

Transcript of September 30, 2022 Video Message:

Hello Kahok Nation. I'm Superintendent Brad Skertich.

I want to give a big shout out to our students, our staff and our community for a great week of Homecoming. I want to thank everyone for showing their Kahok Pride.

The district has partnered with Southern Illinois Health Foundation to open a school-based clinic at Collinsville Middle School. The clinic will provide basic physicals, vaccinations and common medical treatment throughout the school year. They are hosting a school-wide physical and vaccine clinic on October 7. Please see the attached flier to access information and schedule appointments.

There is no school on Friday, October 7th, as district staff will be attending the Madison County Institute, and again on Monday, October 10th in observance of Columbus Day.

Last, thank you for your constant dedication to our students. Don't forget to wear your purple and show your Kahok Pride.
