

WEBVTT

00:00:00.330 --> 00:00:01.146

Hello, Kahok Nation.

00:00:01.178 --> 00:00:04.314

I'm Superintendent Brad Sckertich and I'm standing with the cast today

00:00:04.362 --> 00:00:06.298

and the Pickle Chips podcast team.

00:00:06.394 --> 00:00:09.966

And I want to remind all families that on February 20 there will be

00:00:09.988 --> 00:00:12.414

there is no school as we celebrate President's Day.

00:00:12.532 --> 00:00:15.518

In addition, throughout the month of February, we will be

00:00:15.524 --> 00:00:17.118

celebrating Black History Month.

00:00:17.204 --> 00:00:20.574

And our Black Student Union, as well as the Multicultural Club, have

00:00:20.612 --> 00:00:23.694

Post a variety of information to help celebrate the month.

00:00:23.812 --> 00:00:26.294

Please take a look at what is attached in this video.

00:00:26.492 --> 00:00:30.786

In addition, on February 17 we will be participating in the Polar

00:00:30.818 --> 00:00:35.058

Immerse yourself in the city of Collinsville to benefit the Special Olympics.

00:00:35.154 --> 00:00:38.466

If you have not visited the website and contributed to our staff of 28

00:00:38.498 --> 00:00:41.526

members who will be participating that night, please do so for a

00:00:41.548 --> 00:00:42.360

great cause

00:00:42.730 --> 00:00:46.966

And then, last but not least, I'll give the floor to Ailey to

00:00:46.988 --> 00:00:49.666

talk about the Pickle Chips podcast and what his passion is.

00:00:49.698 --> 00:00:50.390

And friends

00:00:50.770 --> 00:00:52.154

Hi, I'm Ailee.

00:00:52.202 --> 00:00:54.042

I'm the host for pickle chips.

00:00:54.106 --> 00:00:57.022

We talk about anything and everything, as Mr.

00:00:57.076 --> 00:00:58.142
said Skertich.

00:00:58.276 --> 00:00:59.500
We also have.

00:01:00.330 --> 00:01:04.686
Team of six people, of which I have been told, because every time there is a

00:01:04.708 --> 00:01:09.294
new person and that's good, because we are a community and

00:01:09.332 --> 00:01:09.886
love to talk

00:01:09.988 --> 00:01:13.006
Last but not least, thank you for your continued dedication to our

00:01:13.028 --> 00:01:13.406
students.

00:01:13.508 --> 00:01:15.962
Don't forget to wear your purple and show your Kahok pride.

00:01:16.026 --> 00:01:17.146
100%, friend.

00:01:17.178 --> 00:01:18.510
It's kind of our brand.

00:01:41.050 --> 00:01:47.346
Hi guys, and welcome to Pickle Chips, the podcast of a podcast.

00:01:47.538 --> 00:01:49.622
This is the episode I've lost count of.

00:01:49.676 --> 00:01:50.880
Number number three.

00:01:51.410 --> 00:01:53.246
Does anyone have the number handy?

00:01:53.348 --> 00:01:55.982
I think it's twelve, but we have to edit something.

00:01:56.036 --> 00:01:56.640
Cut.

00:01:58.770 --> 00:01:59.850
That's why I say it is.

00:02:00.170 --> 00:02:02.286
I forgot number three, you know?

00:02:02.468 --> 00:02:06.398
Anyway, Modi is back after being dead for the second time.

00:02:06.484 --> 00:02:07.550
Hallelujah.

00:02:09.169 --> 00:02:10.365
I can not speak

00:02:10.467 --> 00:02:11.070

Well.

00:02:11.220 --> 00:02:13.502
Sometimes I can't speak.

00:02:13.636 --> 00:02:16.926
Anyway, I think the new seasons of Phineas and Ferb are bringing her

00:02:16.948 --> 00:02:17.134
back.

00:02:17.172 --> 00:02:18.522
My gosh, I'm so excited.

00:02:18.586 --> 00:02:20.910
Maddie, are you excited for VineyAs and Firm after that?

00:02:20.980 --> 00:02:21.760
Oh yeah.

00:02:22.290 --> 00:02:24.694
Maddie, did Phineas and Ferb bring you back?

00:02:24.852 --> 00:02:25.446
Bring me back?

00:02:25.468 --> 00:02:28.322
I hope Vanessa revives for Perry.

00:02:28.466 --> 00:02:31.778
Anyway, guys, we have a special guest today.

00:02:31.874 --> 00:02:36.102
Our schools, our district superintendent, Dr.

00:02:36.156 --> 00:02:37.110
skirt.

00:02:38.410 --> 00:02:39.174
Thank you.

00:02:39.292 --> 00:02:40.422
Yes, 100%.

00:02:40.476 --> 00:02:42.102
We love your company.

00:02:42.236 --> 00:02:46.982
So today our theme is board games, which are a lot of fun.

00:02:47.036 --> 00:02:48.760
We love board games, don't we?

00:02:49.370 --> 00:02:50.654
Do you like board games, Dr.

00:02:50.692 --> 00:02:51.226
ÅžScurtwich?

00:02:51.258 --> 00:02:53.674
I grew up playing Monopoly, checkers, and chess.

00:02:53.722 --> 00:02:57.082
So yeah, that was a big part of our childhood.

00:02:57.146 --> 00:02:59.066

Either with my parents, my grandparents.

00:02:59.178 --> 00:02:59.900

It was something we did.

00:03:00.250 --> 00:03:00.750

All the time.

00:03:00.820 --> 00:03:01.454

Oh yeah.

00:03:01.572 --> 00:03:02.218

Anton

00:03:02.314 --> 00:03:02.794

Anton

00:03:02.842 --> 00:03:04.400

I mean the type of sound.

00:03:05.170 --> 00:03:07.594

The sound guy loves chess.

00:03:07.642 --> 00:03:10.398

Sound Guy actually brought his special chess board today.

00:03:10.484 --> 00:03:12.382

Would you like to talk about that, Sound Guy?

00:03:12.436 --> 00:03:13.770

Because you have a myth.

00:03:13.850 --> 00:03:15.358

The voice of the type of sound.

00:03:15.524 --> 00:03:17.520

Sure, I could too.

00:03:18.450 --> 00:03:19.710

Do you mind if I get it?

00:03:19.780 --> 00:03:20.718

Absolutely not.

00:03:20.804 --> 00:03:21.534

It's good, awesome.

00:03:21.652 --> 00:03:25.254

It's been a minute since I played but I still remember the sounds Guy

00:03:25.292 --> 00:03:28.694

he's holding his chessboard because you guys can't see this.

00:03:28.812 --> 00:03:30.226

I'm so bad at chess.

00:03:30.338 --> 00:03:32.440

In fact, I'm moderating here.

00:03:33.130 --> 00:03:34.390

I don't play chess.

00:03:34.810 --> 00:03:36.018

Modi is winning.

00:03:36.034 --> 00:03:39.110

And Sound Guy plays chess all the time.

00:03:39.180 --> 00:03:41.366

Also Chase, and Chase still isn't quite yes.

00:03:41.388 --> 00:03:41.666

Chase.

00:03:41.698 --> 00:03:42.434

You played chess.

00:03:42.482 --> 00:03:43.720

I forgot about that.

00:03:44.329 --> 00:03:45.414

I'm sorry.

00:03:45.612 --> 00:03:46.438

Alright.

00:03:46.524 --> 00:03:48.770

You should at least tell the story of your chess from yesterday.

00:03:48.850 --> 00:03:49.998

No you should not.

00:03:50.124 --> 00:03:50.926

You must not.

00:03:51.028 --> 00:03:51.438

No.

00:03:51.524 --> 00:03:53.934

So Sound Guy, here's your special chessboard.

00:03:53.972 --> 00:03:55.920

Why is your chessboard special?

00:03:57.490 --> 00:03:59.579

It's the first chessboard that I really like.

00:04:02.970 --> 00:04:03.818

That's so sweet.

