Hello Kahok Families,

I hope everyone enjoyed a fantastic Winter Break and is ready for another excellent semester at CHS. Semester 2 provides many students who did not meet academic expectations an opportunity to improve and start anew.

Something that everyone should be aware of is the state testing day for students in grades 9

-11, on April 12. On that date, juniors will take the SAT while freshman and sophomores will take the PSAT. This is an important test for everyone. Students are encouraged to prepare for the SAT and PSAT by using www.khanacademy.org/sat, which is a free online preparation tool available to all students. In addition, CHS will offer SAT tutoring beginning in

February. Seniors should plan to take a college, career, or job shadow day April 12 since they are not scheduled to be in attendance. Juniors will take the Illinois Science Assessment on March 30.

Please contact me if I can help you in any way.

Sincerely,
Daniel Toberman
Principal

The Importance of Sleep: Teens From Z-z-z's to A's

Our teens have never been more on the run: with classes during the day, extracurricular activities or part-time jobs that run into the night, then homework -- high school students are usually the last to bed and the first to rise. The first casualty of these firmly packed schedules is sleep. In fact, some experts say sleep deprivation has become a crisis among teens. Research shows that teens' internal biological clocks differ from those of pre-teens and adults. Even when teenagers go to bed at 10 p.m., there's a part of their brain that is keeping them awake, so it's hard for them to fall asleep. That same part of the brain doesn't operate to keep them awake in the morning, so they're much sleepier than children or adults. The adage "early to bed, early to rise makes a man healthy, wealthy and wise," is just as important for teens as it is for adults. In fact, ade-

quate rest may:

- Improve mood
- Increase the chances that your teen will get to school on time
- Increase the chances that your teen will be in school
- Improve academic performance
- Keep your teen awake while driving
- Keep weight healthy

There are several steps you can take to make sure both you and your teen get a better night's sleep. It may take a few weeks to establish a new, natural sleeping routine that doesn't keep you awake or disrupt your sleep.

- Avoid or reduce your intake of caffeine.
- Avoid eating large meals just before going to bed. Take a warm bath an hour or two before bedtime.
- Get regular physical activity.
- Keep your bedroom quiet and dark.
- Avoid long, late afternoon naps.
- Read in bed for a few minutes before turning out the light.

For more information, visit the National Sleep Foundation at: www.sleepfoundation.org.

The Math Department

The Math Department of Collinsville High School is committed to providing all students with the chance to receive extra help with their math courses.

If your child is struggling or needs a little extra help with his/her math, he or she can take advantage of the tutoring sessions available during the school day. Tutoring is offered during all study halls by teachers within the department. Additionally, teachers may be available before school or at the end of the school day. Have your child check with his/her teacher to see how to schedule extra help before/after school.

The tutoring Schedule for 2022-2023 school year is:

3A: Mr. Nichols in Rm 317

4A: Mr. Glynn in Rm 316

4B: Mr. Liljegren in Rm 106

5A: Mrs. Munzert in Rm 312

5B: Mr. Lackey in Rm 103

Passes can be obtained from any math teacher OR from your Child's study hall teacher to be a part of the tutoring program.

Also, tutoring is available every Tuesday and Thursday from 3pm to 4pm in the CHS Library. A math department teacher is available during this time.

These tutoring opportunities are a great resource for students who need extra help in math, and our math teachers are waiting to help your child any way they can. So please encourage your child to take advantage of these great opportunities!

Registration for Courses for the 2023-24 School Year

Collinsville High School is finalizing course registration for the 2023-24 school year. If your student still needs to select courses for next year they can still turn in their registration worksheet to the CHS Counseling Office. We recommend you visit the [Registration](#)

[Portion of the Counseling Website](#). In this folder you will find resources such as blank and sample registration worksheets for each grade level, the Course Guide which provides course descriptions, videos on how to complete their registration sheets, and more. If you

have any other questions regarding registration or courses, please contact the Counseling Department at 346-6320 ext. 1137.

Senior Graduation Ads in the Yearbook!

Attention Parents/
Guardians:

What better way to say Congratulations on a job well done than to place a congratulatory ad in the yearbook, The Kahokian. Click the link to down-

load the order form that includes pricing and instructions. Deadline is Friday, March 10, 2023. Questions: please email: kahokian@cusd.kahoks.org.

Please see the next page for details!

