

# Dental Care at Englewood Community Care Clinic

The Florida Department of Health in Charlotte County (DOH-Charlotte) is offering its Dental Program at Englewood Community Care Clinic on Tuesdays, from 8 a.m. to 4 p.m. The program focuses on child dental care and operates **at no cost** to parents.

The goal of this program is to educate on the importance of dental health and provide dental care services to pediatric clients that include:

- Screenings
- Cleanings
- Oral health instructions
- Fluoride varnish applications
- Dental sealants
- Referrals to a dental home

Adult clients that are uninsured and meet the federal poverty guideline can be provided emergency dental services that include an x-ray, limited oral exam and non-complicated tooth extraction at no cost.
