Dear Future Kahok Family:

These are exciting times for Collinsville High School and we have much to be proud of in the performance of our school and the success of our students. We believe that planning for a successful freshman year is important and we value making informed decisions. Therefore, all incoming parochial school students are invited to attend Collinsville High School's "Getting to Know CHS" events for all 8th grade students and their families. On Tuesday, January 7th there will be a presentation at 6:30 p.m. in the CHS auditorium, followed by a question and answer session with representatives from each subject area, and a club/activity fair. Parents and students will meet the administration, counselors and teachers to hear about course offerings and the selection of courses. You may wish to meet with a counselor individually by visiting our Open House for incoming 9th grade students on Saturday, January 11th from 8:00 a.m. to 12:00 p.m. and from 1:00 p.m. to 3:00 p.m. The Open House will be held in the Counseling Department at CHS where we will meet families on a first come, first serve basis.

Tips for Successful Course Registration

- Select courses from the Freshmen Course Listing - page 5 of the Course Guide and reverse side of the registration worksheet.

CMS and all CHS students will be registering for classes online. Since incoming students from local parochial schools are not in the Unit #10 student information system, they will use a paper registration form. Registration forms will be collected after the "Getting to Know CHS" night and during the Open House so that counselors may verify placement in courses and enter course requests for parochial school students. *Course requests cannot be entered for parochial students until they are enrolled in the district.*
