Tutoring Available	11
Khan Academy	12
Thank You!	13

Dear CHS Parents and Guardians,

It is an exciting time to be a Kahok! I would like to take this opportunity to introduce myself as this is my first year as principal of Collinsville High School. This is, however, my 14th year as a Kahok. I was an English teacher for eight years and an assistant principal for the last five. I am deeply honored to be the person selected for the challenge of carrying on our tradition of excellence.

I would not have been interested in this position if I did not have the utmost confidence in our staff. I have had the privilege of working with many of them for years, and I have seen the amazing work they do for students on a

daily basis. You should know that when you send your students to CHS, they are in excellent hands. Having said that, in order for your students to be as successful as possible, we need your help. Please use Skyward and/or Google Classroom to stay current with your student’s academic performance.

We are very proud of all the academic supports we offer here at CHS. Math and World Language tutoring labs are available to students during lunch and study halls daily. The CHS Writing Center is also available throughout the school day. Students can submit writing assignments for assistance electronically at any time, and there is an English teacher available for in-person confer-

ences during the lunch and study hall periods daily as well. We offer in-person tutoring sessions (math, science, social studies, and English) after school (3:00-4:00 p.m.) on Tuesdays and Thursdays. Transportation home is provided for students on those days if needed. We will also continue our SAT prep program next semester.

Please follow CHS and other Collinsville Unit 10 Schools on Facebook or on our website at www.kahoks.org. GO KAHOKS!

Sincerely,

Daniel Toberrman
CHS Principal

Important Procedure Reminders

Collinsville High School has adopted procedures you and your child may want to familiarize yourself with as the school year begins:

REPORTING STUDENT ABSENCES: To report your child absent, you must call the school at 346-6320 and push 3. Messages may be left 24 hours a day. Please be sure to call your child in by 10am at the very latest. If a call is not received by 10:00 a.m. a parental note must be given to the Attendance Office within five days upon the child’s return.

STUDENTS ARRIVING LATE TO SCHOOL: All students arriving late must report to the Attendance Office by 8:05am to sign the Late Arrival Sheet.

Parents should notify the school via telephone if they know their child will be arriving late. Please press 4 when calling.

REQUESTING AN EARLY DISMISSAL: Students must have parental permission to leave campus. Parents, please call in advance to request the early dismissal. In the event that it is a last minute issue, please send your child to the Attendance Office in the morning with written permission for the early dismissal. Once an administrator grants permission to leave, your child will be issued a pass to leave campus.

*The determination of an excused or unexcused

absence/tardy is based upon the reason and administrative approval.

DRESS CODE:

Before your child leaves for school please be sure that he/she is dressed appropriately for school. Students not dressed according to the dress code will be sent home to change clothes. For additional school policies, please refer to the CHS Handbook.

ENTERING CHS:

In order to enter Collinsville High School as a visitor you must use the single point entry doors for security purposes. You must also have a valid picture ID to enter Collinsville High School and will have to present the ID at the window before being buzzed into the building. Thank you for your cooperation in this matter that will help ensure the safety of our campus.

CHS WRITING CENTER SCHEDULE

3rd HOUR: Mrs. Martens
4th HOUR: Mr. B. White
5th HOUR: Ms. Mizel

Anyone can send a student for writing help during any of the staffed hours. Students need a pass to be admitted, and we ask that students bring their work & instructions with them. Teachers can check the [sign-in log](#) if questioning student attendance.

Send work to writingcenter@cusd.kahoks.org if you need something reviewed & you have no time to visit us in person.
We're in the library.

Parent Teacher Conference Dates Set

Research has shown that parental involvement is the most important **factor in a student's success in school**. For many parents, that involvement begins at parent-teacher conferences. Our parent-teacher conferences will be held on October 28 and 29, 2021.

Both parents and teachers know that regular and honest communication is essential to student success. The most important strategy for parent-teacher conferences is to be prepared. The following questions may help you

to identify topics to discuss during the conference:

*What general questions do you have about classroom curriculum, standards, evaluation techniques, or procedures?

*What specific concerns do you have about your **child's academic progress** or behavior?

*What questions or concerns does your child have about school?

*What do you want the teacher to

know about your child?

*What help can you offer the teacher?

We at CHS also encourage you to be a Skyward parent. Please log-in and become a user of this program that allows you 24 hour access to your **child's grades in all of his or her classes**. Please contact Chris Oatman at 618-346-6350 ext. 4286 or coatman@cusd.kahoks.org if you need assistance accessing your account.

Math Tutoring Available

The Math Department of Collinsville High School is committed to providing all students with the chance to receive extra help with their math courses.