Seniors who purchase the 2023 yearbook will have it automatically mailed to their home address in the Fall of 2023. This is for seniors only!

Dear Parents/Guardians:

Make your son's/daughter's senior year one to remember by placing a *congratulatory ad* in the yearbook. This will be a wonderful way to say "Congratulations and good luck" while showing off those sweet baby photos or fun memories you want to showcase of your senior. You may include a picture of your senior at any age along with a few "words of wisdom" or encouragement. Keep in mind that the yearbook staff has the right to edit any words, phrases, and/or pictures that are deemed inappropriate or will not fit the layout.

There are various sizes of ads in which you can honor your senior.

Size	Recommended # Words	Recommended # Photos	Price
1/8 Page	30	1	\$40.00
1/4 Page	60	2	\$60.00
1/2 Page	100	4	\$100.00
Full Page	120	6	\$200.00

The *Kahokian* staff needs to receive all the information and photos that you want in the ad by **Friday, March 10, 2023.**

You can either:

1. Detach the bottom portion of this letter and return it with your script, payment, and photos;
2. Detach the bottom portion of this letter and return it with your payment, then email your script and high resolution photos as a jpeg file to kahokian@cusd.kahoks.org.
*Digital photos via email are preferred. Please use Senior Ad as your subject line and call if you do not receive a confirmation email of receiving it within 5 days;
3. Your son/daughter can drop off all information in the main office in an envelope marked with your child's name and "Attention: Kristin Westphal-Senior Ad."

If you choose to send in your actual photos, they will **not** be returned unless you enclose a self-addressed, stamped envelope. Please use "Forever" stamps to assure adequate postage. Pictures will not be returned until the 2023 book arrives.

Do not send pictures printed from a computer printer.

If you have any questions, call: 618-346-6320 ext. 6323.

**Did you order your senior's yearbook yet? You can order at: <https://iostensyearbooks.com/?REF=A01738000>

Please return this portion with your order. Please print and use ink.

“These students personify excellence,” said IASC Executive Director Eric Zarnikow. “Illinois State Scholars are among the best and the brightest in our state’s high schools. We salute them, along with their parents in reaching the stars; their families and the teachers and staff at CHS for this stellar achievement.”

Congratulations to these outstanding seniors for all of their hard work that lead to this prestigious honor.

State Testing is Coming Soon!

The State of Illinois is requiring all 9th, 10th, and 11th grade students to participate in standardized testing on April 12, 2023. Juniors will take the SAT. Sophomores will take the PSAT 10 and Freshmen will take the PSAT 9. Some students will have to come a second or third day due to testing accommodations. Seniors (unless they haven't completed the SAT) will not report to school for the day to attend college visits, job shadows, or explore career options. Juniors have a second required test on March 30, 2023 for the State of Illinois Science Assessment.

CHS is providing multiple incentives for Juniors to do their best on the SAT. These incentives will be announced in March in an assembly. Please help us impress upon our students that these tests are important for not only their future but for CHS and our community! Together we can all proudly say that we are Kahok Strong!

Collinsville High School is offering a variety a test preparation options:

Official SAT Practice

Khan Academy recently partnered with the College Board to create a free Official SAT Practice website: www.satpractice.org. Students can use this website to increase their test scores. The CHS counseling department will monitor who uses Khan Academy's Official SAT practice the most and students will be able to earn incentives based on how many hours they complete.

SAT Tutoring

CHS is also offering free test prep classes on Tuesdays and Thursdays starting at the end of January. Look for an announcement in the next couple weeks. Each week teachers will offer a predetermined lesson that covers strategy and content. A schedule of weekly lessons will be available in the coming weeks. Attendance will be taken and students will be entered into Cash Prize drawings based on how many sessions they attend.

GROWTH MINDSET

at home

What Kind of Mindset Do You Have?

I can learn anything I want to.
When I'm frustrated, I persevere.
I want to challenge myself.
When I fail, I learn.
Tell me I try hard.
If you succeed, I'm inspired.
My effort and attitude determine everything.

I'm either good at it, or I'm not.
When I'm frustrated, I give up.
I don't like to be challenged.
When I fail, I'm no good.
Tell me I'm smart.
If you succeed, I feel threatened.
My abilities determine everything.

WHAT DOES 'PROCESS PRAISE' SOUND LIKE?

