

# THE TRAILBLAZER

Collinsville Middle School's Newsletter

## From the Principal's Desk

**CMS Families,**

**By the end of this week we will almost be finished with testing. Once this is done, the year will go quickly. Now that we are returning to a somewhat more normal school setting, we will start having more field trips during the warmer months. Be on the lookout for permission slips for your child to attend one of these field trips.**

**As the year continues, we are beginning to see more Chromebooks come in for repairs. Make sure your child is taking care of their Chromebook and charging it overnight so it is ready for the school day. Make sure you are checking Skyward to keep up with your child's grades. We will be having summer school again and mid-term reports will be coming out in a few weeks. If a student fails all of their core classes for the year, they will be held back. If they have an F in any core class, they will need to take summer school. If you have any questions, reach out to the teachers.**

**Sports are beginning to wind down. Track is the only sport still in season. Wrestling finished in March and we would like to congratulate Mason Hare for a 4th place finish at the state tournament in his weight division.**

**Thank you for all of your support throughout this school year!**

**Sincerely,**

**Mr. Snow**
