STUDENT IN-COUNTY REASSIGNMENT

- REQUEST** for the current school year (2024/25)
- NOTIFICATION** for the upcoming 2025/26 school year including early childhood programs and kindergarten round-up only.

School Board Rule 5120, *Student Assignment*, permits parents to enroll their child in a school other than the one to which they have been assigned. **Schools that have reached capacity will be closed to student reassignment.** Please refer to the district website for a listing of closed schools. Reassignments are granted through the completion of the highest-grade level offered at each school site. Preference will be given to that student's other siblings to attend the same out-of-district school.

Reassignment Request Guidelines

If a school or grade level is closed because it has reached its capacity level, request for student reassignment will not be granted. The following list represents the valid reasons for which a transfer may be approved.

Students seeking reassignment to a “Year Round elementary school” must seek reassignment no later than ten school days from the start of the Year Round school calendar.

- A. Students who change residence and school attendance boundaries may remain at the out-of-boundary school until completion of the highest grade offered. (Example: Student lives in Port Charlotte High School [PCHS] attendance zone and attends PCHS. Family moves to Charlotte High School [CHS] attendance zone. Student may choose to remain at PCHS.)
- B. Siblings of a student enrolled in an exceptional education program at a school different from the assigned school may attend the same school as the student in the exceptional education program. Transportation is not provided.
- C. Students who wish to attend an out-of-boundary middle/high school in order to participate in a specialized Magnet Program currently unavailable at their assigned school, may do so providing the student has successfully met entry level requirements and programmatic capacity exists at the school. Middle/High School students should refer to the district website for additional information pertaining to specialized Magnet Programs currently being offered within Charlotte County Public Schools. Failure to adhere to the guidelines established in the specialized Magnet Programs may result in removal from the program and placement in the student’s neighborhood school.
- D. Students in Charlotte County whose primary nighttime residence is in a supervised publicly or privately operated shelter for temporary accommodations (or in a public or private place not designated for or ordinarily used for continuing human habitation) shall be entitled to enrollment in Charlotte County Public Schools.
- E. Students may be granted permission to attend an out-of-boundary school if the parent/guardian is employed and the responsible guardian presents evidence that a problem in supervision exists before or after school. **Please attach additional information.**
- F. Children who move due to a court ordered change in custody due to a separation or divorce, or the serious illness or death of a custodial parent. **Documentation must be completed and attached with Application for Student Reassignment.**
- G. Students may be reassigned for valid health reasons. Reasons based on physical health must be certified by the student’s physician and specify the reasons why the reassignment is necessary or desirable. Reasons based on mental health must be certified by a licensed mental health professional. **Documentation must be completed and attached with Application for Student Reassignment.**
- H. Parents who plan to move into another attendance area, but who have not yet moved at the time they wish to register the child, may fill out an application for student reassignment. **This must be accompanied by a legal document, such as contract, showing the location of the prospective address and the closing date (month/day/year).**
- I. The administration is authorized to initiate or approve reassignment if it is of the opinion there are unique factors present which would inhibit the success of a student at one school and increase it at another. Such factors mainly would be in the area of special health problems, court, and other agency recommendations.
- J. Full-time Charlotte County Public Schools employees may enroll their children at the school of their choice, regardless of any restrictions, unless the school is at enrollment capacity.
- K. Other. Parent must explain in writing.
- L. Student is a dependent of a former or current member of the United States military as defined by F.S. 1003.051 (b).

Revocation of Student Reassignment Privilege

Upon recommendation of the principal and the review and approval of the Hardship Committee, a student may be returned to the assigned school in his/her attendance zone at the beginning of the next grading period for the following reasons: discipline, attendance problems and/or reasons for reassignment are no longer valid.