If your child is struggling or needs a little extra help with their math, he or she can take advantage of the tutoring sessions available during the school day. Tutoring is offered during all study halls by teachers within the department. Additionally, teachers may be available before school or at the end of the school day. Have your child check with their teacher to see how to schedule extra help before/after school.

Passes can be obtained from any math teacher OR from your child's study hall teacher to be a part of the tutoring program.

Also, tutoring is available every Tuesday and Thursday from 3pm to 4pm in the CHS Library. A math department teacher is available during this time. These tutoring opportunities are a great resource for students who need extra help in math, and our math teachers are waiting to help your child any way they can. So please encourage your child to take advantage of these great opportunities!

STEM NEWS

Three of our Technology Student Association (TSA) members/officers, Jacob McChristian, James Metcalf, and Brandon Nygard, attended the 40th Annual Illinois Coordinating Council for Career and Technical Student Organizations (ICCCTSO) 2021 Summer Leadership Conference in Springfield, IL from July 26th to July 28th. During the conference they had the opportunity to interact with five motivational speakers, Patty Hendrickson, Rhett Laubach, Corbin Robinson, Jennifer McGillivray, and SunJay Nath. These speakers provided them with multiple learning experiences and chances to grow

in the area of leadership. There were multiple educational topics allowing for the student leaders to develop a better understanding of public speaking, presentation skills, public relations, chapter development, people dynamics, business ethics, communication etiquette, public appearances, legislative awareness, travel protocol, and membership recruitment. They were provided a guided tour of the state capitol as well as participate in a planned debate, moderated by Jennifer McGillivray, the Associate General Counsel at Edward Jones, in the House Chambers. The students were accompanied by the TSA advisor Cindy Bednara.

Kahok Sports Update

Kahoks! We are looking forward to a great Fall Season of Athletics!

Collinsville High School Athletics will have teams in the following sports this semester:

Boys Sports: Football, Cross Country, Golf, and Soccer

Girls Sports: Cross Country, Golf, Tennis, Swimming, and Volleyball

Co-Ed Sports: Cheerleading, and Dance Team

*Parents and Fans are encouraged to check out the NEW CHS Athletics website: www.kahokathletics.com, and download our new Kahok Athletics App

Erin's Law Presentation

The week of October 5, During Study Halls , Kahok Talk, CHS's Video Production Class, will air a special 15 minute episode on Erin's Law. Erin's Law is a sexual assault education program signed into law by Governor Quinn in January, 2013. The law requires age appropriate sexual abuse , assault awareness and prevention education in grades PK-12 along with the training for school staff on the prevention of sexual abuse.

Erin's Law is named after childhood sexual assault survivor, author, speaker and activist Erin Merryn. Erin shares on her web site, <http://www.erinmerryn.net/erins-law.html>, that through her education, she was educated on what to do in case of a tornado, fire, or bus evacuation, but was never taught what to do to keep herself safe from sexual abuse/assault. It is her mission to have a bill passed in all fifty states. Illinois is one of 37 states that have already passed the law. Kahok Talk's episode will cover the following topics: What Erin's Law is, Erin's story, statistics about

sexual abuse/assault, ways people can protect themselves, and where to go for help.

Unfortunately, sexual abuse and assault are a reality for many young people. Statistics show that 1 in 4 girls and 1 in 6 boys will be victims of sexual assault by their 18th birth day and approximately 2/3 of asaults are committed by someone known by the victim ([www.http:// www.erinmerryn.net/erins law.html](http://www.erinmerryn.net/erins-law.html)). The websites listed below give some information about ways to try to prevent sexual abuse/ assault, warning signs of sexual abuse/assault and what to do if someone you know becomes a vic tim of sexual abuse/assault.

Yearbook Information for 2022 Graduating Seniors...

Don't forget to submit your senior picture to kahokian@cusd.kahoks.org by November 1. It must be submitted by the photographer and sized at 3" x 3.5" with 300-resolution, jpg format. The yearbook no longer requires photos to be head &

shoulders only. The senior can select a photo that represents their personality, as long as it is school appropriate. Contact Shawn Geppert at 618-346-6320 ext.1226 or email kahokian@cusd.kahoks.org if you have any questions.

Suicide Prevention Awareness

September is National Suicide Prevention Awareness Month—a time to share resources in an effort to shed light on this highly taboo and stigmatized topic. We use this month to reach out to those affected by suicide, raise awareness and connect individuals considering suicide to treatment services. It is also important to ensure that individuals, friends and families have access to the resources they need to discuss suicide prevention.

