Mission Statement

Together, we empower all students to achieve excellence in learning.

Vision

At **THE ONTARIO CENTER SCHOOL** we will...

- collaborate
- engage
- involve
- motivate
- expect

That all students learn through the use of researched based strategies.

THE ONTARIO CENTER SCHOOL staff engages in PLC discussions where the specific needs of our students are addressed to help ensure higher levels of learning for all students.

Teachers at **THE ONTARIO CENTER SCHOOL** will provide multiple opportunities for students to learn and be prepared for college and career readiness.

At **THE ONTARIO CENTER SCHOOL** we hold ourselves accountable for mastery of higher levels of learning in our classrooms through the use of formative assessment data and research validated assessment tools.

Excellence at **THE ONTARIO CENTER SCHOOL** is the responsibility of all teachers, students, families and school administration.

School Description

The school serves approximately 700 Students in grades Preppie kindergarten through fifth grade. The student population and community are both culturally and economically diverse. Our students and their families are welcomed by a highly talented and dedicated staff who strive to deliver the best possible education to all students with the California State Standards being the focus of all instruction and assessment. A variety of programs and services are offered to meet the different learning needs of the students. There is a focus on early intervention programs in order to support student success.

Principal's Message

Hello Eagle Family,
Welcome to the 2021-2022 school year! We hope you are doing well. As your new principal I can promise you that our team at The Ontario Center School will do our very best to make learning fun and lay the foundation for your child to meet or exceed the expectations of our *Portrait of a Graduate*.

Thank you for your time and support. If you need anything please do not hesitate to email me at: jmuniz@cuca.k12.ca.us.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2021-22)

All students are afforded Standards-based quality textbooks and materials. Funds are available for the purchase of consumable texts, additional books, technology support materials, and updates as needed. All students have access to our school library where resources are available to support and augment the school program.

Materials such as math manipulatives, core literature, and leveled reading books are also utilized in the instructional program. In addition to the regular core program, our Special Education program is using READ 180, as well as a variety of supplemental research-based intervention programs. All classrooms have access to an LCD Projector, DVD Player, document camera, TV, computer, and the internet.

The Board of Trustees has formally adopted the State recommended content standards for Reading/Language Arts, Mathematics, History/Social Science, Science, and English Language Development. Teachers and parents are provided with a listing of grade-level specific content standards. Standards-aligned and state-adopted instructional materials are provided for all students in all these content areas. These materials are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, and history-social science. Supplemental instructional materials to support the transition to the Common Core State Standards have been purchased for all grade levels. Professional development, assessment and program monitoring are provided to ensure teachers are effectively using the adopted content standards to guide instruction and to improve student achievement.

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding the sufficiency of textbooks and instructional materials for fiscal year 2021-2022 pursuant to Education Code Section 60119 and 60422(b) was done on **September 23, 2021** at a Regular Board Meeting.

- Teacher observations
- Common Formative Assessments
- District benchmarks and assessments
- Standardized test

School Facilities

School Facility Good Repair Status (School Year 2021-22)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on **September 21, 2021**. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	Extension cord is being permanently used in more than one room. Eight light panels are out or extremely dim & two light switches do not work in the library/media center (all electrical deficiencies repaired 9/29/2021).
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	Soap dispenser broken/loose from the wall in one room (repaired 9/30/2021). Strong urine odor in one RR. Faucets need adjustment in several rooms (repaired 9/29/2021).
Safety: Fire Safety, Hazardous Materials	Good	Air freshener plugged in in more than one room (removed 9/29/2021). Cleaning supplies improperly stored in more than one room (removed 9/29/2021).
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Exterior door lock needs replacement or adjustment in one room (repaired 9/29/2021).
Overall Rating:	Good 97.6%	

Reporting student progress to staff, students, parents and the school community is disseminated in one or more of the following ways:

- Parent conferences
- CAASP Test Scores
- Report cards
- Websites
- Phone calls and emails

GATE Students – The Gifted and Talented Education Program (GATE) is offered within the general education setting with differentiated instruction provided to students.

At-risk Students – At-risk students are serviced through interventions provided by the general education classroom teacher, the Title I Teacher, Resource Specialist Teacher, and NCLB compliant paraprofessionals. Students that are identified as at-risk are provided extended learning time within the regular instructional day as well as after-school remediation programs. The school uses a block schedule model which includes “Team Time” and utilizes Response to Intervention protocols.

English-Language Learners—Students who are identified as English Learners receive a minimum of 30 minutes per day of ELD and/or SDAIE instruction with the regular classroom teacher. The Title I program supports ELD services when applicable. English Learners who are not progressing or who are at levels 1 or 2 on the CELDT (California English Language Development Test) receive additional services with our English Language Resource Teacher.

