Even from a very young age, you have always had a mind of your own and wanted to do things your way. Your independence and your strength continually amazes me. I know that whatever you choose to do with the next chapter of your life, you will do it with the same strength and independence and you will continue to amaze me! I am so proud of you!  
 Love, Mom

I watched you grow from a bubbly baby, through the challenges of a teenager, to a successful high school career, and now into a self-confident college graduate. I am so proud of you, who you are, and what you have accomplished. I can't wait to see the next chapter of your life unfold.  
 Love, Dad.
