Kayler! Congratulations you did it!!! We are very proud of you! Love your California family!!!

Gravetta Travis, Amayah Farley Mom  
Class of 2020,

Your future lies deep within you. Life isn't about finding yourself, it's about creating yourself. When life becomes a roller coaster, climb into the front seat, throw your hands into the air, & enjoy the ride. When life gets crazy, do something normal & if it gets to normal do something crazy. Whatever you do remember this: behind you are your memories, before you are your dreams, around you are all who love you & within you is all you need!

Lauren Fortner, It's been an historical year. No, not because of COVID-19, but you made it to graduation!!! I could say I'm proud of you, but that may imply I didn't think you could do it, and I always knew you would perform at a high level. You've learned a lot of life lessons you need to take with you; one of which is I will always be there for you. - Uncle Mike!!

Gravetta Travis Amayah Farley mom  
To my precious daughter Amayah
