3. REPORTS

Superintendent's Report

Dr. Bannon reported that the district is moving forward with the Reopening Plan. There were three Zoom parent meetings and two Zoom teacher meetings. We put out 4 FAQs, Questions and Answers, so parents could ask questions, and the district provided them with answers. At this time 20% of the population has chosen 100% remote learning. There was a deadline to complete a form requesting 100% remote learning. This was done so it gave time to compile a list and start setting up classrooms. We are now compiling a waiting list. At every meeting we had encouraged parents to reach out to Mrs. Sheridan with any questions or concerns.

As of last week, the Principals are back and taking questions from families at a building level. The buildings are open for teachers to come in to pack up their classrooms as only the students' desks will fit in the room.

The Custodial staff is doing a great job getting the buildings ready. At the Middle School the Home Ec. rooms are getting a much needed update. All the work is being done by our staff.
