#### About This School

##### School's Mission Statement

Los Amigos School is dedicated to empowering the whole child through creative well balanced instruction.

##### Principal's Message

Los Amigos means "the friends," and we are committed to partnering with our parents and community in creating a friendly, caring school. As a staff, we continually develop ways to improve academic learning opportunities for every student. We analyze test scores, develop instructional strategies, and work on ways to refine the curriculum. Each teacher is prepared to teach all subjects in an interesting and motivating way. They are committed and dedicated to providing every child with a quality education. The school provides the environment and the opportunity to learn, and the parents provide the encouragement and support necessary to take advantage of these learning opportunities.

Research shows that the most important variable in a child's success in school is the parents' involvement in the child's education. Parents are a child's first and best teacher and set the tone for lifelong success by the values taught in the home:

- The value of wanting to learn what is being taught
- The self-discipline to practice it over and over again to know it
- The guidance to always do their best work
- The attitude that if at first, you don't succeed, try, try, try again
- The belief that their education is a priority in their life
- Being organized, and neat in their work
- Being a responsible worker

Our parent community is supportive of the school, and we work hand in hand to create an environment that sets high standards of achievement and nurtures the learner within.

##### School Description

Los Amigos School, located in the southwestern portion of the City of Rancho Cucamonga, is one of four schools in the Cucamonga School District. Los Amigos serves approximately 600 students from a State Preschool through 5th grade.

### Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

<b>*Total Teacher Misassignments</b>	<b>0</b>	<b>0</b>	<b>0</b>
<b>Vacant Teacher Positions</b>	<b>0</b>	<b>0</b>	<b>0</b>

**Note:** “Misassignments” refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners (EL).

### Special Programs

**Gifted and Talented Students**—are identified twice a year. GATE students are clustered, and teachers differentiate instruction in the classroom to meet their needs. An afterschool program and several field trips emphasize a STEAM focus for the identified GATE students.

**At-Risk Students**—are identified using multiple measures and are served in several ways. The Title I program works with each grade level to provide 30-45 minutes a day where the students are ability grouped to receive remedial or enriched instruction from the grade level teachers, the RSP teacher, an instructional assistant, and the Title I staff.

**English-Language Learners**—are identified on the ELPAC test each year. Students receive 30 minutes of ELD instruction with the classroom teacher. Students who do not meet their targeted growth work in a remedial program with an intervention teacher.

**Students with Disabilities**—are identified and served by an RSP teacher, an SDC teacher, and instructional assistants who work on their areas of need to meet their IEP goals.

### After-School Programs

- Los Amigos works with our teachers to provide after school enrichment classes for Kindergarten – 5<sup>th</sup>-grade students, including Glee, Sports, Technology, Coding, Community Service, Photography, and Theater.
- Los Amigos works with our teachers to provide after school intervention classes for 1<sup>st</sup> – 5<sup>th</sup>-grade students that focus on various foundational skills in both language arts and math.
- The Think Together Program provides after school instruction, enrichment, and physical fitness five days a week for grades K-5.

## SCHOOL ACCOUNTABILITY REPORT CARD

### Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2020-21)

All students are afforded Standards-based quality textbooks and materials. Funds are available for the purchase of consumable texts, additional books, technology support materials, and updates as needed. All students have access to our school library where resources are available to support and augment the school program.

Materials such as math manipulatives, core literature, and leveled reading books are also utilized in the instructional program. In addition to the regular core program, our Special Education program is using a variety of supplemental research based intervention programs. All students in the district have access to the Visual and Performing Arts program. All classrooms have access to an LCD Projector, DVD Player, document camera, TV, computer and the internet.

The Board of Trustees has formally adopted the State recommended content standards for Reading/Language Arts, Mathematics, History/Social Science, Science, and English Language Development. Teachers and parents are provided with a listing of grade-level specific content standards. Standards-aligned and state-adopted instructional materials are provided for all students in all these content areas. These materials are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, and history-social science. Supplemental instructional materials to support the transition to the Common Core State Standards have been purchased for all grade levels. Professional development, assessment and program monitoring are provided to ensure teachers are effectively using the adopted content standards to guide instruction and to improve student achievement.

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding the sufficiency of textbooks and instructional materials for fiscal year 2020-2120 pursuant to Education Code Section 60119 and 60422(b) was done on **September 24, 2020** at a Regular Board Meeting . All students, including English Learners have been provided a textbook or instructional material to use in class and take home.

## SCHOOL ACCOUNTABILITY REPORT CARD

### Technology

Every kindergarten through second-grade students have an assigned iPad tablet, and every third through fifth-grade students have an assigned Surface Pro tablet that is used for daily instruction in their classrooms. All devices are connected to the internet for research and information. Classrooms are equipped with PC computers, laptops, printers, document cameras, and projectors. The access is screened through a firewall system monitored by the San Bernardino County Superintendent of Schools. All students and employees who use computers are required to sign Internet Use Agreements. Students go through training on technology use and etiquette from our site Technology Coach and their classroom teacher.