School Facility Conditions and Planned Improvements

The Ontario Center School opened in 1990 and is one of four schools in the Cucamonga School District. Each of our classrooms has a teacher computer workstation and a projector and sound system connected to the teacher's computer. A computer network system is connected to a local area network, and every classroom and office, have Internet access. The access is screened through a firewall system monitored by the San Bernardino County Superintendent of Schools. All students and employees who use computers are required to sign Internet Use Agreements. We have one to one technological device for all students. We are nearing the end of construction, with the last of our inside offices being completed, along with our library. All our student classrooms have been completely renovated and upgraded. Also, the kitchen and multipurpose, library, and all our outside facilities have been renovated.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district takes efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or at the District office.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The most recent inspection took place on September 21, 2021.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020–2021 School Year Only

- Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:
 - Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
 - Uniformly administered across a grade, grade span, school, or district to all eligible students.
- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
 - Smarter Balanced ELA and mathematics summative assessments;
 - Other assessments meeting the SBE criteria; or
 - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA/Literacy	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: The 2020–2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–2021 school year to other school years.

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: For any 2020–2021 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parent Involvement

Contact Person: Gladys Garcia, Parent Liaison

Phone Number: (909) 948-3044

Parents are an integral part of student success. Studies show that when parents participate in their children's education, their children do better in school. Our parent liaison works hard to recruit volunteers, as does our entire faculty. Parents are also active in monitoring student homework and working collaboratively with teachers to improve the quality of their children's education. We believe that parent involvement is a necessary component in making the vision of our school plan work. If you would like to volunteer at school and/or become involved in the Site Council or English Language Advisory Council, please contact the school. We hold monthly School Site Council meetings, English Advisory Council meetings,

Parent Volunteer group meetings, and a variety of other services and opportunities. Please check our school calendar for a schedule of planned events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety

SB187 Safety Plan

Date the plan was last updated: 10/12/2021

Date the plan was last reviewed with staff: Annually

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2018-19			Avg. Class Size	2019-20			Avg. Class Size	2020-21					
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*				
		1-20	21-32			33+	1-20			21-32	33+	1-20	21-32	33+
Kindergarten	19.0	5	1	20.0	5	1	16.0	5						
Grade 1	23.0		5	25.0		4	23.0		4					
Grade 2	21.0	1	3	27.0		4	23.0		4					
Grade 3	24.0		4	26.0		3	24.0		4					
Grade 4	28.0		3	25.0	1	2	25.0	1	2					
Grade 5	21.0	1	4	25.0	1	2	23.0	1	2					
Other (multi-grade)				21.0	1	1	18.0	1	1					

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

Cucamonga School District has implemented safety entrances at each of the sites that are designed to limit the number of visitors on campus. All entrance points are checked to ensure they are locked and secured during school hours. Lockdown buttons have also been installed at each of the sites that will direct staff and students to the nearest safe area. Lastly, two visitor management systems will be piloted to ensure visitors aren't listed under the nationwide sex offenders list.

Ontario Center has a safety team that meets monthly to conduct a site walkthrough to survey the campus of any visible safety hazards or violations. This team also reviews the safety plan annually and practices emergency drills monthly.

Discipline

Our goal is to create a productive learning environment for our students. To do this, we must have clear expectations and fair consequences. Behavior that is disruptive or which hurts others will not be tolerated. THE ONTARIO CENTER supports the implementation of PBIS. Second Step curriculum and Common-Sense Media are used in all grades.

Professional Development

Measure	2019-20	2020-21	2021-22
Number of school days dedicated to Staff Development and Continuous Improvement	120	114	130

Continuous growth and refinement of our skills to help students be successful is the most critical thing we can do to improve the achievement levels of all students. Cucamonga School District is committed to providing quality professional development opportunities for all employees certificated and classified, so this can happen. We provide professional development that is part of a comprehensive effort to ensure high levels of learning.

During the 2021-2022 school year, the focus of Cucamonga School District Staff Development is in the areas of Professional Learning Communities and Common Core State Standards. Teachers are invited to participate in 5 release days of collaborative learning that focused on formative assessment strategies, technology integration, instructional strategies, Common Core State Standards, Structured Teacher Planning Time, and building of content knowledge. Lesson study demonstrations and coaching are provided through three subject areas: ELA, Math, and NGSS. The Positive Behavioral Intervention System (PBIS) foundation has also been continued through professional development. This year, teachers are given the opportunity to select PD training from a list of suggested trainings that align with the district's vision.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school or the district office.

SCHOOL ACCOUNTABILITY REPORT CARD**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
