### William A. Crothers Jr.

Class of 1974

Billy's determination to excel in sports led the way for his success in high school. His teachers and coaches were instrumental in introducing him to the world of baseball and football. His passion for sports allowed him to develop into a successful coach. For his dedicated service to the Copiague Youth League, he was inducted into their Hall of Fame. His leadership skills, developed in high school, paved the way for a supervisory career in the airline industry. Not entirely fulfilled, Billy joined the Copiague Fire Department. Over the years he has answered over 5000 calls for assistance. He is a former Fire Chief and a Suffolk County Deputy Fire Coordinator. Billy married his high school sweetheart, JoAnn Spinella, and resides in Copiague with his two daughters, Christine and Alicia.
