and often give good advice. They make awesome friends because they listen carefully, and think before they speak. They are understanding, fair, accepting, and impartial.  www.posproject.org , 2021	Band, choir, orchestra, and classroom music for grades 1 st -4 th started for the school year! We're enjoying it! Great job to all athletes who participated in the Rod Marvin XC Meet, Girls Volleyball Area Tournament, and the Elementary Football Carnival. Hispanic Heritage Month Bingo is a hit!
