Sole Source 21/22-J: Cummins, Inc.

Opened: June 18, 2021

The District will recognize Cummins, Inc. as the sole provider of Cummins Power Systems and related accessories, components and services, as stated in their sole source letter, as a result of no contests being submitted during this Sole Source. This Sole Source was broadcast nationwide to over 125 organizations.

Effective dates of this Sole Source are July 17, 2021 – July 16, 2022.

We will continue to recognize this for 1 year, at which time we will again verify this claim and post another Sole Source for those who may wish to challenge.

Dear Tom,

Cummins Inc is the provider of Cummins products and provides engines, parts and service throughout the State of Florida. The company delivers Cummins power systems and related accessories, components and services including the pre-integrated PowerCommand system, plus diesel and natural gas generator sets, transfer switches and switchgear used in commercial facilities for emergency backup and prime power.

Cummins Inc uses proprietary tools and software to diagnose and repair Cummins products which are exclusive to Cummins authorized repair locations. Our Technicians are factory trained and qualified to work on all mid-range, heavy duty, High Horsepower and LNG Cummins engines as well as Power Generation equipment. Cummins Inc.

Sincerely,

Larry Plude

General Manager – South Region
