

Student Survey Data

Emma Clark

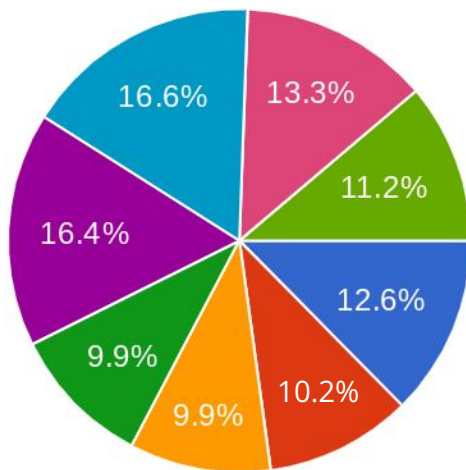

Survey Information/Purpose

- Sent out to all students in 5-12 grades
- 8 Questions - 6 multiple choice, 2 open response
- Survey allows Student Voices to be heard
- Identify where our strengths and weaknesses lie
- Receive input from a variety of students
- Can be used in future years to evaluate student experience and response comparatively to years before

Number/Variety of Responses

What grade are you currently in?

2,128 responses

What do you like about school?

**What is one thing you would
change about or add to your
school?**

DIS

- Nothing - They love school
- Longer lunch and recess periods
- More playground equipment and things to do during recess
- Addition of a playground and swing sets
- More/better lunch food
- Adding an art class
- More visits to the library
- Addition of sports teams
- More bathrooms (but this is already in progress - so yay!)
- Addition of Clubs

CMS

- Art for all grades
- Addition of a free hour/study hall
- Revision of dress code
- Longer passing periods
- No more mandatory use of lockers
- Addition of a soccer team
- Longer lunch
- More library time
- In person math - No videos
- The ability to choose their expo classes

CHS

- Start school day later
- Better funding for the Arts
- Stocked Vending machines that work
- Look at block scheduling
- Addition of a ROTC Program
- Science Tutoring during lunch hours
- More life skills classes
- The option to take vocational classes during the summer
- Mondays shortened or used as a catch up day
- More Dual credit classes

What do you wish your teachers and principals knew

- A majority of students love school and are enjoying their educational experience.
- Many students are feeling very stressed and overwhelmed while trying to balance everything on their plates
- Students are worried/uncertain about their futures
- Teachers can make or break how a student feels about school
- Kids need more sleep
- Some students sometimes feel unsafe with school threats circulating
- Students need teachers to offer understanding when they are falling behind
- Students want to feel heard and valued by their peers and adults

Key Ideas

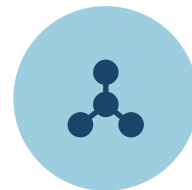

Value

Students want to feel valued and important

Connections

Connections play a huge role in overall experience

Stress

Many students face lots of stress and pressure from many sources
