Dr. Yvette Surline Weber

Class of 1984

Yvette has special memories of the teachers who encouraged her and her very supportive family who gave her the love of learning. Graduating as Valedictorian from Copiague High School, she graduated the Polytechnic University at Farmingdale Campus with a B.S. in aerospace engineering. She continued her studies in high speed aerodynamics earning a Master's and Ph.D. from the University of Maryland. Dr. Weber works for the Air Force as a researcher in aerodynamics and computational electromagnetic, and does applied research in propulsion and weapons integration serving as Chief of the Uninhabited Air Vehicle Focus Area of the Air Vehicles Directorate of the Air Force research lab. She lives in Dayton, Ohio with her husband and two sons.

“Set your goals high, than work hard, and above all else, trust God.”
