

## October 25, 2023 Video Transcript

**Dr. Skertich:** Hello Kahok Nation. I'm superintendent Brad Skertich.

We want to thank all of our community members and families who took the time to come and tour our district facilities and learn about our critical needs.

We are asking the remainder of our community and parents who were not able to attend, to please visit [kahoksconnect.com](http://kahoksconnect.com) and watch the six minute video that was released earlier this week.

In addition to that, there will be a short survey that takes around 3-5 minutes. It is vital that we get your input regarding this information and our future steps with our facilities.

With November quickly approaching, I want to remind all of our families that there will be no school on November 10th in observance of Veterans Day.

In addition to that, with the arrival of November, that means the holiday season is upon us, and our lives will be twice as busy as normal. If any of our families need assistance or help, please do not hesitate to reach out to our teachers, our principals or our counselors. This is an exciting time of year, but it's also a very challenging time of year.

And with that, I want to introduce Lizeth Jimenez, our community outreach coordinator, to discuss some of the services and programs that are offered in her role throughout the district.

**Lizeth:** Hi. My name is Lizeth Jimenez and I'm the district's community outreach coordinator. Please don't hesitate to reach out if you ever run into any kind of insecurity, such as clothing, shoes, supplies or any other kind of help.

The ways to contact me are by calling the district office at 610-346-6350 or finding me on Facebook at the Kahok Community Project.

*[In Spanish: I speak Spanish.]*

**Dr. Skertich:** Last, I want to congratulate the boys' soccer team on securing their fourth southwestern conference championship in a row, as well as securing the regional championship against Edwardsville this past weekend. Please wish the boys the best of luck as they continue postseason play.

In addition to that, I want to complement the high school boys football team for qualifying for the playoffs for the third consecutive year. Good luck boys this weekend in playoffs.

Thank you for your constant dedication to our students. Don't forget to wear your purple and show your Kahok Pride!
