Leslie Diestler

Class of 1966

A native of St. John's NFD, Canada, Leslie moved to Copiague for her senior year. The faculty opened their hearts and made her senior year memorable. From riding a horse on the senior trip to acting in the senior play, it was truly exciting. Leslie attended Texas A&M University where she earned a BS in Psychology. She traveled extensively and met many wonderful people. Leslie returned to Copiague to raise her son Eric. Becoming involved with the young people of Copiague, she participated in PTA, Scouting, Copiague Youth League Soccer, Marching Band and most recently the High School Play. Although her work as the Transportation Supervisor for Newsday keeps her busy, she is fulfilled by family, friends and the sense of community. Her volunteering has enriched the lives of many and has been a model for students.

"In Every Life there is a Vision, Let Yours Begin in Copiague."