It can be frightening if someone you love talks about suicidal thoughts. It can be even more frightening if you find yourself thinking about dying or giving up on life. Not taking these kinds of thoughts seriously can have devastating outcomes, as suicide is a permanent solution to (often) temporary problems.

According to the CDC, suicide rates have increased by 30% since 1999. Nearly 45,000 lives were lost to suicide in 2016 alone. Comments or thoughts about suicide — also known as suicidal ideation — can begin small like, “I wish I wasn’t here” or “Nothing matters.” But over time, they can become more explicit and dangerous. Know the warning signs and the steps you can take.

Warning Signs

Here are a few warning signs of suicide:

- Increased alcohol and drug use

- Aggressive behavior
- Withdrawal from friends, family and community
- Dramatic mood swings
- Impulsive or reckless behavior

Suicidal behaviors are a psychiatric emergency. If you or a loved one starts to take any of these steps, seek immediate help from a health care provider or call 911:

- Collecting and saving pills or buying a weapon
- Giving away possessions
- Tying up loose ends, like organizing personal papers or paying off debts
- Saying goodbye to friends and family

Support In A Crisis

When a suicide-related crisis occurs, friends and family are often caught off-guard, unprepared and unsure of what to do. The behaviors of a person experiencing a crisis can be unpredictable, changing dramatically without warning. There are a few ways to approach a suicide-crisis:

- If you or someone you know is in an emergency, call **911** immediately.
- Talk openly and honestly.

Don’t be afraid to ask questions like: “Do you have a plan for how you would kill yourself?”

- Remove means such as guns, knives or stockpiled pills
- Calmly ask simple and direct questions, like “Can I help you contact your doctor?”
- If there are multiple people around, have one person speak at a time
- Express support and concern
- Don’t argue, threaten or raise your voice
- Don’t debate whether suicide is right or wrong
- If you’re nervous, try not to fidget or pace
- Be patient

Licensed mental health professionals can help. You can reach out to the National Suicide Prevention Lifeline at 800-273-8255 (24 hours a day), the Southwestern Illinois National Alliance on Mental Illness at (618) 798-9788 or your health insurance provider for a list of local mental health providers.

December 9th

Second Semester

January 18th

to

April 28th

Counseling Department Spotlight

Seniors & College/Tech School Applications

Now is the time for seniors who are planning to attend college or technical schools in Fall 2022 to apply for admission. Students will simply go to the college/tech school website and click “Apply” and follow the application directions. Students may also search on the college admissions website for an application link. After applying, students should visit the CHS Counseling Department Website (below) to complete a “Transcript Release Form” to have their official transcript sent to that college/tech school.

<https://sites.google.com/cusd.kahoks.org/chs-counseling-dept/transcript-requests>

CHS Counseling Department will be hosting a College Admissions Onsite where students can apply to the following schools for FREE and find out immediately if they get in and gain information about scholarships. The following schools will be at CHS to participate in this program: SIUE, SIUC, EIU, WIU, UMSL, Missouri State, and SEMO. By participating your student could save hundreds of dollars in application fees and save time in the application process. To participate in this fantastic opportunity students must sign up between August 30- Sept. 10th on the google form that Mr. Corey emailed out to them.

Junior PSAT/NMSQT Testing Opportunity

If you are a junior who is not registered for the PSAT/NMSQT please stay home on October 14th. However, juniors who signed up for the optional PSAT/NMSQT will be allowed on campus. Students taking this assessment will meet in the auxiliary gym by 8:00 am and the test should conclude around 12:00 pm. Students are expected to bring their own calculator, student ID, and wooden pencils. Social distancing and safety measures will be in place. Students will be expected to wear a mask and follow all safety protocols.

Collinsville High School is offering a variety a test preparation options:

Official SAT Practice

Khan Academy partnered with the College Board to create a free Official SAT Practice website: www.satpractice.org. Students can use this website to increase their test scores.

ZAPs

CHS will be offering free ZAPS test prep classes on later in the school year. Please check your email or listen to announcements for the start date. Each week teachers will offer a predetermined lesson that covers strategy and content. A schedule of weekly lessons will be available in the coming weeks.

Introducing Naviance to Parents and Families

This year, Collinsville High School is thrilled once again to offer *Naviance College and Career Readiness Solutions* to our students. Naviance is a comprehensive, web-based platform that is designed to help Collinsville students engage in self-discovery assessments, career exploration, college searching and post-secondary preparation throughout their high school career.

Self-Discovery – Through participation in a variety of Naviance assessments, students will learn more about themselves, their personalities, their inherent strengths, interests and learning styles. This personal understanding and perspective will support and engage students both in and out of school while also supporting their career exploration.

