

Transcription of Feb 24 2023 Video Message

Hello Kahok Nation. I'm Superintendent Brad Skertich.

I'd like to draw everyone's attention to the Collinsville Community Unit School District #10 YouTube page to watch the inductees videos for the 2023 inaugural class into the district's Hall of Fame.

And as you watch these videos of our distinguished alumni, community members, students and volunteers - for their personal and professional careers - please keep in mind, as they gave their acceptance speeches, or those that represented them that evening did, they were very conscientious to point out and compliment their teachers, their coaches, their principals, as well as their community and their families. And those are some of the things that make our district special. So please keep that in mind, it's something we're very proud of.

Additionally, February is winding down and so is winter, and we'll quickly be approaching spring. But that doesn't change the fact, if anyone - students, family members or community members - has any questions, concerns or anything they would like to raise awareness to, please contact our staff. We are here to help.

I want to remind everyone: there is no school on March 6th, in honor of Casimir Pulaski Day.

Last, before I close today, I want to remind everyone that the Collinsville High School Band has their annual spaghetti dinner this Saturday from 11am until 7pm. This is a great way to come out and show support for our band boosters, our band program, and also have a great meal with family and friends. And if you're not able to sit and have dinner, please come and take carry-out.

Thank you for your constant dedication to our students. Don't forget to wear your purple and show your Kahok Pride!
