Lt Col Susan Brown Golding

Class of 1968

A graduate of Copiague High School in 1968, Susan received her B.S. in Education from Northwest Missouri State University in 1973, returning to Copiague as a teacher and coach. Some of her fondest memories are of the fine young students and athletes she worked with during her five years here.

Commissioned in the United States Air Force in 1980, she lived in Colorado, Michigan, Alabama, Guam and Southern California. As a Logistics Analyst with Boeing Military Airplanes, she received many accolades including one from Spanish Air Force Generals for the King of Spain's aircraft modification program. She became the youngest munitions division chief in Headquarters Strategic Air Command history and was the leading munitions spokesperson for *Operation Desert Storm*. She was selected as the Executive Officer to the Director of Logistics of Air Combat Command. Most recently, she was selected as the 386th Expeditionary Logistics Squadron Commander at Ali Al Salem Air Base, Kuwait, the Air Force's most forward deployed base just thirty-nine miles from the Iraqi border.

Sue has been married to Colonel George W. Golding for fourteen years.

“Aim high – soar as high as your dreams will take you.”