00:04:03.914 --> 00:04:05.600

Apart from the plastic game.

00:04:06.770 --> 00:04:09.002

Well, that's technically from my dad.

00:04:09.066 --> 00:04:10.670

I have a set of glasses.

00:04:10.820 --> 00:04:13.520

I can't touch it because I'm afraid of breaking it.

00:04:14.690 --> 00:04:15.614

I could feel you.

00:04:15.652 --> 00:04:16.206

I feel you.

00:04:16.228 --> 00:04:16.414

Yeah.

00:04:16.452 --> 00:04:18.442
People say my middle name is Clumsy.

00:04:18.586 --> 00:04:19.642
Yes, clumsy.

00:04:19.706 --> 00:04:21.018
There is nothing wrong with dropping.

00:04:21.113 --> 00:04:21.934
Not quite.

00:04:22.052 --> 00:04:23.246
I leave things all the time.

00:04:23.348 --> 00:04:25.390
The thing is, with me, I only get hurt twice.

00:04:26.330 --> 00:04:26.742
Yeah.

00:04:26.796 --> 00:04:27.570
Oh my God.

00:04:27.650 --> 00:04:27.990
Mister.

00:04:28.060 --> 00:04:29.718
Mac told you that.

00:04:29.884 --> 00:04:35.254
Anyway, today I want to mention some hated board games and some

00:04:35.292 --> 00:04:36.290
I love board games.

00:04:36.370 --> 00:04:36.982
Number one.

00:04:37.036 --> 00:04:38.038
The game of life.

00:04:38.124 --> 00:04:40.534
How do we feel about the Game of the Game of Life?

00:04:40.572 --> 00:04:41.302
I love it too.

00:04:41.356 --> 00:04:42.840
Everybody hates the game.

00:04:43.290 --> 00:04:44.566
I never played it.

00:04:44.668 --> 00:04:45.218
It's boring.

00:04:45.234 --> 00:04:48.354
I had a life where I was a guy who married AJ.

00:04:48.402 --> 00:04:49.030
Leeward.

00:04:49.810 --> 00:04:52.142

Do you want to hear a ridiculous story about the Game of Life?

00:04:52.196 --> 00:04:52.558

Yeah.

00:04:52.644 --> 00:04:55.902

So there's this term in my family, it's called Game of Life.

00:04:55.956 --> 00:04:59.020

And that's every time you turn something normal into.

00:05:00.410 --> 00:05:03.242

Idea about the social constructions of society.

00:05:03.386 --> 00:05:06.746

So we were playing the Game of Life with my stepmother, and she starts

00:05:06.778 --> 00:05:08.778

Wow, why are people blue and pink?

00:05:08.874 --> 00:05:09.882

They must be gray.

00:05:09.946 --> 00:05:11.418

There should be no gender roles.

00:05:11.514 --> 00:05:14.126

And then and then and then we get to the university, and she says, "There

00:05:14.148 --> 00:05:15.070

should be a third option.

00:05:15.140 --> 00:05:18.030

And all this game went on like this.

00:05:18.100 --> 00:05:20.766

And then there was, like, that piece where you get married, and

00:05:20.788 --> 00:05:22.074

she says, we don't have to get married.

00:05:22.122 --> 00:05:23.918

We can keep dating for ten years.

00:05:24.084 --> 00:05:29.974

And now, now, whenever someone says, oh, hey, have you heard of

00:05:30.012 --> 00:05:30.262

It is?

00:05:30.316 --> 00:05:31.062

It's new.

00:05:31.196 --> 00:05:32.374

I'm like you, game of life.

00:05:32.412 --> 00:05:32.966

And stop it.

00:05:32.988 --> 00:05:35.906

Ashley, I think what you see is things evolve.

00:05:35.938 --> 00:05:38.694

When those games first came out when I was a kid, it was really

00:05:38.732 --> 00:05:41.302

popular, and it was the stage, the moment.

00:05:41.356 --> 00:05:45.046

But when you fast forward more than 20 years, things are different now that

00:05:45.068 --> 00:05:45.734

where were they then

00:05:45.772 --> 00:05:47.042

So it's definitely changed.

00:05:47.106 --> 00:05:51.710

But that game was built in a time segment when stereotypical things

00:05:51.780 --> 00:05:55.166

happened a certain way, and people followed that right, wrong, or

00:05:55.188 --> 00:05:56.330

regardless, that's what happened.

00:05:56.409 --> 00:05:57.786

But now things have evolved.

00:05:57.818 --> 00:05:59.500

And hear you talk about it like.

00:06:00.250 --> 00:06:00.462

Group.

00:06:00.516 --> 00:06:01.726

You also recognize it.

00:06:01.748 --> 00:06:04.142

Was it in this group or with your family?

00:06:04.276 --> 00:06:09.454

Oh yeah, it's so funny because then there's the box.

00:06:09.652 --> 00:06:14.766

My stepmom's parents have the 90s and 80s version of

00:06:14.788 --> 00:06:15.310

life.

00:06:15.460 --> 00:06:21.838

And the boys in the box, they have this white blonde family in the front.

00:06:22.004 --> 00:06:23.626

drywall smiles

00:06:23.658 --> 00:06:26.610

You can tell it was like copy and paste.

00:06:26.690 --> 00:06:30.658

They are all like and you can see the sparkles in their little teeth.

00:06:30.754 --> 00:06:32.433

and it's so ridiculous.

00:06:32.482 --> 00:06:35.174

And then it's like the game of life, the game where we're fun because life

00:06:35.212 --> 00:06:37.909

It's funny and it's like that's a lie.

00:06:38.330 --> 00:06:39.314

Life is challenging.

00:06:39.362 --> 00:06:43.638

I think that is the piece that is not always easy and things of

00:06:43.644 --> 00:06:46.086

that nature, but I think that's the part that when you're growing up

00:06:46.108 --> 00:06:47.586

you want to be protected.

00:06:47.618 --> 00:06:51.614

So you can learn as much as you can try a lot of different things.

00:06:51.652 --> 00:06:54.638

You can fail sometimes, but you can learn from it and move on.

00:06:54.724 --> 00:06:59.338

So you want your parents to put up with those struggles.

00:06:59.433 --> 00:06:59.820

And I think.

00:07:00.090 --> 00:07:06.206

As I get older and we start our own family and get cozy

00:07:06.228 --> 00:07:09.886

grandson, I appreciate my parents more because I didn't have

00:07:09.908 --> 00:07:11.470

idea of some of the things they were going through.

00:07:11.540 --> 00:07:12.922

And adulthood is hard.

00:07:12.986 --> 00:07:13.326

Oh yeah.

00:07:13.348 --> 00:07:13.982

Is not easy.

00:07:14.036 --> 00:07:17.246

So what you see in life, that game is not that simple by any means,

00:07:17.268 --> 00:07:17.918

figure or form.

00:07:18.004 --> 00:07:19.694

It's like work, family, having a house.

00:07:19.732 --> 00:07:20.766

It's everywhere.

00:07:20.868 --> 00:07:24.994

Example A You have to have a lot of money to retire.

00:07:25.002 --> 00:07:25.394

Retirement.

00:07:25.442 --> 00:07:28.920

And then the people who don't retire get a cardboard box.

00:07:30.490 --> 00:07:31.542

Although I have a question.

00:07:31.596 --> 00:07:34.578

So when you talk about board games, like the most liked board games,

00:07:34.594 --> 00:07:36.920

You talk about chess, Monopoly, the Game of life.

00:07:37.770 --> 00:07:40.274

The COO game or Apples to Apples?

00:07:40.402 --> 00:07:41.990

Those are tuned in that are up there today.

00:07:42.060 --> 00:07:44.130

Were they card games or are they board games?

00:07:44.210 --> 00:07:45.286

I would give you both.

00:07:45.388 --> 00:07:49.318

What if card games are board games because you play card games on a

00:07:49.324 --> 00:07:49.554

Åžmesa?

00:07:49.602 --> 00:07:50.670

The Blizzard tabletop.

00:07:50.740 --> 00:07:51.262

Exactly.

00:07:51.396 --> 00:07:52.590

But this is what I say.

00:07:52.659 --> 00:07:56.766

Any game that comes in a giant rectangular box is a board game.

00:07:56.868 --> 00:07:58.302

Apples to Apples is like that.

00:07:58.356 --> 00:07:59.770

It doesn't have to be a giant rectangle.

00:08:00.170 --> 00:08:00.382

Box.

00:08:00.436 --> 00:08:05.662

Maddie, yes, there's also Candy Land and then you guys heard about it.

00:08:05.716 --> 00:08:06.890

I was the Candyland chat.

00:08:06.970 --> 00:08:07.706

I'm sorry honey.

00:08:07.738 --> 00:08:08.318

Very bad.

00:08:08.404 --> 00:08:09.134

No wait.

00:08:09.172 --> 00:08:09.518

I'm sorry.

00:08:09.604 --> 00:08:10.442

Hit my brother.

00:08:10.506 --> 00:08:13.050

Does anyone else have memories of Candy Lane?

00:08:13.130 --> 00:08:14.350

candy lane?

00:08:15.250 --> 00:08:16.906

Candyland movie.

00:08:17.018 --> 00:08:25.478

Like that movie sees a video where she's basically a candy and was

00:08:25.484 --> 00:08:26.290

a VHS.

00:08:26.370 --> 00:08:27.800

Chase do you know?

00:08:28.410 --> 00:08:30.450

I didn't know there was a movie.

00:08:30.610 --> 00:08:31.666

It was on VHS.

00:08:31.698 --> 00:08:34.645

And I remember sitting in my grandmother's room, she was like working and

00:08:34.668 --> 00:08:37.986

My mom was at work and I was like four years old, but I remember binge eating.

00:08:38.018 --> 00:08:39.542

watching that movie all day.

00:08:39.676 --> 00:08:42.193

Personal note, you just mentioned VHS.

00:08:42.322 --> 00:08:45.270

How many of you are familiar with a VHS player?

00:08:45.850 --> 00:08:46.742

My mom had one.

00:08:46.796 --> 00:08:48.280

Okay, wait, wait.

00:08:49.370 --> 00:08:50.154

Elaborate.

00:08:50.242 --> 00:08:53.070

We never use the need to elaborate.

00:08:54.770 --> 00:08:55.886

Let me go back through this.

00:08:55.908 --> 00:08:59.930

So when I was a kid, you couldn't record anything, so you did it.

00:09:00.000 --> 00:09:02.766

You either saw it on TV or you missed it, that was it.

00:09:02.788 --> 00:09:07.898

And you would see reruns, but reruns or programs like the one you are

00:09:07.914 --> 00:09:11.418

speaking in the mid seventies and eighties there were very few reruns

00:09:11.434 --> 00:09:12.718

They are only in black and white.

00:09:12.804 --> 00:09:14.926

So if you did or didn't get to see it, well then

00:09:14.948 --> 00:09:20.206

They came out with a VHS recorder, and it was a big record cassette that

00:09:20.228 --> 00:09:24.218

it was probably half the size of the special chessboard.

00:09:24.394 --> 00:09:31.414

And you would have to program your DVD VHS player to record, and it was

00:09:31.532 --> 00:09:35.826

tape that he recorded on the video and put it on, and then eventually

00:09:35.858 --> 00:09:38.982

you can program it to record the same week every time.

00:09:39.116 --> 00:09:43.442

And finally, we transferred to where you could burn to DVD,

00:09:43.506 --> 00:09:48.774

and then eventually you could record to your digital DVR box.

00:09:48.892 --> 00:09:52.302

And now you can have it on Netflix or Amazon and just hit play,

00:09:52.356 --> 00:09:53.422

and they were just there.

00:09:53.556 --> 00:09:58.126

So we live in a time where VHS was the best when I was

00:09:58.148 --> 00:09:58.618

younger.

00:09:58.714 --> 00:09:59.900

Now, some of you don't even have any.

00:10:00.170 --> 00:10:02.634

Idea of what it is, but that's how things have changed.

00:10:02.682 --> 00:10:04.314

Something like the game of life in board games.

00:10:04.362 --> 00:10:04.782

Oh yeah.

00:10:04.836 --> 00:10:07.754

They should call it the trial and error game.

00:10:07.882 --> 00:10:10.238

The game of why would I marry a man?

00:10:10.404 --> 00:10:14.480

The game of how is life the game of why?

00:10:15.650 --> 00:10:17.050
The game of confusion.

00:10:17.130 --> 00:10:18.222
This is how I feel.

00:10:18.276 --> 00:10:20.010
Joe Bland.

00:10:20.170 --> 00:10:22.158
There are two asterisks there.

00:10:22.244 --> 00:10:23.646
You have to pronounce them.

00:10:23.748 --> 00:10:25.120
I'm so good at it.

00:10:26.650 --> 00:10:28.162
I have changed the spelling.

00:10:28.226 --> 00:10:28.646
Well.

00:10:28.748 --> 00:10:29.906
Asterisks are peculiar.

00:10:29.938 --> 00:10:31.138
He is playing.

00:10:31.314 --> 00:10:32.262
That's a good point.

00:10:32.316 --> 00:10:32.966
It doesn't matter.

00:10:33.068 --> 00:10:37.110
Okay, anyway, another game.

00:10:37.180 --> 00:10:43.062
Guys how do you feel about the new games in the past maybe three

00:10:43.116 --> 00:10:43.478
years?

00:10:43.564 --> 00:10:47.750
Like exploding kittens and poetry for Neanderthals.

00:10:48.330 --> 00:10:51.200
Explosive kittens and sound technician.

00:10:51.650 --> 00:10:53.470
I love explosive kitties.

00:10:54.290 --> 00:10:56.000
I haven't played many of them.

00:10:57.010 --> 00:10:58.202
Have you played all the time?

00:10:58.266 --> 00:10:59.102
it was interesting

00:10:59.236 --> 00:10:59.850
It was chaos.

00:11:00.330 --> 00:11:01.034

It was chaos.

00:11:01.082 --> 00:11:01.806

I can imagine that.

00:11:01.828 --> 00:11:02.766

ask if?

00:11:02.788 --> 00:11:04.522

Have you played toss toss burrito?

00:11:04.586 --> 00:11:06.254

No, but I've heard you describe it.

00:11:06.292 --> 00:11:07.200

I have it.

00:11:08.290 --> 00:11:10.730

Sounds like Monopoly jail.

00:11:10.810 --> 00:11:11.440

Well.

00:11:12.850 --> 00:11:18.606

It's a dodgeball cardigan in which you can throw stuffed burritos at

00:11:18.628 --> 00:11:19.118

each other.

00:11:19.204 --> 00:11:20.640

That sounds like a lot of fun.

00:11:21.410 --> 00:11:24.030

I did play that soft though, and never again.

00:11:24.100 --> 00:11:27.846

Sounds like you went to Ronald's Google House and broke some

00:11:27.868 --> 00:11:28.550

windows

00:11:29.050 --> 00:11:31.270

That really sounds like windows are too old to break.

00:11:31.340 --> 00:11:31.894

We should do that.

00:11:31.932 --> 00:11:34.674

I'm pretty sure they still look if they're old, they're brittle.

00:11:34.802 --> 00:11:35.478

Yeah.

00:11:35.644 --> 00:11:38.054

Do you have one of the windows that is that old?

00:11:38.092 --> 00:11:39.218

Is it wavy?

00:11:39.394 --> 00:11:41.010

Oh yes, I remember that window.

00:11:41.090 --> 00:11:41.906

Oh my God.

00:11:42.018 --> 00:11:42.822
Is that it?

00:11:42.876 --> 00:11:43.334
It doesn't matter.

00:11:43.372 --> 00:11:44.840
I'll talk to you about that later.