Career Exploration – Naviance houses an impressive database of career clusters, career pathways, and career profiles for students to discover. The platform offers a wealth of information about the types of work activities performed while also highlighting the knowledge, skills and abilities deployed in each career. With these resources at their fingertips, students may think critically about careers that may be a good fit and the plan of study required to pursue a given career.

College Research, Application & Post-Secondary Preparation – No matter what your student's post high school plans are, whether it be college or a career, the Naviance tools will help them explore the possibilities. Naviance has a robust college database to facilitate the college search and scholarship search process.

What can I do to support my student with respect to Naviance?

Naviance is available to students, but it is also available and recommended as a tool for parents as well. Familiarize yourself with the college and career resources and have conversations with your students about what they are doing and learning from within the system. Students and parents alike are able to access Naviance here: <https://student.naviance.com/collinsvillehs>.

Students will be able to use the single sign on feature as long as they are logged into their school google suite account.

Collinsville High School 2021 SAT Thank You

The 2021 SAT was given in April of 2021 to all Juniors at Collinsville High School.

A special thank you goes out to The Mattea Law Firm for donating \$2,700 to CHS last year to purchase over 500 "I Can Dew" t-shirts.

Plans are underway for this coming year's SAT test in April of 2022 for all Juniors. If you have any ideas or would like to help, please e-mail Kyle Gordon at kgordon@cusd.kahoks.org.

Khan Academy Improves SAT Scores

In 2021, students who spent time working on Official SAT Practice through Khan Academy improved upon their PSAT 10 score by more than 100 points on the SAT. That is one of the main reasons the CHS staff is once again encouraging students to spend as much time practicing as possible.

Each student can link their PSAT score with Khan Academy for personalized activities that work when it comes to improving their score on the SAT. The CHS staff is also giving incentives for students to spend time on the practice including free pizza and a field trip. Time spent on the practice will be counted now through April, so get started!

If you have any questions about Khan Academy or how to get started, talk to your counselor.

Thank You To Our Freshmen Orientation Sponsors!

Members of the CHS Leadership 101 class created a Freshman Orientation program they believed would provide incoming freshmen with a thorough introduction to high school. The students spent class time brainstorming content and developing the structure and organization for the program. Of utmost importance to the students was that the event be fun, engaging, meaningful, and beneficial.

The goal of the program was to generate excitement and a sense of belonging when the incoming freshmen think about CHS and being a part of The High School Of Champions.

We held the annual Freshmen Orientation on Thursday, August 5 and had RECORD participation!

Thanks to these great Community Partners, we were able to provide each incoming Freshmen a purple Kahok class shirt that they can wear every Friday during the school year!

Thank you to the wonderful community partners who made this possible!

Chelsea Nott selected to serve on The Federal Reserve Bank of St. Louis Student Board of Directors for 2021-2022

Senior Chelsea Nott will represent Collinsville High School (CHS) this school year as a member of [The Federal Reserve Bank of St. Louis Student Board of Directors](#). The program, which is in its 10th year offers high school seniors a dynamic way to learn about our nation's central bank. Participants gain a thorough understanding of the Federal Reserve's role in the U.S. economy, participate in online and in-person learning experiences, and join in discussions with St. Louis Fed leaders on topics ranging from professional development to career planning and progression. St. Louis and Metro-East area students are selected based on the quality of their essay and letters of recommendation. Chelsea's essay focused on leadership and spoke to the importance of leaders being positive, assertive, empathic, and having an in-

clusive and diverse mindset. During her time on the Student Board, Chelsea will attend monthly board meetings, complete online learning modules focused on economics and personal finance, collaborate with other Student Board members, create a presentation about the Fed and present to her Personal Finance class at CHS, and continue to develop her leadership skills. Student Board members will also work with Fed professionals to improve and enhance their resume writing and interviewing skills. After successful completion of the yearlong program, Chelsea will have an opportunity to apply for a paid, summer internship within a variety of departments at the Fed. In addition to Chelsea, CHS has been fortunate to have nine other students serve on the board. Previous alumni include: Brian Hoyt, 2012-2013; Sam Caputo, 2014-2015; Ben Frey, 2015-2016; Benjamin Carlson, 2016-2017; Venise Govan, 2017-2018; Tyme Sampson, 2018-2019; Ryan Lanier 2019-2020; and Hannah Pettit 2020-2021. Current CHS Juniors who may be interested in applying for the Student Board for the 2022-2023 school year, can stop by Room 319 and speak with business teacher and Federal Reserve Bank of St. Louis Educator Advisory Board Member, Vicki Fuhrhop.

2021 HOMECOMING ACTIVITIES

“There’s No Place Like HOMEcoming”

Monday, October 4:
