Supplies for my class

1-1.5 inch binder**

2- packs of notebook paper

1-2 QUART sized zip lock bags

No 2 pencil

Glue sticks

Colored Pencils- we use these A LOT!

** Please no folders

This year students will be learning about physical science. This includes concepts in both chemistry and physics. They will also prepare for the Florida State Science Assessment That will be administered in of 2024. Full year curriculum is available to review in the in the students canvas page.

Please consider gifting the classroom with the following:

- 1 ream of printer paper
- 1 box of tissues
- 1 container of disinfecting wipes
- 1. roll of paper towels
- 1 box of quart sized zip lock bags

Classroom at a glance

Manners Matter!

I believe in my students working in a cooperative learning environment. In order for this to happen, there needs to be respect not only between teacher and student but peer to peer. As my students work together, they will be expected to use polite words such as please, thank you, excuse me, and you're welcome. When students are encouraged to treat each other with respect, a higher level of learning is achieved.

This is a state mandate.. This means that there will be no cell phones allowed in my classroom. The expectation is that cell phones are on silent and in their backpacks. If you need to contact your student, it would be appreciated that you call the front office during the school day.

As part of my science curriculum, corporate labs and activities to help students understand science concepts. In order for students to participate in these in these labs they must they must sign a lab safety contract and score and score an 85 or higher on a lab safety test.

Canvas is the digital learning platform adopted by Charlotte County Public Schools. It is in canvas that students can access missing coursework,, links to review test reviews, and digital assignments. **I use and update canvas weekly.**

I do not give or assign homework daily. Often-times homework is assigned because we were unable to finish an assignment in class. Homework assignments will be listed in canvas on the homework page.

Student Binders

Students will keep all of their homework and classwork materials in a binder which will be kept in the classroom unless they are instructed to take them home to use for review.

Be on the look out for the following for your signature:

Lab Safety Agreement, Cell phone understanding, CANVAS Agreement for make-up work, homework, and missing assignments