00:11:47.210 --> 00:11:48.902
So, yeah, we've played those.

00:11:48.956 --> 00:11:50.126
I'm glad it wasn't on.

00:11:50.148 --> 00:11:51.982
The old Google house is very old.

00:11:52.036 --> 00:11:52.990
it's so old

00:11:53.060 --> 00:11:53.886
200 years

00:11:53.908 --> 00:11:54.586
It is very cold.

00:11:54.618 --> 00:11:55.566
I love your house though.

00:11:55.588 --> 00:11:57.034
It's the best for hide and seek.

00:11:57.162 --> 00:11:58.206
I know.

00:11:58.388 --> 00:11:59.900
Every time I go there, I find a new one.

00:12:00.170 --> 00:12:00.522
Place.

00:12:00.586 --> 00:12:01.598
And then your cat.

00:12:01.684 --> 00:12:02.766
I hate your cat.

00:12:02.868 --> 00:12:04.730
So I think we're getting a bit off topic.

00:12:04.810 --> 00:12:05.534
Well.

00:12:05.732 --> 00:12:08.206
We are allowed to talk a bit about card games.

00:12:08.308 --> 00:12:10.186
Do you know the classic card games?

00:12:10.218 --> 00:12:11.290
Like rummy.

00:12:11.450 --> 00:12:12.574
Oh Lord.

00:12:12.772 --> 00:12:13.786
Poker.

00:12:13.978 --> 00:12:15.834
Oh, we have to talk about poker.

00:12:15.882 --> 00:12:17.226
I love classic card games.

00:12:17.258 --> 00:12:18.478
I say that all the time.

00:12:18.564 --> 00:12:19.274
I love poker.

00:12:19.322 --> 00:12:19.534
Well?

00:12:19.572 --> 00:12:22.510
So my parents are surprised.

00:12:23.490 --> 00:12:27.282
My parents are afraid that when I grow up I might have a game.

00:12:27.346 --> 00:12:29.830
addiction because I love poker.

00:12:29.900 --> 00:12:33.986
And that's how this summer, my dad taught me to play poker.

00:12:34.018 --> 00:12:36.994
And so poker is like a big I love poker.

00:12:37.042 --> 00:12:38.726
I am the best in poker of all time.

00:12:38.828 --> 00:12:40.246
You can talk to Ronald Google.

00:12:40.348 --> 00:12:42.370
I literally won three pots.

00:12:42.450 --> 00:12:43.960
Better than talking to you.

00:12:44.570 --> 00:12:46.466
Let me go chronologically.

00:12:46.578 --> 00:12:49.902
Okay, but isn't poker based on chance?

00:12:50.076 --> 00:12:50.462
Yeah.

00:12:50.516 --> 00:12:51.920
Yes it is.

00:12:52.450 --> 00:12:54.986
Hey, I'm the opposite of Murphy's Laws.

00:12:55.018 --> 00:12:56.506
What I would say if it wasn't.

00:12:56.618 --> 00:12:57.600
But I am.

00:12:58.850 --> 00:12:59.900
So I love poker.

00:13:00.170 --> 00:13:00.554
Poker.

00:13:00.602 --> 00:13:03.966
And every time I really started dating Ronald Google,

00:13:03.988 --> 00:13:07.342
we introduced them to poker and played in the library for

00:13:07.396 --> 00:13:07.994
lunch.

00:13:08.122 --> 00:13:09.322
How competitively.

00:13:09.386 --> 00:13:12.410
Some days he brought pennies, some days he brought candy.

00:13:12.490 --> 00:13:13.950
And it was so much fun.

00:13:14.020 --> 00:13:18.030
And we had like the different order.

00:13:18.100 --> 00:13:21.406
Like oh, this candy, it costs so much and this candy costs so much.

00:13:21.508 --> 00:13:24.666
We found out that the most expensive is where there is original

00:13:24.698 --> 00:13:26.520
because it's caramel is the best.

00:13:27.290 --> 00:13:29.842
It's because it's classic.

00:13:29.986 --> 00:13:30.674
It is elegant

00:13:30.722 --> 00:13:31.442
It is elegant

00:13:31.506 --> 00:13:32.578
It makes me feel fantastic.

00:13:32.594 --> 00:13:37.430
The old ones, I guess my great-grandmother, who is 95, always has them.

00:13:37.500 --> 00:13:42.178
Your poker addiction is also related to the name of our podcast.

00:13:42.194 --> 00:13:44.120
I'll describe that in a moment.

00:13:44.570 --> 00:13:45.670
I'm so excited.

00:13:46.010 --> 00:13:47.382

I will also do that.

00:13:47.516 --> 00:13:48.786

I was there for the ghost.

00:13:48.898 --> 00:13:50.222

This was meant to have happened.

00:13:50.276 --> 00:13:53.360

By the way, sound man, don't bring me up again.

00:13:58.850 --> 00:13:59.770

We played poker.

00:14:00.090 --> 00:14:03.646

And then one time we were playing poker, and Vy came in and sat in

00:14:03.668 --> 00:14:10.814

the table with us, and there is a closet door in the back of

00:14:10.852 --> 00:14:14.062

the librarian's office, which is where the office is no longer.

00:14:14.116 --> 00:14:16.222

It's more now the podcast room.

00:14:16.356 --> 00:14:22.026

And that door, like, shook once, and I was in the chair

00:14:22.138 --> 00:14:25.398

next to the door, and I jumped out of that chair, and I was like,

00:14:25.484 --> 00:14:27.250

Ronnie, Ronnie, please change.

00:14:27.330 --> 00:14:28.166

Rondy please.

00:14:28.268 --> 00:14:28.722

Ronnie.

00:14:28.786 --> 00:14:30.786

And then you said: Stop overreacting.

00:14:30.818 --> 00:14:32.038

And then I said, please.

00:14:32.204 --> 00:14:34.262

It moved, and we all saw it happen.

00:14:34.316 --> 00:14:40.806

So that night, I called my stepmom and said, hey, do you want

00:14:40.828 --> 00:14:42.774

Do you think we should start a podcast based on this?

00:14:42.812 --> 00:14:45.586

Cause me and Ron with Google were frantically texting back and forth

00:14:45.618 --> 00:14:47.366

about it, and she said, you should.

00:14:47.468 --> 00:14:50.446

And so, about two weeks later, we started the cast of the podcast, and

00:14:50.468 --> 00:14:52.442
It wasn't what we planned.

00:14:52.586 --> 00:14:56.366
We planned to play poker on it, but it sounded too boring and we had to

00:14:56.388 --> 00:14:59.930
too many people who didn't know what poker was, so we have.

00:15:00.170 --> 00:15:04.302
We did a talk show and we called it Pickle Chips because we were going to

00:15:04.356 --> 00:15:08.426
Every time our original plan was to play poker on the podcast, we're

00:15:08.458 --> 00:15:14.190
I was going to play poker, but with the pickled chips because

00:15:14.260 --> 00:15:16.110
we are so funny

00:15:16.930 --> 00:15:18.142
But I think that is the point.

00:15:18.196 --> 00:15:19.646
Tumblr, you had a plan.

00:15:19.828 --> 00:15:21.386
Life doesn't go as planned.

00:15:21.418 --> 00:15:22.362
You have to make adjustments.

00:15:22.426 --> 00:15:23.294
Like the game of life.

00:15:23.332 --> 00:15:23.678
Yeah.

00:15:23.764 --> 00:15:26.354
And it's not going to be just ABCD.

00:15:26.402 --> 00:15:29.334
There will be detours, bumps in the road.

00:15:29.372 --> 00:15:30.406
And I think that's the key.

00:15:30.508 --> 00:15:32.946
You started one way, but you adapt.

00:15:32.978 --> 00:15:34.854
And that happens every day in everyone's life.

00:15:34.892 --> 00:15:36.998
So I think it's very important that you can do that.

00:15:37.084 --> 00:15:38.086
Yeah, I don't know.

