Viscel managed, wrote for and produced artists seeking record deals and bands that played New York City. She earned a B.S. in Business Management and Economics with dual majors of Public Administration and IT Management from SUNY Empire. For the past 30 years she has worked at ADP. When Viscel is not spending time with her children Sean and Kyra, she is volunteering. She was recognized as a Woman of Distinction, is a trustee at her Bethel AME Church, serves as Director of Bethel's Young People's Division, volunteers on Friday nights for the Youth Night program at Bethel AME and conducts workshops on the importance of voting and civic engagement.