- That work is really good. Tell me about it and how you did it
- I love the colours in your artwork. What techniques have you tried?
- Well done! You're learning to...
- Every time you practise that, you're making the connections in your brain stronger
- I'm so proud of how hard you tried in that game

WHAT DOES IT SOUND LIKE WHEN WE PRAISE A CHILD'S TALENT OR INTELLIGENCE?

- You learned that so quickly!
- Fantastic work- you didn't make any mistakes at all
- You're a natural at [insert skill]

GROWTH MINDSET PRINCIPLES

INTELLIGENCE CAN BE GROWN

Everything we know and can do is learned

EFFORT IS MORE IMPORTANT THAN OUTCOME

Learning to persist using our own, independent strategies is a skill that will be beneficial throughout our lives

MISTAKES ARE VALUABLE

Without mistakes and failure new learning cannot happen

THE TYPE OF PRAISE WE GIVE IMPACTS ON A CHILD'S MINDSET

Praising a child's intelligence, ability or talent sends messages that can encourage a fixed mindset

10 GROWTH MINDSET TIPS FOR PARENTS

1. Model Growth Mindset Thinking

Explain how you deal with challenges and continue to learn. Don't label yourself in a way that demonstrates a fixed mindset e.g. 'I'm a terrible cook' or 'I've always been bad at maths.'

3. Set high standards but give help when it's needed

We should have high expectation of children's habits, effort and ability to grow. Making things too simple in order to give them an 'easy win' is counter-productive in the long run. If children need support, for example equipment or to talk homework through, this help will support their success.

5. Present failure as an opportunity to grow

Our instinct is to protect our children from the disappointment of failure, but this doesn't help them cope with setbacks. Don't allow your child to label themselves or shelter from the realities of failure by placing the blame on others. Instead ask, 'What will you do differently next time?'

7. Praise the process

Celebrate the effort or practise children have put into something, to help them see that persevering is worth it. When your child succeeds, talk about the work that went into that success.

9. Provide honest, constructive criticism

Try not to focus on your child's shortcomings or past mistakes. Work with your child to identify strategies that would help improve them in an area they find difficult. Comparing children to their peers or siblings either favourably or unfavourably, can encourage children to think of their abilities as fixed e.g. 'Her brother has always been better at writing.'

2. Encourage them to enjoy learning for learning's sake

Tests may give you snapshots of what your child has learned so far, but over-focusing on scores and performance can encourage a fixed mindset. Talk to them about which areas of the curriculum have engaged them and foster their interest in these.

4. Set realistic goals

Be mindful of the goals you set for your children and the messages they may hear. Goals should focus on the growth of a skill or the expanding of knowledge, rather than the end result.

6. Highlight the growth mindset of people your child admires

If your child has a favourite singer or footballer, find out about their daily habits, goal-setting and commitment. There are some great videos about famous people who experienced early failures, including Michael Jordan, J.K.Rowling and Einstein.

8. Take reasonable risks and encourage your child to do so

Growth mindset is about being a life-long learner. Accepting a certain amount of risk and failure is part of that process.

Is there something that you always wanted to try but were afraid you'd fail? Make a plan to do it and ask your child to do the same.

10. Find out about the brain together

Children are fascinated by brain facts. Learning about the brain's incredible capacity for growth can help them see that their abilities are not predetermined. There are some lovely websites devoted to explaining neuroscience for kids.

COVID-19 Know the Difference

Is it a COLD **or** FLU **or** COVID-19?

Signs and Symptoms	COLD	FLU	COVID-19

SEASONAL INFLUENZA (FLU) FACT SHEET FOR PARENTS

Some cases of influenza (flu) have been reported from your child's school or classroom. Flu is different from the common cold. It can cause fever, cough, sore throat, headache, muscle aches, and vomiting. Flu can be very serious and may even cause death in some people with chronic health conditions, young children, pregnant women, or elderly persons.

HOW DOES THE FLU SPREAD?

Flu spreads between people when those sick with the flu cough, sneeze, or even talk. The flu virus can be spread to people up to 6 feet away. Flu can also spread when people touch their face or eyes after touching something that a sick person has touched.

QUICK STATS

In the U.S. every day, an estimated 55 million students and 7 million staff attend more than 130,000 public and private schools. Implementing the Centers for Disease Control and Prevention's (CDC) "Take 3 Actions" would aid in preventing influenza infection among one-fifth of the total U.S. population (CDC, 2021).