00:15:38.108 --> 00:15:39.606
It's a very nice story.

00:15:39.788 --> 00:15:43.506
Anyway, poker is very, very important to me and to Ronald Pickles.

00:15:43.538 --> 00:15:46.006

I like pickle chips because I didn't know how you got there.

00:15:46.028 --> 00:15:46.994

But I like pickle chips.

00:15:47.042 --> 00:15:47.506

Original.

00:15:47.538 --> 00:15:48.834

It is original and catchy.

00:15:48.882 --> 00:15:49.882

I think it's memorable.

00:15:49.986 --> 00:15:52.954

It makes you wonder, so what is the story behind Pickle chips?

00:15:53.002 --> 00:15:53.870

How did they get there?

00:15:53.940 --> 00:15:57.086

I think we've told the story like eight times, so I feel bad for everyone.

00:15:57.108 --> 00:15:58.010

of the listeners.

00:15:58.170 --> 00:15:59.050

Modi's dad.

00:16:00.090 --> 00:16:02.954

Apologize because he's our number one fan.

00:16:03.002 --> 00:16:04.362

Yes, he is our number one fan.

00:16:04.426 --> 00:16:08.862

He even asked Anton why we haven't been posting any videos.

00:16:08.916 --> 00:16:09.930

Oh my God.

00:16:10.090 --> 00:16:11.466

Greetings to Modi's father.

00:16:11.498 --> 00:16:11.966

We love you.

00:16:11.988 --> 00:16:12.346

Maddie's.

00:16:12.378 --> 00:16:12.826

Dad.

00:16:12.938 --> 00:16:14.926

So you know what?

00:16:14.948 --> 00:16:17.360

Was it already said on the podcast?

00:16:17.890 --> 00:16:18.734

What time?

00:16:18.852 --> 00:16:22.302

While you were texting me, I would look at him and move my stuff.

00:16:22.356 --> 00:16:23.502
I remember that.

00:16:23.636 --> 00:16:25.010
And so I was slipping.

00:16:25.050 --> 00:16:29.974
I was annoyed that you were asking questions because I was trying to ask

00:16:30.012 --> 00:16:30.600
work.

00:16:31.370 --> 00:16:31.782
That?

00:16:31.836 --> 00:16:33.640
When you work?

00:16:34.010 --> 00:16:36.374
You just openly admitted it.

00:16:36.572 --> 00:16:37.494
It was, like, months ago.

00:16:37.532 --> 00:16:37.990
Alright.

00:16:38.060 --> 00:16:38.678
Alright.

00:16:38.764 --> 00:16:39.574
I really do not care

00:16:39.612 --> 00:16:41.110
People annoyed me all the time.

00:16:41.180 --> 00:16:42.760
i was too good

00:16:46.170 --> 00:16:47.240
Anyway, continue.

00:16:49.810 --> 00:16:51.440
Going to Six Flags with you.

00:16:52.610 --> 00:16:55.358
Are you trying to bring that up because I'm a scaredy cat?

00:16:55.524 --> 00:16:56.794
I don't understand the pipeline.

00:16:56.842 --> 00:16:59.580
No, I said that's why we went instead.

00:17:00.570 --> 00:17:00.782
You.

00:17:00.836 --> 00:17:01.854
I did it.

00:17:02.052 --> 00:17:02.698
Table games.

00:17:02.714 --> 00:17:03.306
Six Flags.

00:17:03.338 --> 00:17:03.790
Alright.

00:17:03.860 --> 00:17:04.574
Board game?

00:17:04.692 --> 00:17:05.262
Yeah.

00:17:05.396 --> 00:17:06.079
Yeah.

00:17:06.690 --> 00:17:11.705
Okay, so Joe Bland, talk about your favorite.

00:17:11.818 --> 00:17:12.733
Talk about good

00:17:12.771 --> 00:17:15.273
We've been playing bananagrams lately and it's Joe Bland.

00:17:15.321 --> 00:17:16.622
Joe Bland brings it.

00:17:16.675 --> 00:17:18.954
Would you like to talk about Bananagrams?

00:17:19.002 --> 00:17:20.750
I just stammered my speech.

00:17:21.170 --> 00:17:21.534
Me.

00:17:21.571 --> 00:17:23.520
Yes, it's a fun game.

00:17:24.890 --> 00:17:28.066
That's why we call you Joe Bland.

00:17:28.258 --> 00:17:30.760
I can't be example A.

00:17:33.210 --> 00:17:35.158
I think we are past example A now.

00:17:35.244 --> 00:17:37.560
I think we are in example Z.

00:17:38.090 --> 00:17:41.494
Let's start with example Y.

00:17:41.692 --> 00:17:44.374
Soon we will start with the example numbers.

00:17:44.492 --> 00:17:45.878
We are in sample numbers.

00:17:45.964 --> 00:17:47.542
We are in example 22.

00:17:47.676 --> 00:17:52.186
We are beyond English numbers and we are in the Greek alphabet.

00:17:52.298 --> 00:17:54.830

We are in the alpha example.

00:17:55.970 --> 00:17:56.720

Well.

00:17:58.850 --> 00:17:59.930

It's like the hurricane.

00:18:00.170 --> 00:18:00.814

pain system.

00:18:00.932 --> 00:18:04.446

How do you spend it until you can't take it anymore and then you leave

00:18:04.468 --> 00:18:05.086

again.

00:18:05.268 --> 00:18:08.362

So the moral of the story, Chase is soft.

00:18:08.426 --> 00:18:09.162

Hurricane.

00:18:09.306 --> 00:18:10.474

Hurricane Chase.

00:18:10.602 --> 00:18:11.642

Hurricane Chase.

00:18:11.706 --> 00:18:12.414

That's right.

00:18:12.532 --> 00:18:14.240

So is that a board game?

00:18:17.170 --> 00:18:18.446

The table is the board.

00:18:18.548 --> 00:18:20.014

Yes, exactly correct.

00:18:20.052 --> 00:18:20.746

You had that before.

00:18:20.778 --> 00:18:21.194

I forgot.

00:18:21.242 --> 00:18:23.118

That's my oldest scrabble, but better.

00:18:23.284 --> 00:18:25.046

It's like scrabble but in a free form.

00:18:25.188 --> 00:18:25.606

I understand.

00:18:25.628 --> 00:18:26.694

You can also play it solo.

00:18:26.732 --> 00:18:27.346

Es Scrabble.

00:18:27.378 --> 00:18:29.430

But there have been interesting words.

00:18:29.580 --> 00:18:31.734
Oh yes, so many interesting words.

00:18:31.772 --> 00:18:32.742
I know of one of them.

00:18:32.796 --> 00:18:33.894
Let's not talk to each other.

00:18:33.932 --> 00:18:34.502
One of the words.

00:18:34.556 --> 00:18:35.734
Yes, we had each other.

00:18:35.772 --> 00:18:38.994
And then one of our friends had xoxo.

00:18:39.122 --> 00:18:40.680
As if it were a word.

00:18:41.050 --> 00:18:42.070
As their.

00:18:42.220 --> 00:18:44.038
You could have just said I love you.

00:18:44.124 --> 00:18:46.274
No, but they only had xoxo.

00:18:46.322 --> 00:18:47.062
So that's one word.

00:18:47.116 --> 00:18:48.278
That's not a word.

00:18:48.364 --> 00:18:49.334
Yes it is.

00:18:49.532 --> 00:18:51.390
In urban dictionary.

00:18:52.370 --> 00:18:59.850
I'm going to look for a dictionary because it's my favorite.

00:19:00.170 --> 00:19:01.200
The word is different.

00:19:01.730 --> 00:19:06.570
In that room next to ours is an official Scrabble dictionary.

00:19:06.730 --> 00:19:08.366
We can look right now.

00:19:08.468 --> 00:19:09.102
this is to be

00:19:09.156 --> 00:19:10.174
We're not going to use that.

00:19:10.292 --> 00:19:11.390
We are not using that.

