## QUARTER 2 UPDATES

Hello and happy fall,  
 We're proud of the resilience our families showed during a challenging first quarter. Despite the difficulties brought on by the recent hurricanes, we successfully navigated the school year's start. The unwavering support from our community has been invaluable. A reminder: The Families in Transition Program is here to support students experiencing homelessness, including those living in shelters, motels, or doubled-up situations due to loss of housing. The McKinney-Vento Homeless Assistance Act ensures educational stability for these students.