Flu vaccination reduced the risk of a flu-associated death by 65% among healthy children and 51% among children with high-risk medical conditions (CDC, 2017).

HOW TO PREVENT THE FLU?

Use the CDC's "Take 3 Actions"

1. Take time to get a flu vaccine. Flu vaccination is the best way to prevent the flu. IDPH strongly recommends all Illinois residents older than 6 months old get the flu vaccine as soon as possible to prevent the flu unless they have a medical reason not to be vaccinated.
2. Take everyday preventive actions.
 - a. Avoid close contact with ill persons.
 - b. Keep your child home if they have a fever (100 degrees Fahrenheit or higher).
 - c. Cover your nose and mouth with a tissue or upper sleeve when you cough or sneeze.
 - d. Frequently wash hands with soap and water or alcohol-based hand rub.
 - e. Frequently clean and disinfect surfaces that are high-touch areas.
3. Take Influenza antiviral medicines, if prescribed. Antiviral drugs can make flu illness milder and shorten the time a person is sick with the flu. They may also prevent serious flu complications. (Flu antiviral drugs are not designed to treat COVID-19.)

The Collinsville High School **Camelot Bowl Prom Committee** is planning the 33rd annual after prom party! The party will be held after the prom on Saturday, April 29th 2023 at Camelot Bowl in Collinsville. This annual event is held to offer our teens a safe and fun atmosphere on prom night. It is only made possible through volunteer efforts and donations from civic groups, businesses, and parents in our community.

We provide bowling, food, soda, water, and attendance prizes. The after prom party is open to any Collinsville High School Juniors or Seniors even if they don't attend prom. Each student is charged \$7 to enter, but the cost to throw the party is several thousand dollars. In order for the party to be a success, we rely on donations. We would greatly appreciate if you could help us with a cash donation or a gift card donation. If you have specific questions, please call Dianne at 618.920.8732.

Please make checks payable to Camelot Bowl Prom Committee. We will be happy to pick up donations or they may be mailed to:

Camelot Bowl Prom Committee
801 Beltline Rd.
Collinsville, IL 62234

Please have donations turned in by April 1st 2023. Donations can be sent via PayPal at CHSClassof2024AfterProm@gmail.com

It is wonderful to see approximately 400 students having a great time and being so thankful and respectful. Parents have been a key factor in supporting this cause and making this a successful event. Parents, please remind your students that this is an event for only Collinsville High School Juniors or Seniors (and their prom dates, if applicable). There is a \$7 entry fee and a school ID or driver's license will be required for admission. No students will be allowed reentry (other than to take their prom clothes to their car with an adult escort if they chose to change out of their prom attire in Camelot's restroom). No bags/backpacks will be allowed. The party will begin at 10pm and conclude at 1:30am. Students may arrive any time before midnight and must be picked up by 1:30am.

Please show support and help the Camelot Bowl Prom Committee keep our teens safe. We hope to make this a memorable evening for the teens in our community.

Dear Community Partner,

Collinsville High School is proud to announce that it has been chosen to host the 2023 VISION National Student Leadership Conference June 26-28, 2023. More than 1,200 of America's best and brightest future leaders will travel to Collinsville, Illinois to take part in this once in a lifetime opportunity. The community of Collinsville, population 25,000, is only seven miles away from downtown St. Louis, Missouri. The citizens of our community have embraced the idea of hosting this conference. The students of Collinsville High School have stepped up to volunteer thousands of hours to make this happen. And now we need your help!

The VISION Conference promotes and provides leadership development opportunities to prepare and empower student leaders to serve their schools and communities. We believe empowered students are vehicles for positive change in their schools and communities and student leaders have the responsibility to be positive role models for others. Student leadership organizations play a vital role in the enrichment of the democratic process and offers leadership training programs that are essential to allow young, developing leaders to achieve their full potential. **This nation needs prepared and dedicated young leaders now more than ever!**

Planning and executing a large-scale conference such as this is quite an endeavor. The costs are enormous. Therefore, we are asking for your financial assistance. We would like your company to become a sponsor of the 2023 VISION Conference in Collinsville, Illinois. I have included financial paper work and documentation in order to help you decide if you would like to sponsor this event, All donations, regardless of size, are greatly appreciated. More information can be obtained by visiting our website: <https://stucovisionconference.org/>.

Thank you for your time and consideration in this matter. It is greatly appreciated.