00:19:11.460 --> 00:19:11.742
Well.

00:19:11.796 --> 00:19:12.014
Yeah.

00:19:12.052 --> 00:19:14.922
My favorite word has a different definition in the Urban dictionary.

00:19:15.066 --> 00:19:18.446
Yeah, I know exactly what your favorite word is and you better not say it.

00:19:18.468 --> 00:19:18.702
he.

00:19:18.756 --> 00:19:20.094
I'm not going to.

00:19:20.212 --> 00:19:21.582
It's not as bad as you think.

00:19:21.636 --> 00:19:22.510
I swear.

00:19:23.410 --> 00:19:24.720
It is not too bad.

00:19:25.050 --> 00:19:26.146
It's not, I swear.

00:19:26.178 --> 00:19:26.546
Are you sick.

00:19:26.578 --> 00:19:26.950
A game.

00:19:27.020 --> 00:19:28.646
It's also a game, actually.

00:19:28.828 --> 00:19:32.806
In fact, I can file a cabinet of words in your head.

00:19:32.828 --> 00:19:33.894
You're like, oh, of course.

00:19:33.932 --> 00:19:35.750
You always think, okay, what are they going to say?

00:19:35.900 --> 00:19:38.246
I have faith that we're going to keep it where it's supposed to be.

00:19:38.268 --> 00:19:38.774
And this is good.

00:19:38.812 --> 00:19:39.800
That's ok.

00:19:40.170 --> 00:19:43.750
Okay so Vy, what's your favorite board game?

00:19:43.900 --> 00:19:44.870
I do not know.

00:19:45.020 --> 00:19:46.374
You do not know?

00:19:46.492 --> 00:19:47.366

I don't play board games.

00:19:47.388 --> 00:19:50.686

What is a board game you know in life?

00:19:50.788 --> 00:19:53.710

Not in life, but in life I'm good at apologizing.

00:19:53.780 --> 00:19:56.302

And I always beat my brother, which is crazy.

00:19:56.356 --> 00:19:57.050

Oh my God.

00:19:57.130 --> 00:19:58.494

So what about guess who?

00:19:58.532 --> 00:19:58.778

dave

00:19:58.794 --> 00:19:59.290

Lizewski.

00:20:00.330 --> 00:20:03.566

Guys that game.

00:20:03.748 --> 00:20:05.454

No, I need to play that game.

00:20:05.492 --> 00:20:08.414

I love Guess Who has so much money, man.

00:20:08.612 --> 00:20:10.720

You are not using the actual terms.

00:20:11.090 --> 00:20:13.214

Do they look like a cat?

00:20:13.332 --> 00:20:17.274

As if they could be a character on Etsy.

00:20:17.322 --> 00:20:21.178

I saw Guess Who the other day, but it was just Paul Rudd.

00:20:21.274 --> 00:20:21.886

I want that.

00:20:21.908 --> 00:20:22.430

I want that.

00:20:22.500 --> 00:20:23.710

I was going to buy it.

00:20:23.780 --> 00:20:26.082

Please, just so we can have it somewhere.

00:20:26.146 --> 00:20:26.806

Can I own it?

00:20:26.828 --> 00:20:29.766

Because I can't cut antman's cardboard because I don't have

00:20:29.788 --> 00:20:30.166

money for it.

00:20:30.188 --> 00:20:32.950

Well, I'm sure the perks of being a wallflower are on its tail.

00:20:34.490 --> 00:20:36.390

Paul Rudd is the bat, right?

00:20:36.540 --> 00:20:37.830

Yes, he was the teacher.

00:20:38.170 --> 00:20:40.838

I want you to cut out the cardboard of the ant-man.

00:20:41.004 --> 00:20:44.774

Maybe the new Ghostbusters movie will also have a long run before it

00:20:44.812 --> 00:20:45.154

ant Man.

00:20:45.202 --> 00:20:49.222

But Paul Rudding, that this Antman concert that he's at right now is

00:20:49.276 --> 00:20:51.950

opening up to him, opening up his career to so much more.

00:20:52.020 --> 00:20:52.960

Much more.

00:20:54.450 --> 00:20:58.334

So excited for the new, of course, that's where I'm going.

00:20:58.372 --> 00:20:58.860

There is nothing wrong.

00:21:00.000 --> 00:21:02.026

Yes, it's called quantum mania and it has to do with Loki.

00:21:02.058 --> 00:21:03.200

I can be 47.

00:21:04.770 --> 00:21:11.162

Yes, kang, but he was only introduced in Loki.

00:21:11.226 --> 00:21:12.862

I never saw Loki because he looked bad.

00:21:12.916 --> 00:21:13.790

It's so good.

00:21:13.860 --> 00:21:15.022

What are you talking about?

00:21:15.076 --> 00:21:16.078

it's not that good

00:21:16.164 --> 00:21:16.782

It was ok.

00:21:16.836 --> 00:21:17.486

It was ok.

00:21:17.588 --> 00:21:19.194

I hate the concept of Loki.

00:21:19.242 --> 00:21:20.766

I hate the concept too.

00:21:20.868 --> 00:21:21.834

And me and moms.

00:21:21.882 --> 00:21:23.022

Me and me and mom.

00:21:23.076 --> 00:21:24.510

Like, she's all your mom.

00:21:24.580 --> 00:21:24.982

Me and mom.

00:21:24.996 --> 00:21:30.086

My mom constantly talks about how it's not cool that he's in love

00:21:30.108 --> 00:21:32.066

his female version of himself.

00:21:32.178 --> 00:21:32.406

Yeah.

00:21:32.428 --> 00:21:35.094

Why does he do it with a blackberry that is not him?

00:21:35.212 --> 00:21:37.618

It just means that you are learning to love yourself.

00:21:37.714 --> 00:21:40.086

Yes, I think that's how the metaphor is supposed to be.

00:21:40.108 --> 00:21:43.238

But every time they start making out in front of the villain, it's a

00:21:43.244 --> 00:21:44.082

little weird.

00:21:44.226 --> 00:21:44.534

Yeah.

00:21:44.572 --> 00:21:46.630

There's a reason I only watched Hawkeye.

00:21:46.970 --> 00:21:48.310

Hawkeye apestaba.

00:21:48.730 --> 00:21:50.330

I like Halle Steinfeld's egg.

00:21:50.410 --> 00:21:51.262

Ok, good point.

00:21:51.316 --> 00:21:52.942

Haley Seinfeld makes a good point.

00:21:53.076 --> 00:21:54.462

I just want to know why.

00:21:54.596 --> 00:21:55.130

Joseph.

00:21:55.210 --> 00:21:56.000

I'm sorry.

00:21:56.930 --> 00:21:57.866
I'm confused.

00:21:57.898 --> 00:21:58.734
You don't have to regret it.

00:21:58.772 --> 00:21:59.546
I'm confused.

00:21:59.578 --> 00:21:59.850
You are blank.

00:22:03.770 --> 00:22:05.120
Boys, boys.

00:22:06.850 --> 00:22:08.270
No plowing accident.

00:22:08.770 --> 00:22:09.502
That was crazy.

00:22:09.556 --> 00:22:10.666
Get on topic.

00:22:10.778 --> 00:22:15.486
Hey keep talking I just want to clarify that I am 47 years old

00:22:15.508 --> 00:22:16.414
And I like Ant Man.

00:22:16.452 --> 00:22:17.386
You don't have to be 14.

00:22:17.418 --> 00:22:20.160
So we left it on the man.

00:22:21.090 --> 00:22:23.182
I think you hit a sore point in Dr.

00:22:23.236 --> 00:22:24.286
Skirtic's heart.

00:22:24.388 --> 00:22:25.014
I'm sorry.

00:22:25.172 --> 00:22:25.734
I'm sorry.

00:22:25.852 --> 00:22:26.834
No, I like it, wonderful.

00:22:26.882 --> 00:22:27.750
So I'm fine with that.

00:22:27.820 --> 00:22:29.302
I could talk about Marvel all day.

