I. BUDGET GOALS

BUDGET DEVELOPMENT MISSION STATEMENT

The Copiague School District believes that we exist to serve the needs of our community of learners. Each student is unique and comes to us a learner. The district's mission is to provide instruction, programs, strategies, and challenges in a caring, positive learning environment. The budget development process will support the goals of the Board of Education which reflect the vision, philosophy, and beliefs of our district and community. Through sound fiscal management and strategic planning, the following goals will be realized:

BUDGET GOALS 2021-2022

- Provide facilities for students, employees, and the community that are safe, well maintained and conducive to the activities of the district.
- Continue the review of existing Instructional Programs, Administrative Support Services, and all co-curricular and inter-scholastic activities to evaluate equity and efficiency in determining their continuation or modification.
- Actively seek out new revenue sources and implement cost containment strategies (including an energy performance contract) to minimize the tax burden and broaden student programming.
- Where possible, continue the process of rebuilding Fund Balance/Reserves.
- Keep total budgetary and tax rate increases in line with Board of Education and community expectations.
- Present a budget for voter approval that:
 - Provides full disclosure
 - Is easy to understand
