### Olivia D'Alessandro

Class of 1955

Libby completed elementary school at the Great Neck Road School before Copiague High School was a reality. She received her B.S. in science from St. John's University majoring in biology. She earned her Master's Degree in education from Hofstra University shortly after joining the Copiague High School faculty in 1961. Libby has been Chairperson of the Science Department since 1967. Respected by students and faculty, she has received two yearbook dedications and has been recognized by earning the Outstanding Educator of America Award in recognition for her service to children. Libby is profoundly committed to her students, school and the Copiague community.