00:22:29.356 --> 00:22:30.214
Antman or the others.

00:22:30.252 --> 00:22:31.350
It is fun.

00:22:31.420 --> 00:22:31.894

Exactly.

00:22:32.012 --> 00:22:33.318
It's so good.

00:22:33.484 --> 00:22:34.102
Well.

00:22:34.236 --> 00:22:38.614
However, as a North Mythology fan, I think we didn't talk about

00:22:38.732 --> 00:22:39.062
these.

00:22:39.116 --> 00:22:43.346
I think Odin B, Loki's adoptive father, is so weird because North

00:22:43.378 --> 00:22:44.722
Mythology, they were brothers.

00:22:44.786 --> 00:22:51.246
I was talking to my mom about how Loki isn't really a person.

00:22:51.348 --> 00:22:53.550
It's like a blue person, you know?

00:22:53.700 --> 00:22:55.326
And it's also in Norse mythology.

00:22:55.348 --> 00:22:56.922
I just can't remember all the terminology.

00:22:56.986 --> 00:22:58.618
But wasn't that in the original Thor?

00:22:58.714 --> 00:22:59.420
It is that too.

00:23:00.330 --> 00:23:00.606
That right?

00:23:00.628 --> 00:23:01.200
Yeah.

00:23:01.730 --> 00:23:05.930
And somehow in Loki, none of his other versions of himself are blue,

00:23:06.010 --> 00:23:09.262
which makes absolutely no sense because you would think that at least

00:23:09.316 --> 00:23:09.870
one is.

00:23:09.940 --> 00:23:11.850
They should have had the genuine Lady Loki.

00:23:11.930 --> 00:23:12.702
They should have

00:23:12.756 --> 00:23:14.494
Anyway, let's talk then.

00:23:14.612 --> 00:23:16.670
Is there a board game with Antman?

00:23:17.170 --> 00:23:21.402

I'm sure Paul Rudd can guess who the target is.

00:23:21.466 --> 00:23:23.994

They have a lot of them, there is every guess you can think of.

00:23:24.042 --> 00:23:25.558

I have a home stuck guess who.

00:23:25.644 --> 00:23:26.038

Actually?

00:23:26.124 --> 00:23:30.360

I want him to play that with you just so I can guess the wrong one.

00:23:30.890 --> 00:23:32.310

That's blue.

00:23:32.650 --> 00:23:33.942

Taylor Jonathan guess who?

00:23:33.996 --> 00:23:37.734

You should think we should take a conjecture from Jonathan Taylor Thomas

00:23:37.772 --> 00:23:39.506

who for my stepmother.

00:23:39.538 --> 00:23:41.298

It would really be by Jonathan Taylor Thomas.

00:23:41.314 --> 00:23:42.920

Name I haven't heard in a long time.

00:23:43.290 --> 00:23:46.120

Every time I think of him, I think of my stepmother.

00:23:49.290 --> 00:23:55.054

Since you don't know many board games, do you know any card games?

00:23:55.092 --> 00:23:56.062

games you play a lot?

00:23:56.116 --> 00:23:59.770

I played.

00:24:00.090 --> 00:24:02.394

No, I'm actually very bored.

00:24:02.442 --> 00:24:03.630

It is very boring.

00:24:04.210 --> 00:24:06.430

He was about to play cards against humanity.

00:24:07.730 --> 00:24:08.858

I have the real version.

00:24:08.954 --> 00:24:10.682

We have the family version in the library.

00:24:10.746 --> 00:24:11.680

That's funny.

00:24:15.330 --> 00:24:17.886

The worst part of the real version, it only has a few things.

00:24:17.908 --> 00:24:19.866
about Batman, but the real one has a lot of Batman in it.

00:24:19.898 --> 00:24:20.954
Do you remember Randy?

00:24:21.002 --> 00:24:21.646
False?

00:24:21.748 --> 00:24:22.206
Yeah.

00:24:22.308 --> 00:24:26.534
I played cards against humanity with her and her boyfriend and my mom,

00:24:26.652 --> 00:24:28.134
like two weekends ago.

00:24:28.332 --> 00:24:29.622
You should have invited me.

00:24:29.676 --> 00:24:31.078
You should have invited me.

00:24:31.084 --> 00:24:32.102
It was a wild experience.

00:24:32.156 --> 00:24:33.318
I loved that.

00:24:33.484 --> 00:24:34.600
It's so fun.

00:24:35.530 --> 00:24:36.422
Yes probably.

00:24:36.556 --> 00:24:39.270
Olive, can I say something quick?

00:24:39.340 --> 00:24:39.670
Something?

00:24:39.740 --> 00:24:40.806
Yes, 100%.

00:24:40.908 --> 00:24:43.234
Have any of you played Magic the Gathering?

00:24:43.362 --> 00:24:45.960
No, but I've always wanted to but I also have a car.

00:24:46.570 --> 00:24:48.360
Learn to play the game.

00:24:52.930 --> 00:24:54.366
That gives me an idea.

00:24:54.548 --> 00:24:57.070
So does DND count as a board game?

00:24:57.140 --> 00:24:58.960
Yes I think so.

00:24:59.410 --> 00:24:59.820

In case.

00:25:00.330 --> 00:25:02.894

None of you know, because I don't think we've talked about it.

00:25:02.932 --> 00:25:09.230

We don't have me, Maddie, Joe Bland and Ronald Google.

00:25:09.380 --> 00:25:10.318

Ronald Google.

00:25:10.404 --> 00:25:14.382

We're all in a DND group together, and we have, like, three different

00:25:14.436 --> 00:25:18.526

campaigns, but our main campaign, I'm the DM, and we haven't played in

00:25:18.548 --> 00:25:18.910

A while.

00:25:18.980 --> 00:25:22.986

So if you do launch a DND, are you familiar with the Risk game?

00:25:23.018 --> 00:25:23.518

also?

00:25:23.604 --> 00:25:25.414

Oh, I actually of that.

00:25:25.452 --> 00:25:27.014

I've heard of it, but never played it.

00:25:27.052 --> 00:25:31.446

My cousin, who is obsessed with WWII in a good way, actually

00:25:31.548 --> 00:25:36.854

interested, not like propaganda, he's, like, obsessed with Risk, and I

00:25:36.892 --> 00:25:39.490

I won't play it with him because he gets intense.

00:25:39.570 --> 00:25:42.840

Well, it's intense, but it also takes hours and hours.

00:25:43.370 --> 00:25:44.246

What's that?

00:25:44.348 --> 00:25:45.846

A significant amount of time.

00:25:45.948 --> 00:25:47.654

My game as Risk on PS 3.

00:25:47.692 --> 00:25:48.502

The war game?

00:25:48.636 --> 00:25:48.886

Yeah.

00:25:48.908 --> 00:25:51.214

What's that game with the blue boys and the blue boys and the red boys?

00:25:51.252 --> 00:25:52.942

And it's like Risk, but it's on a board.

00:25:52.996 --> 00:25:53.658
Battleship.

00:25:53.754 --> 00:25:54.878
No, it's on a board.

00:25:54.964 --> 00:25:56.880
No, it's on a board.

00:25:59.410 --> 00:25:59.820
They looked.

00:26:00.890 --> 00:26:02.078
Do you know what Yatmo two is?

00:26:02.164 --> 00:26:02.942
Yeah.

00:26:02.996 --> 00:26:03.946
My brother plays.

00:26:03.978 --> 00:26:06.958
It has, like, little they look like little and they're like

00:26:07.044 --> 00:26:10.766
Okay, so you know the pieces in Candyland and how they are, like,

00:26:10.788 --> 00:26:11.370
supports?

00:26:11.450 --> 00:26:14.174
So are these little blue and red pieces.

00:26:14.372 --> 00:26:15.150
Where are you?

00:26:15.220 --> 00:26:15.550
That?

00:26:15.620 --> 00:26:17.370
I had never played candy land.