### School Facilities

#### School Facility Conditions and Planned Improvements

Los Amigos Elementary School opened July 1, 1980. The multipurpose room, playground, and front office remodel began in 2011-2012 with a completion date of December 2012. The next phase started in January of 2013, which included replacing 14 existing portable classrooms with 14 permanent classrooms. The parking lots and surrounding landscaping were also updated. The completion date was August 2014.

Every teacher has adequate classroom space. The playground

has been upgraded with new concrete and has a large area for tetherball, basketball, four-square, and handball. The grass area is large enough for kickball, soccer, and playing catch. Our equipment is supported by wood chips that cushion a slide, swings, and hanging bars. The staff lounge is located upstairs where teachers have space to eat. The workroom is stocked with a copier, laminator, cutting boards, and a dye cut machine. Cucamonga School District has implemented safety entrances at each of the sites that are designed to limit the number of visitors on campus. All entrance points are checked to ensure they are locked and secured during school hours. Lockdown buttons have also been installed at each of the sites that will direct staff and students to the nearest safe area. Lastly, two visitor management systems will be piloted to ensure visitors aren't listed under the nationwide sex offenders list.

Each of the sites also has a safety team that meets once a month and conduct a site walkthrough to survey the campus of any safety hazards/violations that may be visible. This team also reviews the safety plan annually and practices and emergency drills once a month.

#### Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The principal works

#### School Facility Good Repair Status (School Year 2020-21)

To determine the condition of our facilities, our district sends experts from our facilities team to inspect them. They use a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the inspection which took place on **July 17, 2020**. Since that time, conditions may have changed as repairs needed have been addressed through the district's work order system, and have either been completed or are currently a work in progress depending upon the size of the project. On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. At the time of publishing, a facilities inspection had not been conducted for the 2020-21 school year as this site was not offering in-person instruction due to COVID-19. A visit will be conducted once the site resumes in-person learning.

daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district takes efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or at the District office.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The most recent inspection took place on July 17, 2020.

### Pupil Outcomes

#### California Assessment of Student Performance & Progress Results for all Students

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Note:** The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

### Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement

**Contact Persons:** Our Parent Liaison, Valeria Aguilera; ELAC, Silvia Elvis; SSC, Victoria Rigney

**Phone Number:** (909) 982-8387

Parents are an integral part of student success. Studies show that when parents participate in their children's education, their children do better in school. Our parent, liaison, works hard to recruit volunteers, as does our whole staff. Parents are also active in monitoring student homework and working collaboratively with teachers to improve the quality of their children's education. We believe that parent involvement is a necessary component in making the vision of our school plan work. Our parents help teach dancing in after school programs to give students increased opportunities.

#### Average Class Size and Class Size Distribution Elementary

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2017-18			Avg. Class Size	2018-19			Avg. Class Size	2019-20					
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*

dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. A copy of the plan is available for inspection by the public at each school.

To ensure a safe and orderly environment for all students, safety, and disaster preparedness plans are in place. School rules are firmly and fairly enforced. The safety and cleanliness of school facilities at Los Amigos Elementary School are of critical importance. Our staff is continuously on the alert to ensure that our school is a safe place for students. A committee walks the campus for a safety inspection once a month. Students are encouraged to keep the campus clean.

### Attendance

Research shows that school achievement correlates highly with school attendance. Lost days mean that students miss out on learning, and schools receive less money, which results in reduced services to the students. Attendance is closely monitored. Programs which reward good attendance and remediate poor attendance include recognition at assemblies, certificates, our Attendance Recovery Saturday Program, the Student Attendance Review Team and the County Student Attendance Review Board. The staff, parents and students at Los Amigos Elementary School are working together to maintain a high percentage of attendance.

### Scheduling

Supervision starts at 7:55 a.m., twenty minutes before school starts and ends at 3:05 p.m., fifteen minutes after school is out. Teachers, assistants, and proctors all serve duty throughout the day. The gates around the school are all locked while students are on campus, and all visitors must come through the office. Visitors must present proper identification, sign in, and out at the front desk and then are given a sticker to wear on campus.

Number of school days dedicated to Staff Development and Continuous Improvement	131	120	114

Continuous growth and refinement of our skills to help students be successful is the single most important thing we can do to improve the achievement levels of all students. Cucamonga School District is committed to providing quality professional development opportunities for all employees certificated and classified, so this can happen. We provide professional development that is part of a comprehensive effort to ensure high levels of learning.

During the 2020-2021 school year, the focus of Cucamonga School District Staff Development was in the areas of Professional Learning Communities and Common Core State Standards. Teachers were invited to participate in 5 release days of collaborative learning that focused on formative assessment strategies, technology integration, instructional strategies, Common Core State Standards, Structured Teacher Planning Time, and building of content knowledge. Lesson study demonstrations and coaching were provided through three subject areas: ELA, Math, and NGSS. The foundation of the Positive Behavioral Intervention System (PBIS) was also continued upon through professional development. This year, teachers were also given the opportunity to select PD trainings from a list of suggested trainings that align with the districts vision.

## SCHOOL ACCOUNTABILITY REPORT CARD

### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
