NOTE

*Students are required to be in attendance for all final exams in which they are not exempt 1) during the class periods(s) and 2) on the days(s) assigned.

*Students may arrive late (exam exempt) and leave early (exam exempt and/or study hall) as long as they submit a parent/guardian signed permission form to the high school office. (No handwritten notes or requests via phone will be accepted for early dismissals).

*Students may NOT attend an exam, leave school, and then return before the next exam on the same day. Students are expected to be in class for the duration of the entire exam period.

*Documentation from a medical physician is required for students missing any final exams which they are not exempt.

*If a student misses the second semester final exam(s) with a documented absence, he/she will be expected to make up these exams no later than the first week of summer break.

*Students will not be permitted to complete semester exams before the scheduled exam period.

*Students may not be permitted to make up final exams for unexcused absences that occur on a final exam day.

*Students who meet the criteria to be excused from final exams may opt to take any/all final exams to try to raise their grade at no risk of lowering their grade. Students not exempt from exams who skip their semester final will receive a zero on that exam which may result in a loss of credit for that class.

*The last day of school attendance for exam exempt students is Thursday, May 17, 2018.