00:26:17.530 --> 00:26:18.510
Oh Lord.

00:26:18.580 --> 00:26:20.122
How did we miss that before?

00:26:20.186 --> 00:26:22.282
There are no words to describe how disappointed.

00:26:22.346 --> 00:26:24.074
I don't even have disappointment.

00:26:24.122 --> 00:26:26.482
I'm someone in Candy Land tomorrow.

00:26:26.626 --> 00:26:28.038
I don't have Candy Land.

00:26:28.204 --> 00:26:29.430
I don't have sweets

00:26:29.850 --> 00:26:32.726
I think we should do a version of Candyland, but it should be

00:26:32.748 --> 00:26:33.362

pickle chips

00:26:33.426 --> 00:26:36.598

I think it should be, like, inside jokes, and then all the

00:26:36.604 --> 00:26:37.414

the characters are us.

00:26:37.452 --> 00:26:38.760

It was very funny.

00:26:39.370 --> 00:26:41.398

Can we go back to D and D?

00:26:41.404 --> 00:26:42.600

Can I talk about a game?

00:26:43.850 --> 00:26:46.774

So let's talk about the wolf for a second.

00:26:46.892 --> 00:26:47.590

Chase.

00:26:48.010 --> 00:26:49.042

Avocado baby.

00:26:49.106 --> 00:26:50.266

Avocado baby.

00:26:50.418 --> 00:26:58.160

So, in the tradition of this DND campaign, ronald's Google owned a wolf that

00:26:59.330 --> 00:26:59.740

They got.

00:27:00.090 --> 00:27:01.326

Because they were what were you?

00:27:01.348 --> 00:27:02.734

You were a ranger, right?

00:27:02.852 --> 00:27:06.094

And you said, hey, Woodsland animal, come here.

00:27:06.132 --> 00:27:08.046

And then it was like, now I'm your pet.

00:27:08.148 --> 00:27:18.960

Anyway, Ronald Google skinned that wolf and the wolf, oh yeah.

00:27:22.610 --> 00:27:27.282

I said Ronald Google Chase whose name was Chambs because he's bland

00:27:27.346 --> 00:27:29.510

and I can't think of anything original.

00:27:30.250 --> 00:27:31.654

That's how the name came about.

00:27:31.772 --> 00:27:33.318

I know, I've told that story.

00:27:33.404 --> 00:27:34.630

Board games, the latest.

00:27:34.700 --> 00:27:36.306
Wow Modi.

00:27:36.418 --> 00:27:37.590
My favorite board game.

00:27:37.660 --> 00:27:41.238
I'm going to have to just say cards in general.

00:27:41.324 --> 00:27:41.960
Well.

00:27:42.730 --> 00:27:43.286
in

00:27:43.388 --> 00:27:44.786
Did any of them break the ice?

00:27:44.818 --> 00:27:45.558
I hate rest.

00:27:45.644 --> 00:27:46.226
Oh my God.

00:27:46.258 --> 00:27:47.666
That game is very weird.

00:27:47.778 --> 00:27:51.760
It's such a maddened poker, too.

00:27:52.530 --> 00:27:54.030
Turn on your microphone.

00:27:54.530 --> 00:27:55.342
It's in.

00:27:55.396 --> 00:27:56.394
No, it's poker.

00:27:56.442 --> 00:27:57.040
Well.

00:27:58.690 --> 00:27:59.850
You don't have that budget yet.

00:28:00.330 --> 00:28:02.782
But I think I accidentally lowered my and turned it off.

00:28:02.916 --> 00:28:03.790
Anyway.

00:28:04.690 --> 00:28:05.760
We did not.

00:28:06.370 --> 00:28:12.154
Come on, hurry up, bananagram.

00:28:12.202 --> 00:28:13.706
I don't want to talk to the hip.

00:28:13.898 --> 00:28:14.830
Talk to the hand.

00:28:14.900 --> 00:28:16.346
Talk talk to the worm.

00:28:16.538 --> 00:28:17.642
Talk to the worm.

00:28:17.706 --> 00:28:18.650
Talk to the worm.

00:28:18.730 --> 00:28:20.106
Talk to the worm.

00:28:20.298 --> 00:28:21.226
I talked to the worm.

00:28:21.258 --> 00:28:21.902
I do not want to talk

00:28:21.956 --> 00:28:23.482
My favorite is poker.

00:28:23.546 --> 00:28:26.114
So that's our episode for today, folks.

00:28:26.162 --> 00:28:26.726
oh wait

00:28:26.828 --> 00:28:27.926
Hey, does that sound good?

00:28:28.028 --> 00:28:30.822
I'm going to forget you had a microphone.

00:28:30.876 --> 00:28:33.090
Now his favorite board game is chess.

00:28:33.170 --> 00:28:33.874
Yes, it's chess.

00:28:33.922 --> 00:28:38.086
There is no anyway, Ailey, let me say this because I have to go to

00:28:38.108 --> 00:28:38.754
another meeting.

00:28:38.802 --> 00:28:41.462
But I just want to say something because you, I want to tell you

00:28:41.516 --> 00:28:44.742
I listened to many talk radio shows over the years and different

00:28:44.796 --> 00:28:45.746
podcasts

00:28:45.858 --> 00:28:50.350
But I will say as I sit here and listen to the six of you interact,

00:28:50.420 --> 00:28:53.520
It's obvious you've spent a lot of time together.

00:28:54.530 --> 00:28:55.280
Yeah.

00:28:56.850 --> 00:28:59.918
On many occasions you know what the other is going to save if

00:28:59.924 --> 00:28:59.980
are.

00:29:00.090 --> 00:29:03.006
Either you say it, or you're like they're feeling sorry for each other and

00:29:03.028 --> 00:29:06.446
having fun and supportive, but it is very evident that you spend a lot

00:29:06.468 --> 00:29:09.006
of time together and you have talked about many things, and I

00:29:09.028 --> 00:29:10.014
I congratulate you all for that.

00:29:10.052 --> 00:29:14.414
Stop, number one, following a passion you enjoy, jumping here

00:29:14.452 --> 00:29:16.878
and doing a podcast in middle school for the first time with the

00:29:16.884 --> 00:29:17.374
help of Mr.

00:29:17.412 --> 00:29:19.882
Hayman, but also, most importantly, be yourself.

00:29:19.946 --> 00:29:22.366
I think that's great, and I appreciate the opportunity to be here,

00:29:22.388 --> 00:29:25.926
and I keep listening every time the new Pod podcast comes out, I

00:29:25.948 --> 00:29:28.678
get to hear bits of it so keep it up, and i'm proud of it all

00:29:28.684 --> 00:29:32.982
of you, and thank you for the time that comes today.

00:29:33.116 --> 00:29:34.422
We all talk here.

00:29:34.476 --> 00:29:35.926
Ailey, you start.

00:29:36.108 --> 00:29:36.550
Well.

00:29:36.620 --> 00:29:39.158
I appreciate every oh my gosh.

00:29:39.244 --> 00:29:41.298
Every sentence he said was appreciated.

00:29:41.394 --> 00:29:42.742
The entrance was nice.

00:29:42.876 --> 00:29:43.798
Thank you.

00:29:43.964 --> 00:29:44.966
Thanks for coming.

00:29:45.068 --> 00:29:46.166

Yes, thanks.

00:29:46.348 --> 00:29:47.046
Thank you.

00:29:47.148 --> 00:29:47.734
I love it.

00:29:47.772 --> 00:29:50.446
And this is the part that I probably enjoy the most, is getting to

00:29:50.468 --> 00:29:51.770
see them all in their element.

00:29:51.850 --> 00:29:54.746
And sometimes that is not noticeable in classes because you are focused

00:29:54.778 --> 00:29:57.258
in the curriculum or the content or the discussions, but you are

00:29:57.274 --> 00:29:59.900
sitting here just being you, each one of you, and what you bring to the table.

00:30:00.090 --> 00:30:00.766
Wired, and I love it.
