Superintendent's Report

We are maintaining Kindergarten class sizes at 22-23 students per class, which is where we want it to be. The street naming for Anthony Cipriano was yesterday. It was very well attended and was a celebration in his honor. Rich Schaeffer will sponsor a \$1,000 scholarship in Anthony's name. It was great to see how the teachers, staff, and community along with his family came out to support this cause. We are currently working on naming the high school wrestling room in his honor. We are back to having assemblies in the schools, but still don't want to pack people in. Transportation is going well now. A lot of new teachers were hired and all is going well.
