KEN URBAN

Class of 1993

Ken has been the manager of a real estate law firm in Syosset for the past 15 years. He is also a Senior Litigation Specialist for highly contested and complex matters throughout New York State. He also serves as the IT Specialist managing the infrastructure of the firm.

Ken has held various positions in the Deauville Gardens PTA, Copiague Middle School PTA and is the current President of the Walter G. O'Connell Copiague High School PTSA. He also sits on the Board of the newly formed Playhouse Partners that raises funds for scholarships for seniors of the high school who participate in the amazing music and theater programs. He also volunteers for numerous other organizations throughout the year helping out as needed.

For the past eleven years, Ken has served as the President of the Copiague Youth League Baseball/Softball program. He coordinates the registration, team building, practice and game schedules, uniforms, safety equipment, coaches, awards night and an enormous amount of behind the scenes dealings for all kids who play with the CYL, ages 4 to 18. For the past nine years, he has served as the Treasurer of the District 34 Little League that manages 16 towns within Suffolk County. Through this organization, he also organizes an annual fundraiser that raises money to allow special needs children to play youth sports at no cost to them through the Challenger Program. Ken is also the Director of the District 34 Invitational Tournament that allows all levels of children to play tournament style baseball/softball from ages 8 to 16. This 100 plus team tournament is the largest of its kind in New York State and runs from June through August. Through this organization, he has had the honor to work along-side some wonderful people. In 2008 District 34 lost Joan Bosinius, a wonderful person who also worked for our children. Ken now sits on the Board of Directors of a Scholarship Fund set up in her honor to help young adults with college expenses.

Ken is a lifelong resident of Copiague. He and his wife of 21 years, Ginny, graduated in 1993 and have raised their two daughters, Ali and Kayla here in our community and school district. The most important part of life is being cheerleader and supporter of the three women in his life.
