Hello Kahok Nation. I'm Superintendent Brad Skertich.

Please click on the attached link to sign up for the program Ready4K. Ready4K is a program that has partnered with the Illinois State Board of Education to provide tips for parents with children between the ages of birth and eleven.

This Friday, the district will be hosting a half-day teachers' institute where staff will be attending trainings and workshops in the afternoon. Please find the attached dismissal times for all of our schools.

Friday kicks off the start of Italian Fest and we encourage everyone to come up and support our clubs and organizations at one of our community's proudest traditions.

Last, next week kicks off Homecoming Week at Collinsville High School. There are a lot of fun activities planned throughout the entire week for elementary students, middle school students and high school students. Wednesday is Mr. Homecoming, Thursday is the parade, Friday is the football game, and Saturday is the culminating event of the Homecoming Dance.

Thank you for your constant dedication to our students. Don't forget to wear your purple and show your Kahok Pride.
