

COPIAGUE SCHOOL SAFETY AND SECURITY

MISSION STATEMENT- the Department of School Safety and Security aligns and coordinates the Copiague School District's efforts to ensure and maintain the safest environment possible to maximize academic achievement and provide for the safety of our students, staff, visitors and physical assets. We achieve this in the following ways:

- ✓ Maintain and consistently strengthen our Emergency Management Plan
- ✓ Regularly communicate and coordinate with local, state, and federal agencies with respect to safety and security planning and response
- ✓ Monitor the use and effectiveness of Safety and Security resources and assets
- ✓ Continually assess existing policies, procedures, and processes to identify additional needs required for a safe working/learning environment for students, staff, and visitors
- ✓ Regularly convene the School Safety Task Force to make advisory recommendations relative to school safety and security
- ✓ Maintain a School Safety Action Plan which includes annually updated goals and accomplishments
