Part 200.5(3) of the Commissioner's Regulations requires the appointment of parents who may serve as surrogates, acting on behalf of children suspected of having a disability in the event that the student's parent(s) or guardian(s) are unknown, or when, after reasonable efforts, the Board of Education cannot discover the whereabouts of a parent, or where the student is a ward of the State. Persons selected as surrogates shall not be officers, employees or agents of the local school district or State Education Department or other agency involved in the education or care of the student. Such persons should also be generally familiar with the educational options available to students with disabilities.

I am recommending that the following parents, who have served as parent members of the Committee on Special Education, be re-appointed to the list of surrogates:
